Lady Dragons Head Basketball Coach Robyn McCoart Honored with State Award

Southlake, TX - The Texas Association of Basketball Coaches has chosen Southlake Carroll Lady Dragons Basketball coach Robyn McCoart as the Dean Weese Outstanding 6A Girls Basketball Coach for 2023.

McCoart is in her fifth year as the head varsity girls basketball coach at Carroll Senior High School and also teaches Leadership and PALS at CSHS.

"I feel truly honored to receive such an award," said McCoart. "Our Lady Dragon Basketball program staff and athletes aim to have an 'uncommon' attitude and effort in all that we do in the classroom, on the court and in our daily walk. This award goes to our entire program for reflecting those ideals each day. It has been a privilege and a blessing to serve in this capacity the past five years."

McCoart credits her team's success to the team culture that has been cultivated in her time with the district.

"I love winning games," said McCoart, "but unless you have a thriving team culture, long term success on the court is unlikely. As a coach or a team leader, you will not be able to transfer values or expectations to your team that you do not possess and prioritize in your own life. When you can align passion and motivation from your entire program, an environment is created where its members are 100% committed. The result will be a resiliency and an indescribable energy and drive for success on the court and in life!"

McCoart said her goal is to lead with a growth mindset in order to see the potential in everyone and always make coaches, players, and student managers feel like a valued and integral part of the team's success.

"If I can provide all members with opportunities to stretch themselves as individuals on and off the court in an effort to learn and develop new skills, it will empower and excite everyone on the team," said McCoart.

"Coach McCoart has been a wonderful leader on our campus these past five years," said Dr. Lane Ledbetter. "We value not only what she brings to our Lady Dragons basketball program, but to the classroom, and to our community. She is a true treasure and so deserving of this award."

When she isn't coaching, McCoart enjoys spending time with her husband and four boys.
