

Seventh Grade Immunization Requirement

June 1, 2023

Attention Parents/Guardians:

The Ohio Department of Health requires students entering 7th grade to have an additional dose of Tdap or Td booster shot **AND** one dose of Meningococcal vaccine. This requirement should be met prior to the first day of school in August. Please contact your family physician or local health department at 740-689-6758 to make an appointment. **You will need to provide the middle school office with a copy of your student's updated immunization record OR if your student is exempt please provide written documentation from your doctor.** This information can be faxed to the school at 740-969-4764 or emailed to Mrs. Hedges at shedges@amanda.k12.oh.us.

Please submit documentation from your doctor PRIOR to the first day of school in August. This is a mandatory document that must be provided to the school. Failure to submit this information may result in your student not being permitted to attend school until we receive the immunization records.

Thank you for your attention to this matter, if you have any questions please call Mrs. Cochran or Nurse Emily.
