These last days of school pass so quickly, and shortly, our learners and staff will be on a well-deserved summer vacation. I can confidently vouch for the fact that everyone in Beecher Road School worked hard this year and they all deserve a break!

Summer vacation means different things to each of us. My wish for our families is that you find and protect time to connect with family and friends over the summer. I hope that you relax, enjoy outside time, play games, try new things, and curl up with books that take you to amazing places. Most importantly, I hope each of you enjoy good health and that your days are filled with laughter, adventure, and traditions. Traditions anchor us and sustain us. Honor old traditions and make new ones. Relax, rejuvenate, and please rejoin our school community in the fall. We will be here with open arms and happy hearts, ready to greet you.

Before everyone heads off in different directions far and near, I want to recognize and thank our Beecher Road School staff. For six short months, I have been part of our incredible BRS school community, and daily, I continue to be impressed by their passion and hard work. We are a lucky community to have each other.

Happy summer vacation, and I look forward to greeting you all in late August.

Sincerely,

*Vonda J. Tencza*
