## Log Your Learning

All ages are encouraged to

Learning Challenge by  
logging reading time and fun  
learning activities to earn  
1,000 points.

**1 minute of  
learning = 1 point**

## Crush the Challenge & Give Back!

Visit the library to collect your  
summer prizes for every point  
badge you earn!

**Your learning  
contributes to our  
community goal of  
11 million points!**

When we reach our  
community goal, PLS will  
donate books provided by  
the Pioneer Library System  
Foundation to children  
enrolled in WIC programs  
across our service area.

**Learn with us all summer to  
prevent learning loss!**
