Meet Mrs. Roden

All About my Teacher

My name is Taylor Roden and I'm so excited to work with your family in the 2023-2024 school year! This year will kick off my eleventh year of teaching. I spent the first seven years of my career teaching 3rd and 4th grades at Rosa Parks before leaving to help open the newest FCPS Elementary School, Brenda Cowan. This will be my third year back at Rosa Parks teaching 1st Grade. I am a graduate of Georgetown College where I received both my bachelor's degree in Elementary Education, and my master's degree in Learning and Behavioral Disorders. I am also a Google Certified Educator. In my free time, I enjoy coaching soccer at Lafayette High School with husband, hiking, traveling, and spending time with my two dogs, Jodie and Shai.
