(d)	Educational resources available to students, staff, and the community	[14] 1.94%	[55] 7.63%	[272] 37.73%	[277] 38.42%	[103] 14.29%	721
(e)	Health and fitness	[23] 3.19%	[74] 10.28%	[291] 40.42%	[250] 34.72%	[82] 11.39%	720
(f)	Diversity and inclusion	[17] 2.37%	[48] 6.69%	[269] 37.47%	[248] 34.54%	[136] 18.94%	718
(g)	Environmental sustainability	[23] 3.20%	[81] 11.27%	[432] 60.08%	[135] 18.78%	[48] 6.68%	719

Q6. In a few words, what do you think is the greatest opportunity facing our middle school students today?
Bullying
Not sure
there are few opportunities for children today
safety, inclusion, and space.
Too much time on devices and screens.
Loss of development in covid and the after effects
Digital assets
changing our relationship with the planet

None
Open minded and creative students
Opportunity to learn
Develop strong strong global citizens
Providing opportunities for kids who want to learn
Ability to connect with others, and use technology
New models of education
Peer pressure, and bullying
Growth into a newer world
AI/ML technology
Their social-emotional needs and time in seats
Student engagement in their role in community
?
The ability to go to a calming room and relax
Diversity
Incorporating technology
Learning how to study and not be hand held
To accelerate advancement in math and science
Diversity of educational opportunities
Bullying
La calidad de enseñanza.
Access to diverse student body
better experience for all students thru Inclusion
The chance to achieve early high school credits.
Utilizing technology to enhance education
Opportunities to be involved in community
Social media
Diversity complementing growth is important.
Not enough space, classes are too large
Save the planet and recreate how we live
Elective choices.
