Bus Stop Assignments

A policy adopted by the Conewago Valley School Board on November 9, 1999 has been in effect since July 1, 2000 states:

“Each student being transported to school by a District-owned or contracted bus service shall have a ***single, consistent pick-up*** and a ***single, consistent drop-off.***”

Variations from these may be made on a given day if the parent or legal guardian notifies the school or transportation department, preferably in writing, with infrequency, and should be based on an “unusual and non-recurring circumstance.”

If there are any questions about how this policy might apply to your child, please contact the Transportation Coordinator, Bonnie Little @ 717-624-2157 extension 1010.

Delays And Early Dismissals Due To Weather

Please pay careful attention to Conewago Valley’s weather schedule. Your child’s transportation arrangements will reflect CVSD’s decision on early dismissals and delays NOT the district your child’s school usually follows.

For Example:

If your child’s school is in Gettysburg School District and Gettysburg decides to have weather related two hour delay and CVSD is running on time; your child’s transportation will run on normal schedule. Your child’s school should have a staff member on the premises to take care of the students when they arrive early.

Another Example:

If your child’s school is running on time and CVSD has a two hour delay, we will transport your child according to our delay (2 hours late).

Questions regarding this policy may be addressed by contacting Bonnie Little @ 717-624-2157 extension 1010 or email littleb@cvcvcolonials.org. Thank you.
