### ***To school counselors:***

***You are the only person*** being contacted in your school. **Please** forward this information to those who would most likely know of students who are interested in aviation/aerospace.

- Aviation camps are two (2) days in length and enroll students ages 10 through 17.***
- Actual flight lesson in a Cessna 172 aircraft - provided by Wings Flight Training.***
- Time is 8:30 a.m. until 3:30 p.m. daily with 6 camps conducted in Lexington in the month of June.***
- STEM Topics include: science of aeronautics, navigation, flight simulation, aircraft design, NASA engineering space challenges, museum exhibits, air traffic control and more***
- Provided - lunch, snacks, camp t-shirt, class handouts, museum admission***
- Cost for camps at Bluegrass Airport location - \$244. See website for cost of other camps in KY.***
- REGISTRATION is done online at [www.aviationky.org](http://www.aviationky.org). Click on 'Camp' to enroll.***

***Some financial aid is available for students requiring assistance to attend.*** The applications for those are also available on the website once a particular camp is chosen. See the instructions there.

For further information, you may call the aviation camps number at (859) 353-0467 or email [camp-s2023@aviationky.org](mailto:camp-s2023@aviationky.org) or [alcreque@aviationky.org](mailto:alcreque@aviationky.org)

Best Regards,

*Al Creque*
