We've had a great week starting with our Year 5 and 6 residential to Manor Adventure! The children had an absolutely wonderful time: climbing, abseiling, doing archery, fencing and more. The children were great at challenging themselves and so enjoyed the range of activities and the food! My thanks goes to Mrs. Kostiuk for playing a major part in organising the trip. Also, thank you to Mrs. Abbott, Mrs. Saunders, Mrs. Daly, Mrs. Paul and Mrs. Reason for going on the trip and giving up their own family time to support the children and for being such good sports. Here is a brief selection of photos.

Today (Friday) the children joined in with a skipping workshop where all classes had a skipping lesson with specialist 'skipping instructors'. The children had a great time through the day and there was a skipping assembly at the end when children showed off different skipping skills they had learnt. It's been a great day! Here some photos from Reception Class and Year 5 skippers!

Classes for Next Year and Transition

Next year's class teachers and transition activities will be announced next week. Please be assured that the children will have plenty of time with their new teachers before the end of term.

Holiday Club

Sadly, Holiday Club will not be held during this summer holiday break. Extensive improvements are being made to the school and it is deemed unsafe to have children on site during the holiday. We apologise for any family who was hopeful this would go ahead. So sorry.
