

NOTAM Class 06112023
Raisbeck Aviation High School
Weekly Student Announcements
June 11, 2023

Principal's Phoenix Flyers:

Happening This Week:

June 12 –Periods 1- 6 No Advisory

June 12 – Graduation @ PAC 6:00 PM

June 16 – Last Day of School

Hello RAHS Families and Community!

It is hard to believe that this is the last NOTAM of the year! Congratulations to the **Class of 2023** as they walk the stage at our commencement ceremony this coming Monday evening. Each graduate should be so proud of their accomplishments over these last 4 years! Students are heading on to tech programs, the military, college & university and the world of work – and no matter where their path leads, we can truly say The Sky is NOT the Limit for our scholars!

Speaking of scholars – we honored some of our seniors this past Monday evening at our annual Scholarship Reception. Thank you to the **Class of 2024** families who provided some amazing desserts! Congratulations to **Purdue University** scholarship recipients, **Alexis Lee and Opal Heltzel**, recipient of the **ERAU** scholarship **Atticus Bhat** (presented by Amy Pham), and the **University of North Dakota** scholarship recipient **Owen Teodoro**. We were honored to welcome **Sherry Rasibeck** to present the **Raisbeck Legacy Scholarships** to **Cade Scheff, Ali Karim, Ava Michler, Caleb Hyun and Lucien Freemesser**. Other notable scholarship recipients were **Riley Pierce, Alexa Weinmaster, Simrat Chhokar, Neidy Ramirez, Emily Batig and Nathan Tran**. And finally, thanks to the generosity of our amazing PTSA, we awarded scholarships to the Senior Showcase winners for their outstanding projects - **Alexis Lee, Raphael Monserate, Ava Michler, Hagen Rankin, Lucien Freemesser, Hai Lin Truman, Evan Hancock, Ali Karim and Caleb Hyun**.

A huge “congrats” goes out to one of our alumni – **Kenny Pham** from the **Class of 2019**. Kenny was our ASB President and an outstanding leader on campus – and he carried that success to the University of Washington where he was just named as a **Husky 100** recipient! Husky 100 students are the top 100 students *from all three campuses* that have made a significant impact on their community and who have demonstrated outstanding leadership on campus. I love that he gave a shoutout to RAHS in his acceptance speech! Congratulations Kenny – we are proud of you and thankful for the legacy you have given our school.

No matter what you do this summer – whether you travel or if you stay right here in the beautiful Pacific North West, enjoy the summer and spend it with family, friends and loved ones. Have a great break and we will see you again in the fall! Returning students and families, stay tuned for the summer letter with details, but don't forget – first day of school is **September 6**.

Have fun, take care, and stay safe!

Therese Tipton

Students - Summer PE contracts are now open, and **pre-approval is required by June 16**. Sign up at <https://hsd.instructure.com/enroll/3JYW4P> and get your pre-approval turned in ASAP

Students - Looking for help in the academic homestretch? Live, on-demand, online tutoring and homework help is available through King County Library: <https://kcls.org/middle-high-school-students/>

Students – This is a reminder that **PE and Art Contracts** may **not extend into summer** – get everything you need to finish your contract on time at <https://hsd.instructure.com/enroll/4WGYJG>

Students – Photographers and videographers – looking for a summer program that can count towards an art contract? Check out Youth In Focus – discounts and scholarships available! <https://www.youthinfocus.org/summer-camp>

ACE

Do you have an interest in aviation? Want to learn how to become a pilot? Check out ACE Club! Meetings will be during lunch on the first and third Wednesdays of every month in Ms. Farrell's room. All students welcome! Email Emily Batig (ebatig2023@gmail.com) for more information or any questions.

AIAA

Are you interested in a career in the aerospace industry? Do you have a passion for hands-on aerospace-related projects? If so, come check out AIAA in Mr. McComb's room on Tuesdays and Thursdays from 3:45 to 5pm. For more information, please contact Jason Poon @ 5000901@g.highlineschools.org or Atticus Bhat @ atticusbhat@gmail.com

BSU

BSU will meet every other Wednesday at lunch in room 3530. For questions contact Mr. Thew.

Environmental Club

Need community service hours? Want to contribute more to your community? Care about sustainability? Environmental Club meets weekly to care for our school garden, discuss sustainability topics, and plan community service projects. Meetings **every** Wednesday, after school, in Ms. Olson's room (3580). Questions? Please contact us at rahsenviroclub@gmail.com.

Green Energy Team

The RAHS Green Energy team is a team of Raisbeck Aviation High School students who are committed to engineering and collaborating to solve real-world problems in the context of renewable energy. Annually, students are challenged to completely design, manufacture, test, and race a solar car. In their first three competitions, the team has established itself as the three-time Advanced Division National Solar Car Champions. If you are interested in joining fill out [THIS FORM](#).

Key Club

Are you interested in community outreach and getting volunteer hours? Join Key Club, for leadership, community building, and bonding with students at RAHS. If you have any questions or concerns, please email Monty Robertson (Montgomeryrobertson@gmail.com) or Evan Palisoc (evanp2k5@gmail.com). Meetings every other Thursday in Ms. Olson's during lunch.

