

ST. MARK'S SCHOOL

To St. Mark's Families,

For the 2023-2024 academic year, St. Mark's School and E&R – The Campus Laundry, will partner to provide Laundry & Dry-Cleaning services to all interested students. We are excited to announce new offerings that are available through our exclusive E&R – The Campus Laundry partnership.

E&R has been providing laundry services for over 100 years and over **17 years** at **St. Mark's School**. With our laundry service, you will ensure that your student's linens are cleaned weekly, along with their weekly personal laundry, while providing a safer and healthier lifestyle for your student. E&R's environmentally friendly processing helps the environment by saving **86%** in water, **68%** in gas and **82%** in electricity over the use of washers and dryers on campus. In addition, we use GreenEarth Cleaning exclusively for all dry-cleaning.

E&R has designed these plans to allow your student to make the most of their limited free time on campus by saving them between 80 and 100 hours per school year. They offer several efficient and practical programs. E&R has provided professional laundry service to over 100 preparatory schools, colleges and universities throughout the Northeast and has designed its plans to allow students to make the most of their free time. Please consider one of these plans.

To enroll visit the E&R website trycampuslaundry.com/stmarks and select the plan that best suits your student's needs. The sign-up process is simple and will take just minutes. After signing up you will receive communication about your service directly from E&R. Additional details are provided on E&R's website.

To summarize our programs highlights:

- **Focus on the academic advantages, ease into campus life, and save 80-100 hours.**
- **Take comfort in knowing their laundry is cleaned for a healthy and safer lifestyle.**
- **Maximize FREE time, they've earned it!**
- **Know that their laundry, personal bed, and bath linens are cleaned in a sanitary and environmentally friendly facility.**
- **Relying upon the positive reputation of a company that has been successful in business for 100 years.**

E&R The Campus Laundry has a proven track record of providing reliable and professional, and top-quality service to students. As such, we encourage each of our families to review the enclosed materials, choose a plan, and ensure your student makes the most of their time on campus.

Sincerely,

Rob Kuklewicz, CPA

“We can't say enough great things about E&R Laundry. We've used their wonderful service for our daughter at Dartmouth and received excellent service every single week. As the washers and dryers broke in her dorm a few times she was so grateful that she had this laundry service. We would highly recommend.”

“There are limited facilities in my son's dorm, he plays sports so often and only has 2-3 hours at most on Saturday or Sunday free, and that's when the demand for machines is at its highest. E&R is amazing for my busy son and gives him the time to focus on other things.”
