## **1B NEGOTIATIONS PROCEDURE**

### **1B1 RECOGNITION**

The Board recognizes the TCEA as the sole and exclusive negotiating representative of the bargaining unit defined in Article 1A2 for the purpose of arriving at an agreement on proposals concerning wages, hours, terms, and conditions of employment.

### **1B2 NO STRIKE**

In exchange for recognition and the covenants in this agreement, the TCEA agrees not to engage in a strike or any other form of concerted activity which would amount to a withholding or partial withholding of the services for which the membership was hired to perform during the term of this agreement.

The TCEA further agrees to actively discourage a breach by its membership of the preceding sentence.

### **1B3 PROCEDURES**

If either party, at least one hundred twenty (120) calendar days prior to the expiration of the current contract, gives notice to the other party of the desire to negotiate a new contract, negotiations shall begin no later than ninety (90) calendar days prior to the said expiration date.

TCEA and Board shall exchange issues to be bargained at a mutually agreed time and place. Negotiations shall be completed within forty-five (45) calendar days, unless a representative election is being held or unless extended by mutual agreement in writing.

### **1B4 AGREEMENT**

When the participants reach an agreement, a joint written report will be prepared and presented to the Board and the membership of TCEA. When a joint report is presented and:

- a. The TCEA affirms acceptance of the report, and;

b. The Board accepts the report; the recommendations of the report will be put into effect by the Superintendent and the administration.

#### **1B5 IMPASSE**

If the parties fail to reach complete agreement on the successor contract by forty-five (45) calendar days before expiration of the current agreement, either party may request the appointment of a mediator from the Federal Mediation and Conciliation Service. The mediator shall meet with the parties as he deems appropriate in an attempt to resolve the disputed issues. If the parties have not reached complete agreement on a successor contract by the expiration of the current agreement, then TCEA may proceed in accordance with Ohio Revised Code §4117.14(D)(2). During such process, the mediator may continue to work with the parties as he deems it appropriate.

#### **1B6 SEVERABILITY**

Consistent with Chapter 4117 of the Ohio Revised Code, this Professional Negotiations Agreement governs the wages, hours, terms and conditions of employment of staff members and the terms of this Professional Negotiations Agreement prevail over any state statute to the contrary. If any specific provision of this Professional Negotiations Agreement is invalidated by state or federal court ruling or subsequent change in the law, the parties shall, upon written request of the other, negotiate in good faith regarding any necessary change in this Professional Negotiations Agreement. The parties will meet to resolve any necessary change in the contract relative to the affected provision within sixty (60) calendar days by demand of either party.

#### **1B7 MANAGEMENT RIGHTS**

On behalf of itself as the representative of the voters, taxpayers, students and parents of students, the Board reserves unto itself the following rights:

## **1B8 IMPLEMENTATION**

a. The parties to this agreement each acknowledge that this agreement contains the entire agreement between them. Neither party shall be obligated during the term of this agreement to negotiate on matters contained in this agreement or matters not contained in this agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time they negotiated or signed this agreement. Except as provided in paragraph (b) below, TCEA expressly waives any and all rights to bargain on the decision or the effect of Board decisions pertaining to issues not covered in the Professional Negotiations Agreement during its effective term.

b. If the Board implements a policy, practice, or procedure to carry out state or federal mandates on education pertaining to issues not covered in the contract which go into effect during the term of this agreement, the Board shall provide an opportunity for TCEA to bargain about the effects of any change on the wages, hours, or terms and working conditions of staff members. The TCEA President or his designee must submit a written request for bargaining to the Superintendent within fifteen (15) calendar days after TCEA's receipt of notice of the change from the Superintendent. The Board and TCEA shall meet to bargain in good faith for a period of time not to exceed fifteen (15) calendar days unless such time limitation is extended by mutual agreement. In the event that the bargaining issue(s) is not resolved within the prescribed time limitations, the parties agree to seek the assistance of the Federal Mediation and Conciliation Services or a mediator from SERB, for a period not to exceed seven (7) calendar days. This provision on mediation will not prevent the Board, after seven (7) calendar days, from implementing the new or changed policy, practice or procedure and TCEA from proceeding in accordance with O.R.C. 4117.

## **1B9 DUTY TO BARGAIN**

This section constitutes the Board's entire duty to bargain during the term of this Professional Negotiations Agreement. Any dispute over whether the Board has complied with its bargaining obligation under this Professional Negotiations Agreement shall be determined through the grievance and arbitration procedure only. Neither TCEA nor any staff member shall file an unfair labor practice charge or any other challenge to the Board's compliance with its duty to bargain during the term of this Professional Negotiations Agreement.

- a. Use of a bulletin board in the staff members' lounges.

- b. Permission to make announcements during school faculty meetings.

