ACADEMIC HONESTY CODE
Is this in alignment with BVSD

Policy: All Fairview students are expected to respond to academic challenges with the highest degree of integrity and honesty, which means fulfilling assignments and/or exams in the manner in which they are intended and not participating in any behavior that gains an unfair advantage for any student.

Common forms of cheating include and are not limited to:

Plagiarism:
- Incorporating the information, ideas, words, graphics or artwork of another source. (classmate, published author, or internet) into your own work without giving the originator the credit.
- Using a paper or project you created previously to substitute for a current assignment without asking permission (self-plagiarism).
- Telling your ideas for a paper to another individual and having them write your paper for you in their own words.
- Inventing of information; misquoting or quoting out of context.

Test Taking and Homework:
- Copying from another’s test or quiz.
- Using any methods of gaining answers prior to or during a test, quiz, or other assignment.
- Having someone else take an exam.
- Working with others on an assignment that was meant to be done individually.
- Copying from a lab group other than your own.

Collusion:
- Letting another student look on your test or quiz.
- Reporting to another student, in any manner, what is on a test or quiz.
- Helping someone plagiarize.
- Allowing someone to copy work that was meant to be done individually.
- Discussing an assignment with students who have not yet been assessed on the material.
- Sending a paper or program to a friend so that they can read the main ideas that you used.

Procedures:

Beginning of the year
- During the first week of school, all students will be required to sign the Fairview High School Academic Honesty Code.
- One administrator will be in charge of academic honesty. The administrator will file the signed Academic Honesty Codes in the students’ discipline files.

Reporting
- Students report to any teacher.
- Teachers report directly to the administrator in charge of academic honesty, as well as to the counselor and the IB/AP administrator. All incidents of dishonesty MUST be reported. The administrator will also report to the parents in a timely fashion.

Consequences
- The first time a student is caught cheating at FHS results in a zero for the entire assignment. For papers, this includes drafts, note cards, etc. associated with this assignment. An alternative assignment may be given at teacher discretion. The administrator, with teacher input, will complete the Violation of Academic Honesty Form and place it in the student’s disciplinary file. Colleges and universities may be notified. If several infractions of academic malpractice are discovered at the same time, the situation will fall under the category of a second offense.
- The second time a student is caught cheating at FHS results in a zero for the assignment and the student will not be allowed to make up the points in any way. There will also be a 1-2 day in-school suspension. In addition, if the student is an IB Diploma Candidate, a
second offense may result in removal from the IB Diploma Program. Colleges and universities may be notified. If several infractions of academic malpractice are discovered at the same time, the situation will fall under the category of a third offense.

- The third time a student is caught cheating at FHS results in a zero for the assignment and the student will not be allowed to make up the points in any way. There will also be a 3-5 day in-school or out-of-school suspension and colleges and universities will be notified. In addition, if the student is an IB Diploma Candidate, a third offense will result in removal from the IB Diploma Program.
- At the discretion of the teacher, a student who cheats may not receive a recommendation for placement in advanced classes.
- Consequences are cumulative throughout the student’s academic career at FHS.

Implementation:
- The Fairview High School Honor Pledge and definitions of cheating will be posted on the FHS website and printed in the school planners. The pledge itself will be posted in all classrooms, in the counseling department, in every teacher’s office, in the student achievement center, in the library, in the computer labs, and in the IB/AP office.
- Teachers may require students to write the Fairview High School Honor Pledge on an assignment and sign it.

The Fairview High School Honor Pledge: On my honor, I have neither given nor received unauthorized assistance as described in the Academic Honesty Code on this work and I have fully acknowledged the work and ideas of others.

ACTIVITIES & ATHLETICS

Students who become involved in school activities usually do well in their academic endeavors and in their overall high school program. We encourage all students to select at least one activity from the many diverse opportunities.

Clubs: There are numerous clubs at Fairview. Information is posted on Infinite Campus and on the Fairview website.

