2023-2024 School Calendar

The 2023-2024 School Calendar was approved by the School Board at their March 16th meeting. Also approved at the meeting was the number of traditional "snow days" for the 2023-2024 school year. Next year's calendar will allow for up to three "traditional snow days" (or any type of no school days). If more than the allotted three days are needed, those days will be asynchronous remote learning days. Therefore, the latest possible in-person school day for 2023-2024 (if 3 days are used) will be June 14, 2024.

The 2023-2024 school calendar can be found [here](#).
