

0144 BOARD MEMBER ORIENTATION AND TRAINING

The preparation of each Board member for the performance of Board of Education duties is essential to the proper functioning of the Board. The Board encourages each new Board member to acquire information about school district governance, the separate functions of the Board and the Superintendent, the operations of the district, and Board procedures.

The Board directs that each new member receive access to and/or a copy of following:

- the Board of Education Bylaw, Policy, and Regulation Manual,
- the current budget statement and audit report,
- the most recent long-range facilities plan, and
- other materials as deemed appropriate by the Superintendent.

Each new Board member will be invited and is encouraged to meet and discuss the responsibilities and authority of a Board member, Board functions, and Board policies and procedures with the Board President (if available), the Superintendent, and the School Business Administrator/Board Secretary.

Within the first ninety days of a new Board member's first term, the Board member shall complete a training program to be prepared and offered by the New Jersey School Boards Association. The training shall include instruction relative to the Board member's responsibilities pursuant to the School Ethics Act and N.J.S.A. 18A:12-33.

The training program shall include information regarding the school district monitoring system established pursuant to P.L. 2005, c. 235, the New Jersey Quality Single Accountability Continuum, and the five key components of school district effectiveness on which school districts are evaluated under the monitoring system: instruction and program; personnel; fiscal management; operations; and governance.

Board Member Orientation and Training

The Board member shall complete a training program on school district governance in each of the subsequent two years of the Board member's first term.

Within one year after each re-election or re-appointment to the Board of Education, the Board member shall complete an advanced training program to be prepared and offered by the New Jersey School Boards Association. This advanced training program shall include information on relevant changes to New Jersey school law and other information deemed appropriate to enable the Board member to serve more effectively.

The New Jersey School Boards Association shall examine options for providing training programs to Board members through alternative methods such as on-line or other distance learning media or through regional-based training.

Within one year after being newly elected or appointed or being re-elected or re-appointed to the Board of Education, a Board member shall complete a training program on harassment, intimidation, and bullying in schools, including a school district's responsibilities under N.J.S.A. 18A:37-13 et seq. A Board member shall be required to complete the program only once. Training on harassment, intimidation, and bullying in schools shall be provided by the New Jersey School Boards Association, in consultation with recognized experts in school bullying from a cross section of academia, child advocacy organizations, nonprofit organizations, professional associations, and government agencies.

2520 INSTRUCTIONAL SUPPLIES

The Board of Education shall provide staff members with the supplies and materials necessary for the successful implementation of the instructional program and provide students with the supplies and materials required for the successful completion of courses of study.

The Board expressly exempts from this Policy such clothing or personal equipment as may be required for reasons related to the safety and health of students or the protection of school property and are individualized or non-reusable, and any materials used in the manufacture or preparation of useful or decorative items that students are permitted to retain, except that no student will be denied participation in any course of study or school sponsored activity because of their financial inability to bear the cost of such clothing, equipment, or materials.

Supplies and materials will be distributed throughout the school district in a manner that ensures equal distribution to students; school facilities; courses; programs; and activities and services, regardless of the protected categories listed at N.J.A.C. 6A:7-1.7(a).

The Superintendent or designee shall develop procedures for the selection and utilization of instructional supplies that include effective consultation with teaching staff members at all appropriate levels.

3217 USE OF CORPORAL PUNISHMENT

No teaching staff member employed by the Board or a person engaged in any school in the school district shall inflict or cause to be inflicted corporal punishment upon a student attending any school in the school district; but any such teaching staff member may, within the scope of their employment, use and apply such amounts of force as is reasonable and necessary:

1. To quell a disturbance, threatening physical injury to others;
2. To obtain possession of weapons or other dangerous objects upon the person or within the control of a student;
3. For the purpose of self-defense; and
4. For the protection of persons or property;

and such acts, or any of them, shall not be construed to constitute corporal punishment pursuant to N.J.S.A. 18A:6-1. Every resolution, bylaw, rule, ordinance, or other act or authority permitting or authorizing corporal punishment to be inflicted upon a student attending any school in the district shall be void.

Any teaching staff member employed by the Board found to have violated this Policy may be subject to discipline by the Board.

4217 USE OF CORPORAL PUNISHMENT

No support staff member employed by the Board or a person engaged in any school in the school district shall inflict or cause to be inflicted corporal punishment upon a student attending any school in the school district; but any such support staff member may, within the scope of their employment, use and apply such amounts of force as is reasonable and necessary:

1. To quell a disturbance, threatening physical injury to others;
2. To obtain possession of weapons or other dangerous objects upon the person or within the control of a student;
3. For the purpose of self-defense; and
4. For the protection of persons or property;

and such acts, or any of them, shall not be construed to constitute corporal punishment pursuant to N.J.S.A. 18A:6-1. Every resolution, bylaw, rule, ordinance, or other act or authority permitting or authorizing corporal punishment to be inflicted upon a student attending any school in the district shall be void.