Dances: There are dances scheduled throughout the school year. Although these dances are designed for the enjoyment of Fairview students, guests are welcome as long as they are at least of high school age and under the age of 20. The Fairview student is responsible for returning a guest request form to the administrators’ office with completed information and signatures. All students and their guests must bring their Fairview ID card or another picture ID. Once a student leaves a dance for any reason, he/she may not return. At all dances the doors close one hour prior to the scheduled ending time. Refunds will not be given.

Athletics: Fairview High School is a member of the Front Range League and offers an outstanding athletic program. Information can be obtained through the Athletic Director’s Office. Please visit the Fairview website for more athletic information. [https://fah.bvsd.org/athletics](https://fah.bvsd.org/athletics)

CHSAA Sportsmanship Rules:

CHSAA positive conduct rule: “All actions are to be for, not against; positive not negative!” The Colorado High School Activities Association (CHSAA) has developed these rules for all high school athletic events. The expectation of our Fairview Students is that we will not only comply, but set the bar higher than any other school. We are known for having highly competitive teams, and the support of these teams is what makes us hard to beat. Please become familiar with these rules, as they will be enforced by the Fairview High School administration. Any violation of a CHSAA sportsmanship rule will result in disciplinary action, up to and including banning from athletic events, suspension and expulsion.

Sportsmanship Standards:
Be courteous and hospitable to all coaches, athletes and guests.
Cheer with full enthusiasm for our team, but NOT against the other team.
Display appreciation for a good performance regardless of the team.
Accept, respect and abide by all officials’ decisions concerning the contest or the safety of the area.
Exercise self-control and reflect positively upon yourself, team and school.
Let the teams decide the outcome. Win with dignity; lose with character.

**Unsportsmanlike Consequences:** Failure to comply with these standards may result in removal from the game and could result in further disciplinary action.

**Fairview High School Attendance Policy**

Daily attendance is paramount for the academic success of students at Fairview High School. Research indicates that students who have a 95% attendance rate and pass all their classes, graduate on time and attend more consecutive semesters in college. Your student’s attendance rate can be found on Infinite Campus.

Fairview High School’s Attendance Policy is guided by the following BVSD Policies:

- JH-Student Absences and Excuses (English) (Spanish)
- JH-R Student Absences (English) (Spanish)

---

**General Absence Information**

- Attendance line 720.561.5352 or email: Mindy.Faville@bvsd.org
- Fax 720.561.3111
- Only parents or guardians may excuse an absence.
- We cannot interrupt class to pull a student for an appointment.
- Always notify the attendance line when your student is absent or tardy even if it will not be excused.
- In order to participate in extracurricular events or practices, the student must attend a minimum of 50% of classes or greater on the day of the event.

---

**Excusing Absences**

**Excusing full days:**
- Contact us on the day of the absence or before 10:00AM of the next school day.
- Your student may be excused up to ten times without documentation. This total includes unexcused absences too.
- The appropriate documentation from a doctor or a court or government appointment can be faxed, emailed or hand carried to the attendance office.
- If an absence is not excused within 48 hours, it will remain unexcused.

**Excusing single period absences (anything less than a FULL day):**
- Only a doctor’s note, dentist note, DMV, court appearance, etc. can generally excuse single period absences
  - Exceptions: Inclement weather or other isolated exceptions at the discretion of the Assistant Principal.
  - Notes to be used as documentation cannot be written by the student's own parents.
  - This includes the first and last periods of the day.

---

**Student Becomes Ill at School and Needs to Go Home**

- Students **must visit the health room** to check out of school. Only the health room staff will be able mark the student’s attendance.
- When your student wakes up sick in the morning but decides to come to school later that day because the illness has passed: The student must check in at the attendance window and the parent must contact the
Pre-arranged Absences

Pre-arranged absences are for planned, future events. These are events that take your student out of school for partial or full days and include such things as college trips, special family activities, non-school athletics, weddings, funerals, or recitals.

- Have your student come to the attendance desk or find on-line a Prearranged Absence Form before the event.
- Form is signed by the student, a parent, all his/her teachers and later, by the Assistant Principal.
- We prefer that you turn in the form two (2) days prior to the absence.

