

Mr. Ebbert attended a training at the IU on CDT use and testing this past Monday. The Middle School will be using the CDT data to drive instruction based on student needs especially in the Math and Reading strategies courses.

This past Wednesday was school picture day at the Middle School.

Ms. Elias, Mrs. Kenny and Mr. Ebbert continue to facilitate trainings on Handle With Care for the Middle School Staff. It includes trauma and the brain. The staff have been very reflective on this training and are displaying positive attitudes towards Handle With Care through the Safe2Say system.

The MS SAP team will be attending tonight's football game to help provide Mental Health Awareness and to promote our Student Assistance Program team.

Mr. Knappenberger and the 6th white team STEAM class are working on designing a prototype of an Ankle Foot Orthosis for students with Cerebral Palsy.
