Dear Parents/Guardians and Students,

Legislative action included in Texas House Bill 3 requires every Texas school district to measure students' progress towards college and career readiness. Krum ISD administers the Texas Success Initiative Assessment 2 (TSIA2) to determine this readiness. TSIA2 results help assess if students are on track to be college and/or career ready by graduation. Passing scores allow a student to enroll in college and be exempted from developmental college courses.

On November 16 and 18, 2021, juniors/seniors who have not previously met scores of college and career readiness may be administered the TSIA2 on campus during one of these school days. This online test is composed of Mathematics and English Language Arts multiple choice questions and one essay.

Before the Day of Testing

The State of Texas requires all students taking the TSIA to participate in a Pre-Assessment Activity (PAA). Before the TSIA2 testing date, all students will complete a PAA overview where they will learn about the importance of the TSIA2 and practice questions to help prepare for the test. To access the PAA, visit https://tsipreview.com/welcome/krum_hs
Please complete this as soon as possible.

Practice for Test

For more information about the TSIA2 and practice questions, please visit:

<https://accuplacer.collegeboard.org/students/prepare-for-accuplacer/tsia-texas-success-initiative-assessment>

You can take a FREE practice test at:

<https://practice.accuplacer.org/login>

Test Day

Students will take the test one of the testing days. This information will be posted the day before the test. Students do not need to bring anything with them to their assigned testing rooms except for a charged Chromebook and their charger.

Sincerely,

Lorie Sprague
Testing Coordinator
