

BOWLING GREEN CITY SCHOOL DISTRICT ADMISSION AGREEMENT

Students are enrolled in the Bowling Green School District under strict guidelines established by Ohio Law-Ohio Revised Code especially the Missing Children Act. Please understand the necessity of the statutory requirements listed below:

Parent means either parent unless the parents are separated or divorced, in which case *parent* means the parent/guardian with legal custody of the child. Only students who live in the school district with a *parent* as defined above may be registered for admission to the Bowling Green City School District. (See Reference #3 below.)

Students who live outside the district may be admitted, if approved, via the inter-district enrollment. The same procedures will apply.

School administrators will require proof of legal custody prior to admitting any student.
