Murray Swim Carnival!

We Learn, we lead...

One thing that was very apparent during this years Swimming Carnival was the participation of our whole school community. Yet again our House Captains stood up and did an amazing job of helping organise their fellow students so we had the right children entering the correct events. What fabulous role models! Mrs. Greenbank was there supporting, cheering, organising, Mr. Sam gets the MC award this year, and Mr Brady cheered– and demonstrated strokes. Staff from across the school came together to help Marshall and support the PE Department. The PE Department organized the event to enable everyone to participate.

Those who were not able to swim encouraged and cheered on their team mates. A big thank you to all of our parents for your support during the carnival. And a huge thank you to the Parent Group who help us have a carnival feel by selling well deserved cold treats for after the events.

Parent Group

Thank to our wonderful parent volunteers for your help and enthusiasm over the two days of our inter-house swimming carnival. We appreciate your support in encouraging our school spirit, and creating a caring and rewarding space for our kids to enjoy after their efforts in the pool.

A reminder that our Parent Group AGM is next Wednesday 22nd March at 1pm in the school staffroom. Deadline for nominations is Tuesday 21st March at 3pm. All nominations must be present for voting, and voting must take place in person.

Thank you for your support,

Parent Group Committee

TEMIS Community News

Dear TEMIS Community,

The IEA's Teacher Induction Programme, colloquially known as the TIP, was established in 1999 by our Centre for Professional Development (CPD) to cater for the ongoing need to train, up-skill and mentor qualified Papua New Guinean teachers who are new to the IEA. Almost all teachers in the IEA have graduated from this one-year full-time programme, which is now a formal qualification: A Diploma in International Education.

In Week 7 some of the inductees joined our classes at the Murray site on placements. Hosting inductees on placement is enriching for the students, inductees, teacher mentors and the wider school community. In particular, our students will benefit from a greater variety of teaching, learning and co-curricular experiences through the structured participation of inductees in the school. Furthermore, the school gains access to a variety of newer approaches to teaching and learning through its engagement with inductees and the Centre for Professional Development. Below are the 6 inductees, their names and classes that they are with.

Name: Claire Litiki
Class: Prep AL

Name: Joyce Paney
Class: 2E

Name: Kathriella Bikta
Class: 3A

.

Name: Sheena Boie
