

JME PTA Agenda

3/14/2023

- Welcome-Edward Clark—**Introduced himself and welcomed everyone.**
- PTA Shoutout for sponsoring a staff breakfast and new library furniture! All but our chairs have been delivered!
- SBDM Rep Needed-Taylor Milburn **Taylor discussed the importance of SBDM and gave a SBDM info sheet to parents in attendance. They are still looking for a minority rep. It is a 2 year commitment and she encouraged people to come here and speak on behalf of parents to meetings even if they can't serve on the committee. Normally on the first Monday of every month at 4 PM. The hope is to be equitable to all people. Important to note that SBDM sets policies and procedures and is a part of voting on the master schedule, setting PD opportunities for teachers, reviewing student data, and progressing the growth of JME.**
