- ☐ **Returning volunteer –**
- ☐ I already have volunteer ID badge from District office.
Volunteer ID badge verified by school site on (mm/dd/yr): _____
- ☐ **New volunteer** - need to submit TB, get fingerprinted, and obtain volunteer ID badge from District Office.

Fingerprinting Hours: Tuesday 3:00 PM – 6:00 PM & Thursday 12:30 pm to 3:30 pm only

School Site _____

Name of Volunteer _____

Address _____

Telephone _____ Email _____

In case of an Emergency, contact _____ at (_____) _____

Briefly describe the Volunteer Duties you will be providing: _____

In consideration of my volunteer work as outlined above, I understand that I am not entering into an employment relationship with the District and that I am not entitled to receive a salary or any employee benefits including workers' compensation. I understand that either the District or I may terminate this volunteer relationship at any time without notice. In the course of volunteering for Morgan Hill Unified School District, I may be dealing with confidential information and I agree to keep said information in the strictest confidence.

I certify that I have not been convicted of a felony that would disqualify me from serving as a district volunteer. I am not required to register as a sex offender pursuant to Penal Code Section 290.

I understand that if I volunteer as a driver, additional verification will be required. I have reviewed and agree to comply with the Child Abuse Prevention Reporting guidelines and Sexual Harassment policies contained in the Student and Parent handbook and/or the District's website.

Signature _____ Date _____

***** **School Office Use Only: Principal must sign for approval** *****

School Site Principal Approval *Sharon R. Fast* Date 6/1/23

Note: Send new site-approved volunteers with a signed voucher to District Office for fingerprinting.

Fingerprinting and Tuberculosis Testing Volunteer Requirements

What is required to volunteer in a Morgan Hill Unified school?

MHUSD welcomes any member of the student's family, caring adults in the student's life, as well as members of our local community to volunteer. All volunteers working on the school grounds on a regular, ongoing basis need to have their fingerprints and tuberculosis test results on file at the Morgan Hill Unified School District office.

VOLUNTEER REQUIREMENTS

Fingerprinting and tuberculosis test results must be on file for volunteers that are:

- **Ongoing, long-term:** Volunteering at the school regularly, more than once a year
- **At school:** Volunteering on school grounds or in the classroom, has access to privileged information
- **Face-to-face:** Volunteering with direct contact with children
- **Alone:** Volunteering as the sole adult with children, unsupervised with children (i.e., during a field trip)
- **School-sponsored trips:** Athletics, band, field trips, science camp, etc.

(Examples are shown in the table below)

NOT REQUIRING Fingerprinting and TB testing	REQUIRING Fingerprinting and TB testing
<ul style="list-style-type: none">• A volunteer is bringing baked goods to the school for the Family Dance.• A volunteer is selling flowers before and after a school theater performance.• A volunteer completing classroom jobs at home and returning them to the teacher when dropping their child off for school.• A volunteer creating the class newsletter at home for a teacher.• A volunteer coordinating a class party by calling or emailing parents to get for donations and arrange games and other entertainment.• A volunteer judge for the yearly science fair.• Coordinate Scholastic book orders (collect orders and enter them into the Scholastic web site)	<ul style="list-style-type: none">• A volunteer helping in the classroom during all of the rainy day recesses during the winter. The volunteer is working more than once on the school grounds, has direct contact with children and may also be the sole adult with children.• A driver for a field trip. While not operating on school grounds, a field trip driver will be alone with children and have direct contact.• A volunteer who helps children in the classroom with their math exercises every week.• A volunteer for class parties that helps children with a craft or baking exercise.• A volunteer organizing a lunch-time club.• Assist with curb-side traffic direction during drop-offs (before school) and pick-ups (after school)

Frequently asked questions

1. **Why does the school require that volunteers be fingerprinted?** The purpose of the criminal background check is to insure that a person is permitted by law to participate in a school setting as a volunteer or employee. The California Education Code, Health and Safety Code and Penal Code sections determine which offenses are or are not permitted. Fingerprinting is the most accurate way to collect this information.
2. **What if I have an old DUI on my record and parking violations?** Not everyone with an offense on their record is excluded from volunteering. Each situation is handled confidentially on a case-by-case basis. Please note that prospective volunteers are asked to disclose any and all prior history of criminal convictions other than minor traffic violations.
3. **Will my fingerprints be passed to any other government agency?** Your fingerprints are cleared with the Department of Justice. Beyond that, your fingerprints will not be used for any other purpose than to make sure you are safe to work with children and will not be passed to any other agency.

