

Tri-County Middle School League Event Spectator Guidelines

We are very happy the Tri-County Middle School League student-athletes get to have the opportunity to finally compete and perform on the field and court. Out of an abundance of caution for the safety and well-being of our students, and to help maintain their opportunity to have contests, we are establishing the following spectator conditions for Season 1 contests. We appreciate everyone's cooperation in abiding by the guidelines and support of student activities.