Unexcused Absences

- Unexcused absences are part of a student's record.
- Single period absences are unexcused unless documented i.e. court appearance, medical reasons, or with advance approval by a building administrator.
- Repeated unexcused absences will trigger school interventions and may lead to disciplinary action.

Incorrectly marked absences by the teacher or substitute (Attendance Correction Form):

- It is the student’s responsibility to get an Attendance Correction Form from the attendance office.
- The teacher will indicate the correct entry and sign it.
- The student then takes the Attendance Correction Form back to the attendance office.
- Note, if your student is tardy more than 5 minutes, it is considered an absence but we always need students to attend class even when late so they do not miss important material.
- When a substitute incorrectly marks an absence or tardy, that student must plead a case to the classroom teacher.

Parent Notifications

- Parents are notified via auto dialer if a student is unexcused from a class.
- An official letter will be sent for six (6) absences (excused &/or unexcused) in any one class.
- After ten (10) absences from a single period:
  - An official letter will be sent to parents
  - All future absences will be unexcused unless we receive documentation from a doctor, a court, governmental agency, or a pre-arranged absence.
  - Attendance contracts may be created for students who miss a disproportionate number of days whether excused or not. Reminder - the goal is always 95% attendance or better.

Make-up Work for Absences

- Students with excused absences must make arrangements with their teachers upon their return to make-up work within two days of the last absence with a time limit of completion not to exceed two weeks.
- No student can miss a class in order to make up work for another class.
- Credit for Unexcused Absences. The teacher may deny on an individual basis the acceptance of class work and/or assessments missed due to unexcused absences. Students are responsible for course content missed during any absence.
Consequences

If a student's educational progress becomes affected because of absence, a school administrator shall notify and attempt to meet with the parent or guardian to plan for remediation. Other appropriate consequences may be applied when there are repeated unexcused absences.

Attendance Policy Violation Consequences:
- Excused absences appear in green or gray on Infinite Campus with the designations EXC, DOC, ILL, ADM, or COU. Unexcused items appear in red and pending items in yellow.
- Students with unexcused absences may receive detention.
- Subsequent unexcused absences will result in continued assigned detention and possibly Saturday School.

Detention & Saturday School:
- Your student will be notified of the specific dates they are to attend. It is their responsibility to remember the date(s) of the detention.
- Notification and communication will be sent to parents and the student via the email addresses on Infinite Campus.
- Students cannot be excused from detention or Saturday school for athletics, any extra-curricular activity, or by parents for any reason. (Rescheduling is possible. Contact attendance)

Truant and Habitually Truant
- Truancy procedures may be initiated for students under the age of 17 whose attendance is deemed by the administration to be excessive and interfering with the student’s education.
- The student and their guardian will receive a letter stating that further absences will not be excused unless documentation is provided by a doctor.
- If further absences are accrued after the letter, students and families will meet with the Dean or assistant principal to create an attendance plan at the school level.
- If the school level attendance plan is not working, students and families will be referred to the School District Attendance Advocate.

Detention & Saturday School:
- Your child will be notified for the specific dates they are to attend. It is their responsibility to remember but we will send a notification email to parents when they have Saturday school.
- Students cannot be excused from detention or Saturday school for athletics, any extra-curricular activity, or by parents for any reason. Rescheduling is a possibility, please contact the attendance office for information.

Detention: 3:50-4:50PM in room TBD on either Tuesdays or Thursdays
- If a student does not attend a detention, he or she must make up that detention and will be assigned to an additional Saturday School.

Saturday School: 8AM-12PM in room TBD. Students may not arrive late.
- Students who do not attend an assigned Saturday school may be suspended.

Truancy Procedures:
Truancy procedures will be initiated for students under the age of 17 whose attendance is deemed by the administration to be excessive and interfering with the student’s education. Specifically, the student and their parent/guardian will receive a letter stating that further absences will not be excused unless documentation is provided by a doctor. If further absences are accrued after the letter, the student will be referred to truancy court.
• This process will also be followed for students 17 and older, with the exception that after notification of excessive absences, the student will be placed on an attendance contract. If the contract is violated, the student may be withdrawn from the class or may be withdrawn from Fairview.
• As required by Colorado State Law and BVSD Policy, students are expected to be in attendance every day that school is in session.
• For further information in the District’s Attendance Policies, please refer to Policy JED in the Student Rights and Responsibilities Guide, and State Law (C.R.S. 22-33-104) which requires attendance at school for all students until the age of seventeen.

