Summer

Reading Tips

1

Read daily. Make reading part of your routine with your family or on your own. You can read books or magazines.

2

Relax with reading. When you're resting in the shade at the beach, or after practice -- grab a book to read.

3

Visit the library or a book store to see new books and explore them. Discover new genres and authors.

4

Have fun with reading and do related activities to inspire you to read, craft, draw, and write.

5

Keep a record of everything you read for our Summer Reading Challenge. You have a chance to win prizes in the fall!
