

West Mesa Club Info & Contact Sheet

Renaissance Leadership

Renaissance means revival! Renaissance Leadership Club is based on the philosophy that schools can change when staff, faculty, students, and the community work together. We promote academics and school spirit by recognizing talent, rewarding individuals, and planning activities/events to promote a cooperative environment. We plan events to bring staff, faculty, students, and the community together. C2G – Commitment to Graduate is promoted. Students who believe they can achieve – do! All students at all grade levels are welcome to join!

Meetings

Thursdays 2:30 – 3:30 pm in room MA-100