**COLLEGE/CAREER CENTER SERVICES**

**CCC Hours: 8:00 – 3:30, Monday – Friday**
Coordinator: Carol Diebel  carol.diebel@bvsd.org  720-561-5860

The College/Career Center is a multi-purpose meeting/presentation room and computer lab, located next to the Counseling Office. It is a resource where all students can research information about college and career planning, find out about activities they can be pursuing in high school, or listen to a variety of presentations from counselors and college/career representatives.

Over the course of the school year, over 200 colleges representatives come to the College/Career Center to give presentations to our students. Other representatives come from organizations that offer summer programs, “gap year” experiences, military recruitment, and volunteer opportunities. To learn more about these visits see the “College Rep Visits Calendar” tab on the Fairview website.

The College/Career Center is the site of ICAP presentations and assignments that are given to students throughout their years at Fairview. Students come to the Center with their teachers and classmates to hear our counselors present a series of lectures and assignments that give students the tools to find out more about their interests, personalities, higher education choices and possible career pathways. The ICAP program is a mandate from the Colorado Department of Education for all students, and the series of lessons for Fairview students has been designed by our counselors and teachers.

The College/Career Center offers individual assistance to students and families in all aspects of their self-discovery and college/career search including:
- Using and understanding the Naviance/Family Connection software system
- Learning more about the ICAP program
- Interest surveys
- Personality surveys
● Career clusters and pathways
● Volunteer and job opportunities
● Clubs and service organizations
● Academic competitions
● Study abroad and gap year programs
● Research on college majors and technical education
● Information about 3700 2-year and 4-year colleges

COUNSELING SERVICES

Licensed School Counselors, mental health professionals, the registrar, and office support personnel comprise the FHS Counseling Staff. DRESS CODE

Fairview High School strives to create a positive academic environment. Students are expected to dress in a manner that respects the sensitivities of others and does not create a distraction to the educational environment. Therefore, the following is not allowed at Fairview High School.

- Clothing that causes, or is likely to cause, a disruption to the educational process, the classroom environment, or to the maintenance of a safe and orderly school.
- Clothing that displays reference to drugs, alcohol or other controlled substances, illegal activity, offensive words, excessive violence, slogans or designs, gang affiliation, inappropriate or suggestive messages, sexual innuendo, or weapons.
- Clothing/accessories that interferes with or endangers the student while he or she is participating in classroom activities.
- Shoes or sandals must be worn at all times in compliance with state health regulations.
- Chains, spikes, handcuffs and other metal adornments that could potentially pose a threat as per local, state and federal regulations.

If a student violates the dress code, they will be referred to an administrator and asked to change clothes or cover the clothing that violates the policy. More severe disciplinary consequences may result from repeated or serious violations.

DRUGS, ALCOHOL, AND OTHER ILLEGAL SUBSTANCES POLICY

Our primary concern at Fairview High School is to ensure the health and safety of all our students and to help those students who become involved in drug and alcohol abuse to make more positive choices with their lives. Any students who are involved, or know of people who are involved, or are concerned about substance abuse, are encouraged to seek help through our counseling department, the School Resource Officer, the school nurse, other Fairview staff members, or call Safe2Tell at 877-542-7233.

- Drug and/or alcohol use or possession is illegal and, therefore, prohibited at Fairview High School.
- All incidents concerning the suspected use, possession, transportation or distribution of drugs, drug-containing paraphernalia, and/or alcohol shall be reported to an administrator.
- Any student who appears to be under the influence of drugs or alcohol will be taken to administration for further investigation.
- Parents or guardians will be notified of all incidents and what action has been taken by the school.
- Student lockers, cars and personal effects will be searched by a school official when reasonable suspicion exists.
- The use of illegal drugs and/or alcohol on school property or during school sponsored activities shall be reported to local law enforcement officials and shall be considered the basis for suspension and/or the recommendation for expulsion.
- All alcohol, and illegal drug use will be reported to the athletic director.

