

PRE-AP FOR ALL

In conjunction with College Board, Browning High School is offering Pre-AP English 1 and Pre-AP Algebra 1 for all incoming freshmen.

What is Pre-AP?

Pre-AP

Pre-AP courses in the ninth grade provide the basis for students to thrive in college-level AP classes in their subsequent high school years. Browning High School has a genuine commitment to helping students acquire the skills and habits needed to be successful in high school and college. Through the challenging and rigorous academic work of Pre-AP, students will attain higher-level writing, critical thinking, performance, and research skills.

BENEFITS OF AP/PRE-AP

- Be better prepared for college
- More likely to enroll and complete college coursework in four years
- More likely to exercise leadership

Pre-AP challenges students to build relevant critical thinking skills through the following shared principles:

Close Observation and Analysis

Evidence-Based Writing

SHARED PRINCIPLES

Higher-Order Questioning

Academic Conversations

Who's it for?

Pre-AP is not just for "advanced" students. In fact, Pre-AP is designed to be accessible to ALL students, even if they have not taken accelerated or honors classes.

What to expect

- Build academic skills and confidence
- Learn essential time management and study skills
- Tap into creativity and problem-solving skills