During the summer the Board shall distribute the Board's official agenda and addenda, including but not limited to minutes and financial reports of each Board meeting, including any special meetings, to the TCEA President by mail at the same time a copy is sent to Board members.
- i. The Board shall provide a hard copy of the current Professional Negotiations Agreement to staff members no later than each building's opening staff meeting once a successor agreement is reached. The TCEA President shall receive ten (10) additional copies. New hires shall be provided a hard copy of the current Professional Negotiations Agreement at the orientation meeting or upon hire.
- j. (1) Upon request of the President of TCEA, the Board shall provide, without charge to TCEA, copies of all financial documents as requested.

The TCEA President and the Superintendent and their representatives, nominated by the TCEA President and the Superintendent respectively, shall meet during the scheduled school day and discuss issues on an agenda. The agenda shall be composed of items submitted to the party responsible for the meeting. Items for the agenda shall be submitted to the responsible party not less than five (5) days prior to the scheduled meeting. Emergency items may be presented by mutual agreement. Items on the agenda shall not pertain to grievances or the settlement thereof or deal with items that will require collective bargaining. All decisions of the Committee shall be made through consensus.

Responsibility for “facilitating” the meeting, taking minutes of the meeting, and distributing the minutes of the meeting shall be alternated between the TCEA President and the Superintendent or their designees. Minutes of the meeting shall be distributed to all members of the committee not less than ten (10) days after the meeting has been held. The parties agree that the participation and concurrence with actions taken by this committee do not waive the contractual provisions of the Professional Negotiations Agreement and that no contractual provisions will be waived to allow this committee to function. Furthermore, participation in and discussion of issues within this committee does not constitute a waiver of the right to bargain under ORC 4117 by TCEA any issue it deems bargainable under the negotiations provisions of the state law and the negotiated agreement.

### **1E JUST CAUSE**

No staff member shall be disciplined, reduced in compensation, terminated or otherwise deprived of any professional advantage in his regular teaching contract without “just cause” in compliance with the applicable provisions of this Professional Negotiations Agreement.

**ARTICLE 2**  
**TEACHING CONDITIONS**

**2A LENGTH OF SCHOOL DAY/YEAR**

The staff member work day is established at seven (7) hours forty-five (45) minutes inclusive of a thirty (30) minute, duty-free lunch. The maximum student day at the high school will not exceed seven (7) hours, the maximum student day at the junior high will not exceed seven (7) hours, the maximum student day at the sixth (6<sup>th</sup>) grade building will not exceed six (6) hours and fifty-five (55) minutes, the maximum student day at the elementary buildings will not exceed six (6) hours and forty-five (45) minutes. These hours may be adjusted per the calendar adopted by the Board for make-up days. Times will be adjusted accordingly to appropriately fit the hours of student attendance within the various buildings. Staff members who work at West Central Juvenile Detention Center (WCJDC) will comply with WCJDC's work schedule.

Staff members are expected to be in their respective buildings performing the usual and customary functions of a staff member. Staff members in the special areas or departments who serve in more than one building will report in a timely manner to the building where they meet their first class.

Building principals are in charge of the total operation of the buildings. They shall develop in writing and distribute to all staff members a policy to provide supervision for students arriving early and remaining after school so as not to be disruptive of the staff member planning time or the school day.

On calamity days, staff members will not be required to report to work. On delay or early release days, the reporting of release time will be equal to the amount of time of the delay or early release (e.g. on a two-hour delay staff members will be required to report to work two (2) hours later than the regularly scheduled report time). Once the district has reached five (5) calamity days without instruction, staff members will make up time by using remote learning days up to a limit of ten (10) remote learning days. After ten (10) remote learning days, staff members will make up instructional time per the calendar as adopted by the Board. Staff members are allowed to work from home during remote learning days.

The length of the school year shall not exceed one hundred eighty-five (185) days with the last staff member workday reserved for completion of check out procedures. The school calendar will be determined by mutual agreement between the Board and TCEA and TCSSA by January 1 each year. The school calendar will be negotiated one (1) year in advance. In the event the parties cannot reach a mutual agreement, the Board will make the final determination. Any changes in the agreed to school calendar after Board adoption must be negotiated between the Board and the Associations.

## **2B PREPARATION AND PLANNING TIME**

### **2B1 END OF GRADING PERIOD**

Preparation and planning time for all teachers will be scheduled one afternoon at the end of each grading period. This time will be provided by dismissing school early on the last student day at the end of each grading period, not to exceed one (1) hour but less than one (1) hour if necessary to comply with state requirements for the minimum school day. It is understood that this time will not be devoted to extracurricular activities, i.e., athletic practices, intramurals, drama, music organizations, but will be reserved for the purpose of grade preparation, doing grade cards and planning.