Any support staff member employed by the Board found to have violated this Policy may be subject to discipline by the Board.

5305 HEALTH SERVICES PERSONNEL

The Board of Education shall appoint at least one school physician pursuant to N.J.S.A. 18A:40-1. The Board may appoint a lead school physician to serve as health services director if more than one school physician is contracted by the Board. The school physician(s) shall be currently licensed by the New Jersey Board of Medical Examiners in medicine or osteopathy and shall have a training and scope of practice that includes child and adolescent health and development. The contract between the Board and the school physician(s) appointed pursuant to N.J.S.A. 18A:40-1 shall include a statement of assurance that the school physician(s) has completed the Student-Athlete Cardiac Screening professional development module developed pursuant to N.J.S.A. 18A:40-41d and has read the sudden cardiac arrest pamphlet developed pursuant to N.J.S.A. 18A:40-41. The school district shall conduct a criminal history background check on any physician before entering into an agreement for delivery of services pursuant to N.J.A.C. 6A:16-2.3.

The school physician(s) shall provide, at a minimum, the following services:

1. Consultation in the development and implementation of school district policies, procedures, and mechanisms related to health, safety, and medical emergencies, pursuant to N.J.A.C. 6A:16-2.1(a) and Policy and Regulation 5310;
2. Consultation to school district medical staff regarding the delivery of school health services, which includes special health care needs of technology-supported and medically fragile children, including students covered by 20 U.S.C. §1400 et seq., Individuals with Disabilities Education Act;
3. Physical examinations conducted in the school physician's office or other comparably equipped facility for students who do not have a medical home;
4. Provision of written notification to the parent stating approval or disapproval of the student's participation in athletics based upon the medical report;
5. Direction for professional duties of other medical staff;
6. Written standing orders that shall be reviewed and re-issued before the beginning of each school year;
7. Establishment of standards of care for emergency situations and medically related care involving students and school staff;

8. Assistance to the certified school nurse or noncertified nurse in conducting health screenings of students and staff and assistance with the delivery of school health services;
9. Review, as needed, of reports and orders from a student's medical home regarding student health concerns;
10. Authorization of tuberculin testing for conditions outlined in N.J.A.C. 6A:16-2.2(c) and Policy and Regulation 5310;
11. Review, approval, or denial with reasons of a medical home determination of a student's anticipated confinement and resulting need for home instruction; and
12. Consultation with the school district certified school nurse(s) to obtain input for the development of the school nursing services plan, pursuant to N.J.A.C. 6A:16-2.1(b) and Policy and Regulation 5310.

The Board shall employ a certified school nurse to provide nursing services while school is in session pursuant to N.J.S.A. 18A:40-1 and 3.3. The certified school nurse shall work under the direction of the school physician and Superintendent of Schools.

The certified school nurse shall possess a standard educational services certificate with a school nurse endorsement or school nurse/non-instructional endorsement pursuant to N.J.A.C. 6A:9B-14.3 or 14.4. The certified school nurse shall possess a current New Jersey registered professional nurse license issued by the New Jersey State Board of Nursing; a bachelor's degree from a regionally accredited college or university; a current Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillators (AED) certification as issued by the American Heart Association, the American Red Cross, the National Safety Council, or other entities determined by the Department of Health to comply with the American Heart Association's CPR guidelines; and complete training in airway management and in the use of nebulizers and inhalers consistent with nationally recognized standards including, but not limited to, those of the National Institutes of Health and the American Academy of Allergy, Asthma, and Immunology.

The role of the certified school nurse shall include, but not be limited to:

1. Carrying out written orders of the medical home and standing orders of the school physician;

2. Conducting health screenings which include height, weight, blood pressure, hearing, vision, and scoliosis pursuant to N.J.A.C. 6A:16-2.2 and Policy and Regulation 5310 and monitoring vital signs and general health status for emergent issues for students suspected of being under the influence of alcohol and controlled dangerous substances, pursuant to N.J.S.A. 18A:40-4 and 18A:40A-12 and Policy and Regulation 5530;
3. Maintaining student health records, pursuant to N.J.S.A. 18A:40-4 and N.J.A.C. 6A:16-2.4, and Policy and Regulation 5308;
4. Recommending to the Principal students who shall not be admitted to or retained in the school building based on a parent's failure to provide evidence of the child's immunization according to the schedules specified in N.J.A.C. 8:57-4;
5. Annually reviewing student immunization records to confirm with the medical home that the medical condition for the exemption from immunization continues to be applicable, pursuant to N.J.A.C. 8:57-4.3;
6. Recommending to the Principal exclusion of students who show evidence of communicable disease, pursuant to N.J.S.A. 18A:40-7, 8, and 10;
7. Directing and supervising the emergency administration of epinephrine and glucagon, and training school staff designated to serve as delegates, pursuant to N.J.S.A. 18A:40-12.6 and 12.14 and Policy and Regulation 5330;
8. Administering asthma medication through use of a nebulizer;
9. Directing and supervising the health services activities of any school staff to whom the certified school nurse has delegated a nursing task;
10. Classroom instruction in areas related to health education, pursuant to N.J.A.C. 6A:9B-14.3;
11. Reviewing and summarizing available health and medical information regarding the student and transmitting a summary of relevant health and medical information to the Child Study Team, pursuant to N.J.A.C. 6A:14-3.4(h);
12. Writing and updating, at least annually, the individualized health care plans and the individualized emergency healthcare plans for students' medical needs, and instructing staff as appropriate;

13. Writing and updating, at least annually, any written healthcare provisions required under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §794(a), for any student who requires them;
14. Assisting in the development of and implementing healthcare procedures for students in the event of an emergency;
15. Instructing teachers on communicable disease and other health concerns, pursuant to N.J.S.A. 18A:40-3;
16. Reviewing completed health history update questionnaires and sharing with the school athletic trainer for review, if applicable, pursuant to N.J.S.A. 18A:40-41.7; and
17. Providing other nursing services consistent with the nurse's educational services certification endorsement as a school nurse issued by the State Board of Examiners and current license approved by the State Board of Nursing.

A certified school nurse who possesses the school nurse/non-instructional certificate is not authorized to teach in areas related to health, pursuant to N.J.A.C. 6A:9B-14.4.

The Board may appoint a non-certified nurse under the supervision of a certified school nurse to supplement the services of a certified school nurse provided a noncertified nurse shall be assigned to the same school building or complex as the certified school nurse pursuant to N.J.S.A. 18A:40-3.3.a. and a noncertified nurse is limited to providing services only as permitted under a noncertified nurse's license issued by the State Board of Nursing in accordance with N.J.A.C. 6A:16-2.3(c).

5308 STUDENT HEALTH RECORDS

The school district shall maintain mandated student health records for each student pursuant to N.J.A.C. 6A:16-2.4 and N.J.A.C. 6A:32-7. The district will document student health records using a form approved by the Commissioner of Education.

The maintenance and security of student health records shall be in accordance with N.J.A.C. 6A:32-7 and 6A:16-2.4. Student health records, whether stored on paper or electronically, shall be maintained in accordance with N.J.A.C. 6A:32-7. Student health records shall be maintained separately from other student records. Student health records also shall be maintained according to the requirements of N.J.A.C. 6A:32-7 until such time as graduation or termination from the school district, whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record. The school district of last enrollment, graduation, or permanent departure of the student shall keep, for 100 years, a mandated record of a student's health history and immunization in accordance with N.J.A.C. 6A:32-7.8(f). No additions shall be made to the record after graduation or permanent departure without prior written consent of the parent or adult student pursuant to N.J.A.C. 6A:32-7.8(e).

The transfer of student health records when a student transfers to or from a school district shall be in accordance with N.J.A.C. 6A:16-7.9 and N.J.A.C. 6A:32-7.5.

Any Board of Education employee with knowledge of, or access to, the following health information shall comply with restrictions for sharing information as required by Federal and State statutes and regulations: information that identifies a student as having HIV infection or AIDS shall be shared only with prior written informed consent of the student age twelve or greater, or of the student's parent as required by N.J.S.A. 26:5C-1 et seq. and only for the purpose of determining an appropriate educational program for the student; information obtained by the school's alcohol and other drug program that would identify the student as an alcohol or other drug user may be disclosed only for those purposes and under conditions permitted by 42 CFR Part 2; information provided by a secondary school student while participating in a school-based alcohol or other drug counseling program that indicates that a parent or other person residing in the student's household is dependent upon or illegally using a substance shall be shared only for those purposes and conditions permitted by N.J.S.A. 18A:40A-7.1.

Access to and disclosure of information in a student health record shall meet the requirements of the Family Educational Rights and Privacy Act (FERPA), 20 USC §1232g, and 34 CFR Part 99, incorporated herein by reference, as amended and supplemented, and N.J.A.C. 6A:32-7 – Student Records.

The school district shall provide access to the student health record to licensed medical personnel not holding educational certification who are working under contract with, or as employees of, the school district only to the extent necessary to enable the licensed medical personnel to perform their duties. Secretarial or clerical personnel under the supervision of the certified school nurse shall be permitted access to those portions of the student health record necessary for entry and recording of data and for conducting routine clerical tasks as outlined in N.J.S.A. 18A:40-3.4 and N.J.A.C. 6A:32-7.5.

