

Dear Pre-K 4 Families,

Hello from the Pre-K 4 Teachers! We welcome you to the Pre-K 4 program at Detroit Country Day School. We're delighted you are going to join us for a wonderful year of learning, sharing, fun and friendship!

We hope that you are having a terrific summer! Before you know it, it will be time for school to start. We have some special summer homework for you. The Pre-K 4 teachers selected a wonderful book especially for you. This book is about learning to share and being good friends, just like you will do at school! It is called It's Mine by Leo Lionni. We hope you will love the story as much as we do.

You will see that Milton, Rupert and Lydia learn to share in the story, with the help of a "rock." [Parents, please have your soon to be Pre-K 4 child find a rock that fits in your child's palm for a special art project.](#) Your child can bring this rock to school on the first day. We look forward to meeting you and your child.

Enjoy the rest of the summer! We'll see you soon!

Love,

The Pre-K 4 Teachers