Morgan Hill Unified School District Volunteers | Fingerprinting & TB Testing

4. **How long are my fingerprint results valid?** As long as you volunteer in MHUSD Schools.
5. **Do I have to be fingerprinted to attend award ceremonies or theater performances for my child?** No, only volunteers for these events would need to be fingerprinted.
6. **I had to be fingerprinted for work, can this report be used?** No, MHUSD requires that a new fingerprint clearance be conducted with results sent to MHUSD before volunteers begin working with children on behalf of the school.
7. **For some of the volunteer tasks, I'm not sure if I need to be fingerprinted. How can I know?**
Ask yourself:
 - a. Will I be volunteering on the school grounds on more than one occasion?
 - b. Will I participate directly with children on the school grounds?
 - c. Will I be acting as the sole adult alone with the children?If the answer is yes to any of these questions then you need to have your fingerprints on file at MHUSD.
8. **Will the tuberculosis (TB) test and fingerprinting requirements be tracked? How and by whom?**
The results of these requirements are kept on file at the MHUSD offices. Once a volunteer is cleared, he/she will receive a badge which can be used at any site or school program when volunteering.
9. **Why do I need to get tested for tuberculosis?** Tuberculosis (TB) is a contagious disease that can be deadly if not treated properly. Each year, Santa Clara County reports more cases of active TB than 30 states. In order to volunteer with children, you need to be free of this disease.
10. **Where can I get a tuberculosis test?** TB tests may be obtained by any physician, clinic or pharmacy that offers testing.

TO GET FINGERPRINTED AND FILE RESULTS AT THE SCHOOL DISTRICT

A fingerprinting form can be obtained at the Morgan Hill Unified School District office located at 15600 Concord Circle in Morgan Hill.

Please bring the following items when you come to be fingerprinted:

- Driver's License or California ID
- Tuberculosis test results (form can be obtained in Human Resources)
- COVID vaccination card (optional)

Once your Fingerprints and TB have cleared, you will be called/emailed to pick up your volunteer badge.

This badge should be worn whenever you are on a school site or school sponsored trip as a volunteer.

This badge indicates that you have completed all the requirements necessary through the HR Department and may be used at any site or program as evidence of clearance.

California Adult Tuberculosis Risk Assessment

- Use this tool to identify asymptomatic **adults** for latent TB infection (LTBI) testing.
- **Do not repeat testing** unless there are **new risk factors** since the last test.
- Do not treat for LTBI until active TB disease has been excluded:

For patients with TB symptoms or an abnormal chest x-ray consistent with active TB disease, evaluate for active TB disease with a chest x-ray, symptom screen, and if indicated, sputum AFB smears, cultures and nucleic acid amplification testing. A negative tuberculin skin test or interferon gamma release assay does not rule out active TB disease.

LTBI testing is recommended if any of the boxes below are checked.

- ☐ **Birth, travel, or residence** in a country with an elevated TB rate for at least 1 month
- Includes any country other than the United States, Canada, Australia, New Zealand, or a country in western or northern Europe
 - If resources require prioritization within this group, prioritize patients with at least one medical risk for progression (see the California Adult Tuberculosis Risk Assessment User Guide for this list).
 - Interferon Gamma Release Assay is preferred over Tuberculin Skin Test for non-U.S.-born persons ≥ 2 years old

- ☐ **Immunosuppression**, current or planned
- HIV infection, organ transplant recipient, treated with TNF-alpha antagonist (e.g., infliximab, etanercept, others), steroids (equivalent of prednisone ≥ 15 mg/day for ≥ 1 month) or other immunosuppressive medication

- ☐ **Close contact** to someone with infectious TB disease during lifetime

Treat for LTBI if LTBI test result is positive and active TB disease is ruled out.

- ☐ **None**; no TB testing is indicated at this time.

Provider Name: _____

Assessment Date: _____

Patient Name: _____

Date of Birth: _____

See the California Adult Tuberculosis Risk Assessment User Guide for more information about using this tool.
