

## Franklin Elementary School

---

June 2023

Dear Parents and Guardians,

To celebrate doing an amazing job with the Fun Run, Franklin PTO is going to host a movie day at school during school hours. There will be popcorn and juice boxes provided by the PTO that are being supplied through the North Andover Public Schools Nutrition Department. I am including a link below with the nutritional information of the popcorn and juice boxes.

If you do not want your child to have the snack please fill out this google form [No Snack](#). If your child does not like the snack please feel free to send an alternative with them to school.

There will be a dairy/gluten free alternative for the students that I know follow a dairy free or gluten free diet. If you have not communicated any dietary restrictions please reach out prior to the end of this week.
