Parents and Athletes:

Our coaching staff just recently became aware that one of our male athletes has had a positive Covid-19 test. We are obliged to inform you of this information so that you may make informed decisions regarding the well being of your student athlete(s). We encourage you to vigilantly monitor for signs and symptoms of illness, and should such symptoms be present we strongly encourage you to get tested. If such symptoms are present please refrain from attending the strength and conditioning workouts. We also ask that you keep the coaching staff informed of any test that is done and its subsequent results. We continue to work to maintain a sterile environment for our athletes to workout in, and are encouraging good social distancing behaviors amongst our athletes when they are with us for the workouts. Like you, we look forward to the day when this issue is behind us once and for all, but until then we must work and communicate diligently to protect one another.

That all being said, we will be cancelling ALL workouts for Tuesday, June 16, so that we can make sure that all equipment is sterilized and ready when your athlete returns. Please be looking for more information concerning summer workouts and skills Tuesday afternoon.

Thank you for your support,  
Coach Degelia
