

# 1:1 Chromebook User Agreement

Fayette County Public Schools is pleased to offer students the at-home use of Chromebooks in an effort to increase student collaboration, creativity, critical thinking, and communication. Use of these devices is a **privilege** that comes with responsibility. Students must obtain parental/guardian permission and must sign and return this pledge to the designated teacher/staff before the equipment can be checked out.

Intentional or wanton misuse or damage of any school equipment is considered a Class III Code violation (*Property Damage of Vandalism; Criminal Mischief*) that has the potential to result in consequences outside the district (*Student Code of Conduct*). In addition, the student/parent/guardian may be held financially responsible should the equipment be lost or damaged. If equipment checked out to a student is stolen, the student/parent/guardian is responsible for immediately notifying the school and submitting a police report.

## Acceptable Use

Student use of a Chromebook falls under the FAYETTE COUNTY PUBLIC SCHOOLS Student Code of Conduct. This User Agreement still requires students to have a signed FCPS Acceptable Use Policy on file with the school.