GRADE REPORTING

Grades will be posted at the end of each six-week grading period. Only semester grades are included on the student’s permanent record/transcript. Semester grades are used to determine grade point averages. A student’s weighted GPA will be reported on transcripts. In addition, grades can be accessed on Infinite Campus at any time, and the portal transcript can be seen in the reports tab. We encourage students and parents to discuss academic progress with teachers or a counselor whenever the need arises.
HEALTH ROOM CLINIC

The Health Room is located midway down the ramps opposite the Seniors’ Lounge and is open from 8:30AM – 3:30PM. In case of illness or injury during the school day, students should report to the Health Room office for treatment. Health Room staff will make note of the student’s name, time of visit, and outcome of the visit. This information will serve to verify/document an absence from class if necessary. Students may also contact a parent/guardian by phone from the Health Room office regarding their visit, as it might be necessary to arrange to be picked up and taken home. In addition to the Health Room, an Emergency Response Team is available to help when emergencies arise. The Health Room can be reached at: 720-561-3336

Parents are responsible for updating emergency contact information as needed.

Medications in School:
- NO medication, prescription or non-prescription, may be carried by the student to take on his/her own, i.e., in backpack or pocket, unless special arrangements have been made with the school nurse consultant, family and medical provider.
- For all prescription medication, a student's parent or guardian must make a written request for school personnel to administer the medication by providing a completed Medication Authorization Form, which is signed by both parent and physician. The student must report to the health room or school office to take medications.
- Exception: Any student who requires the use of an emergency medication, such as an EpiPen, inhaler, or insulin, may carry and self-administer the prescribed medication with approval of their medical provider and school nurse consultant.
- Any medication administered at school must be supplied by a parent, in the original pharmacy or over-the-counter bottle.
- Parents must pick up unused medication at the end of the school year or it will be disposed of by school staff.

STUDENT IDENTIFICATION BADGES

All Fairview students are issued an identification badge. Students must have their Fairview student ID badge to scan in for admission at the entrance doors of the school building, and to board school buses. They must have their ID with them every day at school, and at all school activities. Pictures are taken during registration/schedule pick-up. Replacement ID cards are printed in the counseling center, the replacement cost $10. Activity passes may be purchased for IDs which will allow student access into all Fairview-sponsored activities.

INTERNET POLICY

Internet access is available to students and staff in BVSD. The goal of the District in providing internet access to students, staff and faculty is to promote educational excellence in the Boulder Valley Schools by facilitating resource sharing, innovation, collaboration, and communication.

The smooth operation of the BVSD Net relies upon the proper conduct of the users who must adhere to strict guidelines. These guidelines are specified in the full text of the “Student Use of the Internet and Electronic Communications” in the BVSD Student Rights & Responsibilities Guide and Board Policy JS, which is available on the BVSD website. Please remember that the use of the BVSD Net is a privilege, not a right. If a student is suspected to be in violation of the proper use agreement, system administrators are authorized to access the user’s account including files and electronic mail.

When using your BVSD internet account, you must abide by the following guidelines:
- As users of this community system, students will notify a teacher or system administrator of any violations of this contract taking place by other BVSD users or outside parties.
- You may not give your password to anyone or let anyone use your account.
- You may not harass, annoy, or threaten any other users. This includes sending unwanted email messages, or participating in an act that would be considered virtual vandalism.
- You may not use or play any games or participate in any blogging or chats via the network, unless it is a part of a classroom assignment or project.
- You may not use or alter anyone’s internet account or data.
- You may not break in or attempt to break in to other computer systems.
- You may not monopolize the resources of BVSD Net by doing acts such as running large jobs during the day, sending massive amounts of email to BVSD users, or using resources for games.
- You are not permitted to get from, or put onto, the network any copyrighted material.
- No illegal activities may be conducted via the network.

**LOCKERS**

Students who request, and are assigned, lockers may choose their locker partner, when possible.

All students are required to adhere to the following policy or they risk removal of all parties using the locker for the remainder of the school year.

