SCHOOL-BASED HEALTH CENTER

UNM School-based Health Centers (SBHCs) are now open, Fall 2020!

- We see ALL APS students and APS charter students
- Our clinics are open for on-site care-- and --we can also do appointments by video calls
- We are COVID safe and use best practices
- We provide:
    - **Behavioral health** services including emotional wellness screening and counseling, therapy, psychiatry, substance use counseling and referrals when needed
    - **Medical care** including wellness exams, vaccines, sports physicals, reproductive and sexual health services, injury and illness care
    - **Case Management** for students receiving our care who need this
- We do not provide COVID testing or treatment `
- Teens can call to make appointments for themselves for confidential sexual and reproductive health services and behavioral health services

- **Call to make an appointment:**

East San Jose ES	505-244-0334	(Elementary students)
Van Buren MS	505-256-2555	(Middle school students)
