

You are a Fourth Grader!

Wear a smile to school each day

Every day learn something new

Learn to be a responsible student

Complete all work to the best of your ability

Organization is a key for success

Make many new friends

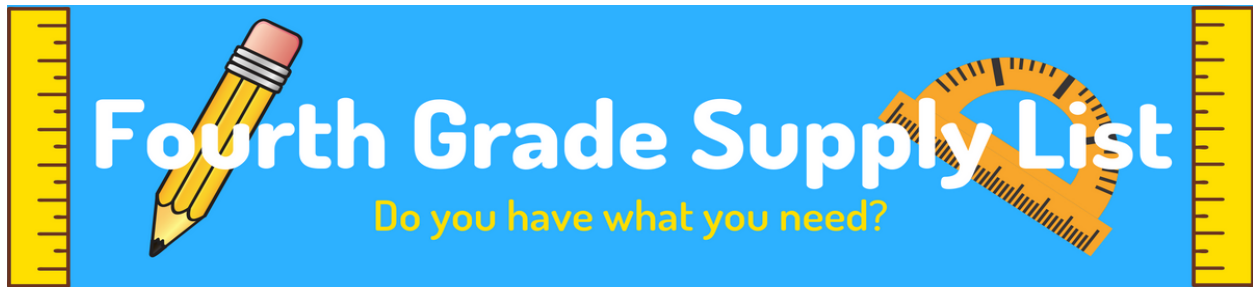

Excellent year ahead for you!

We are looking forward to a new school year and have many exciting things planned for you!

Please take some time this summer to read a few good books. We'd love to hear about what you read!

Remember to Practice your Math Facts and if you'd like to do extra math practice visit the EW Website or work on IXL.

Sincerely,
The 4th Grade Teachers!
