Elma High School will work on communicating with families and guardians before school starts to make sure they are aware of the forms that need to be filled out in order to be eligible for a waived ASB fee. ASB cards will be advertised and students will be made aware of the reduced fees the card gets them. Extracurricular activities will also be promoted and students with interest can work with staff to communicate barriers. Further surveys will also be conducted to get to the "why" of barriers.
