

Dear Parents,

Summer is a time to take a break from school, but not from learning! We don't want our students to fall victim to the "summer slide" and lose valuable reading skills they have worked so hard to gain this year! So, we could use help in encouraging them to keep reading, thinking, and growing by participating in a summer reading challenge!

Student's Challenge:

- Pick 2 books
- Enjoy reading these great books.
- Complete 2 activity sheets for each book.
- Bring the completed reading activities to your new teacher when school starts back for a chance for a special treat!

And, be sure to participate in your child's reading!

- Have them read aloud to you.
- Ask "who, what, when, where, why, & how" questions about their book.
- Ask them to tell you about their favorite parts and characters or how they can relate to the story.

Character Interview

Take the role as the main character and answer these interview questions as if you are them. If the answer to the question can not be found in the book, draw your best conclusions and use your best imagination to answer the question.

What is your family like?

What are your hobbies?

What is your greatest fear?

Tell me about your best friends.

Describe where you live.

What is your typical day like?