- **Only school-issued locks are to be used on school lockers.** Locks are issued at no charge, but if not returned or lost, students will be charged $10.

Students should not bring valuables to school and leave them in their locker. Valuables have no
place in the school and should never be considered totally secure in any school locker, including PE
lockers. The school is not responsible for items that are lost or stolen.

- Lockers are school property and are subject to searches by school authorities.
- Locker assignments are for the full school year. Students will stay in the same locker, with the same
  locker partner, for the full year.
- You are responsible for all items in your locker. DO NOT share your locker combo with anyone other
  than your assigned locker partner.
- Do not write in, or on, lockers at any time. This is considered vandalism and students will be held
  financially responsible. Please report any locker vandalism to Security.
- Do not leave food in lockers overnight.
- Any locks placed on lockers that are not school issued will be cut and all students will be removed
  from the locker and all locker privileges revoked for the remainder of the school year.
- Report any locker problems immediately to the Campus Safety Officer.

**PARKING**

**Student Parking:** Parking on campus is a privilege, not a right. Any student who is eligible, may drive to
school and park on city streets, while complying with City of Boulder parking and speed ordinances. Fairview
High School is not liable for any damage that occurs on or off school property if a student chooses to drive to
school.

Students are not allowed to park in spaces designated for visitors or staff. *Students must not park in, nor drive
through, the parking lots of the neighboring condominium complexes or churches adjacent to the school.
Please be respectful of the residents and their properties.*

Seniors may purchase a year-long permit for $50. The permits are available in limited numbers and are
available to purchase in August for the following school year. Vehicles in the senior parking lot must display
the senior parking permit. Visitors may not park in the senior lot; it is for senior permit holders only.

**SAFE SCHOOL ENVIRONMENT**

Fairview recognizes its obligation to provide a positive intellectual, emotional, and physical environment. In
turn, students are expected to accept responsibility for their behavior, and to ensure that their behavior is
consistent with the standards of good citizenship. We are very proud of the young adults who attend Fairview
High School. However, on occasion, problems arise that require the attention of school authorities. Important
information, concerning specific disciplinary policies and procedures, is presented below. Discipline policies
and procedures have been established to enable the school to provide an orderly and safe environment conducive
to the serious pursuit of academic interests. Disobedience and/or misconduct occurring when
under the supervision of the school, during school-sponsored activities, while riding the school bus, including
activities off school grounds that cause a disruption at school, will be cause for disciplinary action.

Students are expected to pursue their educational programs and behave in such a way that their presence
does not detract from education. A safe and orderly school is critical to student success and achievement.
Each student should obtain a copy of the BVSD Students’ and Parents’ Rights and Responsibilities,
https://www.bvsd.org/parents-students/student-rights-and-responsibilities

The following is a general guideline of the information contained in the booklet:

**Student Conduct Information:**
To ensure a safe learning environment at Fairview, students shall comply with all policies and regulations

6. Arson. Setting fires, pulling false fire alarms, possessing or lighting fireworks or other incendiary items may result in suspension or expulsion. Students are not allowed to have matches, lighters or any other incendiary devices in their possession on school grounds or at school functions.
7. Behavior detrimental to the welfare and safety of others. No student will engage or encourage activity that is detrimental to the welfare and safety of students, teachers, or school personnel on or off school property, at any school activities or when being transported in vehicles approved by the District.

14. Harassment. Forms of intimidation include any activity that would subject the individual to embarrassment, humiliation, or violence, whether or not the victim is willing. Please see “Non-Discrimination Policy”.
15. Bullying. No student shall engage in bullying behavior. Bullying is defined as any written or verbal expression, or physical act or gesture, or pattern thereof, that is intended to cause distress upon one or more students.

