

DARE COUNTY BOARD OF EDUCATION
School Transfer Request Form
Out of County Request - Policy #4130

Request for the 20 ____ - 20 ____ school year

Parents should submit this form along with supporting documents to the school that they wish their student to attend. Transfers will generally be approved for one year only for the following six reasons:

Please circle the reason below for your request.

- 1) **CHILD CARE** – The needs of a family to use private or commercial providers will be considered. A parent may apply to have a child attend the school in the zone served by the child care provider. Use of this rationale is considered only in elementary and middle grades.
- 2) **MEDICAL AND PSYCHOLOGICAL NEEDS** – The special health needs of a student will be considered. A current assessment from qualified professional personnel is required and must be attached. Approval in subsequent years requires current assessment each year.
- 3) **CHANGE OF RESIDENCE DURING THE SCHOOL YEAR** – A request to remain in a school after a family’s move into the attendance area of another school within the year will be considered. If approved, such approval would be for the remainder of that school year only.
- 4) **GRADE LEVEL OF STUDENT** – Should residence change or attendance lines be modified, a student who will be in the exit grade of a school, i.e. grade 5, 8, or 12, will be allowed to complete the exit grade in his/her current school as long as parents provide transportation.
- 5) **EMPLOYEE STATUS** – Full-time employees of Dare County Schools *may apply* for a transfer for their children.
- 6) **BUILDING CAPACITY** - Parents may request a transfer for the subsequent school year to a school which is utilizing 85 percent or less of its building capacity (list of schools meeting this criteria may be obtained from Dare County Schools on an annual basis).

Note to Parents/Guardians:

- 1) Transportation **will not** be provided by the school system.
- 2) Permission/placement may be withdrawn if conditions of placement are not maintained (excessive absenteeism or tardiness).
- 3) The school must be notified within 10 working days of any changes in the information provided on this form.
- 4) Please understand this request is for the current school year only. Enrollment and individual classroom sizes will be considered and may cause future student requests to be denied or rescinded regardless of previous attendance or past approval.
- 5) At the elementary level, if a particular grade at a particular school is within five students of requiring an additional teacher, no new transfer students will be accepted.

Out of County Request - Policy #4130 – Students living in another county will need additional documentation as required by the Dare County Board of Education Policy and Administrative Procedures.
