Welcome!

Welcome to first grade! My name is Keeley Disponette and I am so excited to have you in my class this year! I look forward to working with your family during the 2023-2024 school year! I know we are going to have a great year together!

About Me

This will be my second year teaching First Grade, but my third year at RPE! I grew up in Lexington, graduated from ECU in 2019, and now I have the opportunity to teach at the best school! My biggest goal this year is to create a classroom community where all students feel welcome, safe, and excited to learn! I am looking forward to the best year yet!