**Portable Electronic Device Policy:**
Portable electronic devices include cell phones, iPods, iPads, PDAs, MP3s, wireless email devices, laptops, tablets, smart watches, etc. Connective technology (portable electronic devices) can be incredibly powerful tools with the potential to be both an aid to learning, and a distraction from learning. The effect of these tools can be much broader, both positive and negative, than just to the person holding the device. While acknowledging the potential benefits of these devices, it is also necessary to mitigate their negative potential in the learning environment. The utility of these devices can vary from subject to subject and from activity to activity within a classroom. Students may use such devices in the classroom ONLY with the explicit permission and guidance of the teacher. If a student is in doubt as to whether using the device is appropriate, they are welcome to ask the teacher prior to using the device. Teachers have the discretion to take a device from a student at any time, if, in their judgment, the device is not being used in an appropriate manner or is being disruptive to the learning environment for the student using it or for other students. The teacher will then turn the device into administration. The first time this occurs, the device will be returned to the student at the end of the school day. On the second violation the item will be taken and will only be returned to the student's parent during school hours. Under no circumstances will the item be returned directly to the student. On the third violation the item will be taken and turned over to an administrator and the student's parent will need to set up a meeting with an administrator, and the student, to discuss what consequences will take place in the future. On the 4th violation the student will be considered in willful disobedience and will be suspended from school.

**Non-Discrimination Policy:**
Fairview is committed to providing a safe learning environment where all members of the school community are treated with dignity and respect. In compliance with all federal and state laws, constitutional provisions and BVSD Board Policy, Fairview High School does not tolerate discrimination and harassment on the basis of disability, race, creed, color, sex, sexual orientation, gender identity/expression, national origin, religion, ancestry, need for special education services, or physical characteristics. For the purpose of this policy, harassment is any unwelcome, hostile and offensive verbal, written or physical conduct based on or directed at a person’s disability, race, creed, color, sex, sexual orientation, gender identity/expression, national origin, religion, ancestry, need for special education services, or physical characteristics that:
1. Results in physical, emotional or mental harm, or damage to property.
2. Is sufficiently severe, persistent, or pervasive that it interferes with an individual's ability to participate in, or benefit from, an educational program or activity or creates an intimidating, hostile or threatening environment.
3. Substantially disrupts the orderly operation of the school.

Harassing conduct may take many forms, including but not limited to:
1. Verbal acts, name-calling or teasing.
2. Graphic depictions or written statements, which may include use of cell phones or the Internet.
3. Other conduct that may be physically threatening, harmful or humiliating.

**Sexual harassment:**
Unwelcome sexual advances, requests for sexual favors, or other verbal, non-verbal or physical conduct of a sexual nature may constitute sexual harassment, even if the harasser and the student being harassed are the same sex. Acts of verbal or physical aggression, intimidation or hostility based on sex, but not involving conduct of a sexual nature may also constitute sexual harassment. Sexual harassment as defined above may include, but is not limited to: sex-oriented verbal “kidding,” abuse or harassment, pressure for sexual activity, repeated remarks to a person with sexual implications, unwelcome touching, such as patting, pinching or constant brushing against the body of another, suggesting or demanding sexual involvement, accompanied by implied or explicit threats concerning one's grades or similar personal concerns, or sexual violence.
Reporting unlawful discrimination and harassment:
Any student, who believes he or she has been a victim of unlawful discrimination or harassment, or who has witnessed such unlawful discrimination or harassment, is encouraged to immediately report it to an administrator, counselor, or teacher.

Title IX:
Title IX is defined as, “No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under and education program or activity.” Fairview is committed to maintaining educational programs and activities that are free from discrimination and harassment. Students and staff can report Title IX violations to Fairview’s Title IX representative, who will then report the complaint to the BVSD Title IX Coordinator. All Title IX complaints will be investigated accordingly. A resolution will be determined and supportive measures will be put in place for all parties involved.

Hazing Policy:
Fairview HS believes all individuals should be treated with respect and dignity. Students should be able to participate in school-sponsored clubs and sports programs in an environment free from any behavior that is intimidating, hostile, offensive or dangerous. Fairview will have zero tolerance with incidents of hazing to ensure such conduct is prohibited. The policy enacted by the school is in accordance with sections of the Colorado State Code 18-9-124.