Nothing in N.J.A.C. 6A:16-2.4 or in this Policy and Regulation 5308 shall be construed to prohibit school personnel from disclosing to students or adults in connection with an emergency the information contained in the student health record if the release is necessary to protect the immediate health or safety of the student or other persons pursuant to N.J.A.C. 6A:32-7.5.

5310 HEALTH SERVICES

The Board of Education shall develop and adopt the following written policies, procedures, and mechanisms in accordance with N.J.A.C. 6A:16-2.1(a) for the provision of health, safety, and medical emergency services, and shall ensure staff are informed as appropriate:

1. The review of immunization records for completeness, pursuant to N.J.A.C. 8:57-4.1 through 4.20 (Policy and Regulation 5320);
2. The administration of medication to students in the school setting by the following authorized individuals (Policy and Regulation 5330):
 - a. The school physician;
 - b. A certified school nurse or noncertified nurse;
 - c. A substitute school nurse employed by the school district;
 - d. The student's parent;
 - e. A student approved to self-administer medication, pursuant to N.J.A.C. 6A:16-2.1(a)5.iii. and 6A:16-2.1(a)9. and N.J.S.A. 18A:40-12.3 and 12.4;
 - f. Other school employees who volunteer to be trained and designated by the certified school nurse to administer epinephrine in an emergency, pursuant to N.J.S.A. 18A:40-12.5 and 12.6; and
 - g. Other employees who volunteer to be designated as a delegate and trained to administer glucagon, pursuant to N.J.S.A. 18A:40-12.14.
3. The review of Do Not Resuscitate (DNR) orders received from the student's parent or medical home (Policy 5332);
4. The provision of health services in emergency situations, including:
 - a. The emergency administration of epinephrine via an epinephrine auto-injector, pursuant to N.J.S.A. 18A:40-12.5 (Policy and Regulation 5330);

- b. The emergency administration of glucagon, pursuant to N.J.S.A. 18A:40-12.14 (Policy and Regulation 5338);
 - c. The care of any student who becomes injured or ill while at school or participating in school-sponsored functions (Policy and Regulation 8441);
 - d. The transportation and supervision of any student determined to be in need of immediate care (Policy and Regulation 8441);
 - e. The notification to parents of any student determined to be in need of immediate medical care (Policy and Regulation 8441); and
 - f. The establishment and implementation of an emergency action plan for responding to a sudden cardiac event, including the use of an automated external defibrillator (AED), pursuant to N.J.S.A. 18A:40-41b. (Policy and Regulation 5300).
5. The treatment of asthma in the school setting in accordance with the provisions of N.J.A.C. 6A:16-2.1(a)5. (Policy 5335);
 6. Administration of student medical examinations, pursuant to N.J.S.A. 18A:40-4, N.J.S.A. 18A:35-4.8, and N.J.A.C. 6A:16-2.2 (Policy and Regulation 5310);
 7. Utilization of sanitation and hygiene when handling blood and bodily fluids pursuant to N.J.A.C. 12:100-4.2, Safety and Health Standards for Public Employees, and in compliance with 29 CFR §1910.1030, Occupational Safety and Health Bloodborne Pathogens Standards (Policy and Regulation 7420);
 8. Provision of nursing services to nonpublic schools located in the school district as required by N.J.S.A. 18A:40-23 et seq. and N.J.A.C. 6A:16-2.5 (Policy and Regulation 5306);
 9. Self-administration of medication by a student for asthma or other potentially life-threatening illness or life-threatening allergic reaction pursuant to N.J.S.A. 18A:40-12.3, 12.5, and 12.6, and the self-management and care of a student's diabetes as needed, pursuant to N.J.S.A. 18A:40-12.15 (Policy and Regulation 5330);

10. Development of an individualized healthcare plan and individualized emergency healthcare plan for students with chronic medical conditions, including diabetes, asthma, and life-threatening allergies requiring special health services in accordance with N.J.S.A. 18A:40-12.11.c, 12.12, 12.13, and 12.15; and N.J.A.C. 6A:16-2.3(b)3.xii. (Policies and Regulations 5331 and 5338 and Policy 5335); and
11. Management of food allergies in the school setting and the emergency administration of epinephrine to students for anaphylaxis, pursuant to N.J.S.A. 18A:40-12.6a through 12.6d (Policy and Regulation 5331).

The Board of Education shall annually adopt the school district's nursing services plan at a regular meeting, pursuant to N.J.A.C. 6A:16-2.1(b) and Policy 5307.