GSA

Will meet Mondays and Thursdays during lunch and every Wednesday after school from 3:30-4:30 in Ms. Marshalla's room. For more information contact Jasmin Rivas at 4022636@g.highlineschools.org

Phoenix Force Robotics

Phoenix Force Robotics is an interactive, immersive, community-building club. We meet Tuesdays and Thursdays from 4 to 6 pm in the CAD lab, room 3590. In PFR you can learn to build, design, program, fund, and manage a robot. In addition, we go to super fun competitions with our robot! If you have any questions, feel free to email Mr. Joshi at nikhil.joshi@highlineschools.org or our presidents at president@phoenixforcerobotics.org

Science Olympiad

Are you a student who wants to expand your scientific knowledge in a competitive environment? Or are you looking to be a part of a team and make long-lasting friendships? All of this and more is available at the Science Olympiad! We meet every day at 8am in Mr. McComb and Ms. Shin's room. Please contact us at rahsscioolyexec@gmail.com or our advisor for more information. We look forward to seeing you there!

Speech and Debate

Speech and Debate will meet every Tuesday and Thursday after school in Mr. Tendler's room (3520). If you'd like to improve your public speaking skills, compete in tournaments, and have fun, please come join us! Email alexaweinmaster@gmail.com if you have any questions.

WAI

For questions contact Ms. Nelson at stephanie.nelson@highlineschools.org

For Mental Health Resources, scholarships, financial aid, and college application resources, visit the counseling center website: <https://rahs.highlineschools.org/academics/counseling-center>

Seniors: If you've been **accepted to college** and you want to be added to the map, please see Ms. Carper or Ms. Nackos.

Students: If you need a **free Orca Card**, please see Ms. Carper or Ms. Nackos.

Students - If you didn't take Washington State History in middle school, you can complete it here: <https://hsd.instructure.com/courses/7296>

Selective Service: The Military Selective Service Act requires virtually all US residents assigned male at birth to register for Selective Service within 30 days of their 18th birthday. [More information and registration.](#)

Students who live in Washington's [ninth congressional district](#): Congressman Adam Smith's Youth Advisory Council is accepting applications.

Students will have the opportunity to:

1. Interact with Congressman Smith and his staff
2. Learn about the processes and operations of a congressional office
3. Research and discuss policies and issues with other students on the council
4. Draft memos containing legislative recommendations for Congressman Smith

More information is available [here](#) and the application is available [here](#). Applications will be accepted through **June 16**.

9th-11th graders: Are you interested in creating classroom presentations and teaching other teenagers in the region about inclusive sex education? [Apply for Teen Council](#)

Students, if you need forms signed for summer programs or classes, the last day is **June 16th**.

Join **University of Washington Admissions** for their summer Washington Wednesday live webinar series to learn more about the University of Washington, find answers to your questions and get a head start on the freshman application.

[More information and registration](#)

Washington Business Week: Since 1976, teams of students have competed in an interactive business simulation that places them in leadership roles of their own company. Students are divided into teams and are responsible for running an existing company and launching a new product or service. Mixing the art of persuasion with sound business tactics, students role-play to pitch products to potential investors. Teams are challenged to answer the question—how do you work together with people you've never met to make an organization succeed? [More information, scholarships, and registration.](#)

Summer School: Behind on core credits? Highline is offering [Summer School](#) at Highline High School from July 5th to August 1. See Ms. Carper or Ms. Nackos for more information.

Visit the **Career Center** website at <https://rahs.highlineschools.org/academics/career-center>

Students - Community Service Hours: Blank forms for logging hours, and a drop box for completed forms, are in the main office and career center. You can also find the electronic form [here](#).

Attention Students -Are you thinking about getting an after-school job? If you have a job while in high school in the State of Washington, you have to have a form signed by the school, called the **Washington State Department of labor** Parent/School Authorization form. The really good news about having the school sign the form, and keeping track of student jobs and your hours, is that you are eligible to attain Work-Site Learning credits! Please see Mrs. Olsen in the Career Center if you have an authorization form to be signed or have questions about a job outside of school!

Current 9-11 Grade Students - Do you need community service? Check out this summer opportunity from [MoPOP](#).

Students - Purdue University Engineering is offering a [virtual short course](#) this summer for advanced students in grades 9-12 who have had Algebra and show an interest in Machine Learning. Click on the link to learn more!

Students - Do you love math? Are you interested in a summer opportunity to earn leadership hours? Check out this opportunity to become a Girls **Rock Math** summer counselor! [STEM camp](#) | [Girls Rock Math](#) | [Seattle](#)

Students – Are you looking for volunteer opportunities? **The Museum of Flight** is looking for volunteers. For more information, check here <https://www.museumofflight.org/Careers/volunteering-opportunities>

Students looking for a summer job? The Highline Water District is hiring for a seasonal maintenance worker. This position starts at \$22/hr., and applicants must have a driver's license. The posting and job description can be viewed on their website: <http://www.highlinewater.org/about-us/employment.aspx>

Police Explorers is for students 14 to 21 years of age that are interested in law enforcement careers. This program will encourage the Explorer's participation in a rewarding and productive service activity and enhance the Explorer's preparation for future roles as a citizen and a community member. Besides gaining a working knowledge of police work, the participants have the opportunity to give of themselves to their community. For more information check [here](#).

For questions regarding internship opportunities, email Ms. Olsen at renee.olsen@highlineschools.org or call 206-631-7210.

Visit the **PTSA** website at <http://www.rahsptsa.org/> to join and/or for more information.