“Hazing” means any activity by which a person recklessly endangers the health or safety of, or causes a risk of bodily injury to, an individual for purposes of initiation or admission into, or affiliation with, any student organization.
Hazing includes, but is not limited to:
- Forced and prolonged physical activity.
- Forced consumption of any food, beverage, medication or controlled substance, whether or not prescribed, in excess of the usual amounts for human consumption or forced consumption of any substance not generally intended for human consumption.
- Prolonged deprivation of sleep, food or drink.

Mandatory Expulsion Information:
Assault/Robbery-First or Second Degree: Commission of any act which, if committed by an adult, would be considered robbery or assault in the first or second degree.
Dangerous weapons: Expulsion is mandatory for incidents involving the carrying, bringing, using or possessing of a dangerous weapon without the authorization of the school or school district. A dangerous weapon is defined as:
- A firearm, whether loaded or unloaded, or a firearm facsimile that could be reasonably mistaken for an actual firearm.
- Any pellet or BB gun or other device, whether operational or not, designed to propel projectiles by spring action or compressed air.
- A fixed blade knife with a blade longer than three inches in length, or a spring-loaded knife, or a pocket knife with a blade longer than three and one-half inches.
- Any object, device, instrument, material or substance, whether animate or inanimate, used or intended to be used, to inflict death or serious bodily injury.
Drugs: Expulsion is mandatory for the sale or distribution of drugs or controlled substances.
SAFE TO TELL 1-877-542-SAFE (7233): Safe2Tell is used to make anonymous reports about something that concerns or threatens students, students' friends, students' families or the community. Reports are taken any time, any day. Fairview students are encouraged to use the hotline if they have any information they feel they need to report. Reports can be made by calling the hotline, through the website or by using the mobile application.

SAFETY DRILLS

Fire Drills: Procedures are posted in each classroom in a designated safety folder. Students are to exit the building in a quiet, orderly manner. Upon leaving the building students are to remain with their class and proceed to their assigned evacuation areas. Students should return to the building in the same manner and route in which they left. Pulling a fire alarm is a serious offense and will result in a suspension from school and legal action. These drills will be conducted on a monthly basis.

Lockdown Drills: Lockdown procedures are used for actual or perceived threats from inside the building. Classroom doors will be locked, lights will be turned off and students and staff will be hiding out of sight in the classroom. Notice will be sent out to parents and students prior to these drills being conducted. These drills will be conducted one time each semester.

Secure Drills: Secure procedures are used when there is an actual or perceived threat outside of the school building. In a secure situation, all exterior doors of the building are locked and no one is allowed to enter or exit the building until it is determined to be safe outside.

Business as usual will be conducted inside the building during a secure situation. These drills will be conducted one time each semester.

VISITOR and VOLUNTEER INFORMATION

Visitors: Students are not allowed to have visitors at any time during the school day. This includes “student shadowing” experiences or students from another school coming to Fairview to see them.

Parents or visitors should make an appointment, by email or phone, in advance if they want to meet with a teacher, counselor or administrator. Between the hours of 7:45am-4:00pm, visitors should approach the front of the building, press the call button, and then state their reason for visiting. A Campus Safety Official will then admit the visitor to the main office. Visitors will be escorted to a department or classroom where they have their scheduled meeting.

If Parents and visitors may only park in the designated visitor spots located as you enter the horseshoe-shaped parking area in front of the school building. If no visitor parking space is available, they must park on the street. Visitors may not park in staff parking or the senior student parking lot. The senior student parking lot is for paid senior student parking permit holders only. Parking violations are subject to a fine.

Volunteers: Regular volunteers and those who assist a department or staff member more than once or twice, must be registered as a BVSD volunteer. Information about becoming a regular volunteer can be found on the BVSD.org Volunteer webpage or by contacting the Fairview Volunteer Coordinator at 720-561-3106.

Volunteers are registered through the Raptor System; we are no longer using TCLogi. Once the volunteer confirmation email is received, the volunteer will need to sign in and out in the log at the front office, each time they regularly volunteer in the building. Volunteers should enter the front of the school, press the call button and state their reason for being in the building. Once admitted into the building, volunteers will need to present a valid ID and be given a Raptor System badge that they must wear while in the building. Volunteers may park in visitor spots, or on the street during their volunteer time in the school.