Staff members will have two (2) full school days following the end of the grading period to submit accurate grades. Grades must be submitted by 8:00 AM of the third (3<sup>rd</sup>) school day. This excludes fourth (4<sup>th</sup>) quarter senior grades, which are due at the discretion of the high school principal. The fourth (4<sup>th</sup>) quarter grades for all other students are due by the end of the last staff member workday.

### **2B2 DURING THE SCHOOL DAY**

- a. Secondary staff members shall have a minimum of one (1) full class period per day for preparation, conferences, and planning, except when there is an administratively adjusted or shortened schedule during the school day. Secondary staff members may also voluntarily elect to give up a planning period in order to teach another period and receive extra compensation for the loss of that planning period for the duration of a semester or entire school year. Compensation shall be based on one-seventh of the staff member's current salary.
- b. Except when there is an administratively adjusted or shortened schedule during the school day or week, or when faculty or staff member committee meetings are held, elementary staff members shall have a minimum of 180 minutes per week for preparation, conferences, and planning time, during which time they will not be scheduled for other duties. This time does not include time before or after the student day.
- c. Staff members will be responsible for their regularly scheduled students during assemblies, student programs, or any other student activities scheduled during their class time.
- d. Whenever appropriate, an administratively adjusted or shortened school day will be planned so as to maintain the instruction of all regularly scheduled classes.

### **2B3 NOON SUPERVISION**

Elementary staff members will be released whenever possible from noon supervision duties for collaboration with intervention staff members, to provide more instructional time, or for other professional activities.

## **2B4 LOSS OF PLANNING PERIOD**

When a half-day or full-day substitute cannot be obtained, the administrator may ask a staff member or staff members to cover the class. In this case, if the staff member(s) loses a planning period, he will be paid at an hourly rate of .0008 of base.

## **2B5 LOSS OF SPECIAL PERIOD**

If an elementary staff member covers a special class (music, art, library, and physical education) when a substitute staff member is not available, he will be reimbursed at an hourly rate of .0008 of the base pay.

## **2B6 SPECIAL EDUCATION**

### **2B6a Writing IEPs, WEPs, RIMPs**

State and Federal mandates require intervention specialists to write IEPs. As a result of these additional mandates, intervention specialists, upon request, will be granted up to four (4) release days per year, for the purpose of writing IEPs. Additionally, in the event an intervention specialist has an excessive caseload, additional days may be granted if the need is demonstrated.

Since State and Federal mandates also require teachers to write WEPs and RIMPs, classroom teachers, upon request, will be granted release time or compensation at an hourly rate of .0008 of the base to complete these plans outside the contract day.

### **2B6a Writing IEPs**

State and Federal mandates require intervention specialists and SLP's to write IEP's. As a result of these additional mandates, intervention specialists and SLP's, upon request, will be granted up to four (4) release days per year, for the purpose of writing IEP's. However, in the event an intervention specialist has an excessive caseload, additional days may be granted if the need is demonstrated.

### **2B6b Attending Educational Planning Meetings**

When attending an educational planning (i.e., ETR, IEP, WEP, IAT, 504, Early Entrance, Acceleration, RIMP, Data Meetings, etc.) meeting, the following priorities will be used:

1. During the contracted school day – no compensation
2. Student day – no compensation
3. Outside the school day – at an hourly rate of .0008 of base

- a. Before school
  - b. After school
4. Outside the school year – at an hourly rate of .0008 of base

Meetings will not compromise any staff member's lunch period and will not abuse loss of planning period for any one staff member.

## **2B7 INTERNAL COVERAGE OF CLASSES**

If a staff member is directed by their administrator to monitor/supervise/teach students from another staff member's class, in addition to their own class during the same time/period and the number of students being added exceeds seven or causes them to have 35 or more students in total, he/she will be reimbursed at an hourly rate of .0008 of the base pay.

## **2B8 TEACHING SPLIT-LEVEL CLASSES**

Elementary staff members who teach split-level core classes shall receive a stipend of two thousand dollars (\$2000). Should a split-level class be eliminated or created sometime during the school year, a proportionate stipend shall be paid.

## **2B9 TEACHING ONLINE STUDENTS**

Core subject area staff members for grades 6-12 who teach online students in addition to their regular classes shall receive a stipend as follows:

- 1-4 online students – one thousand two hundred fifty dollars (\$1250)
- 5-9 online students – one thousand seven hundred fifty dollars (\$1750)
- 10-15 online students – two thousand two hundred fifty dollars (\$2250)
- 15+ students – every effort will be made to establish separate sections within the master schedule for online learning. If that is not possible students will be split into equal smaller groups.

Staff guidelines for instruction and support will be developed and mutually agreed upon by a committee of teachers and administrators. The committee shall be comprised of an equal number of both.

## **2C ABSENCE FROM BUILDING DURING SCHOOL HOURS**

Staff members may leave the building during their lunch period. Staff members may leave the building at other times during the school day as long as the staff member signs in and out. Traveling teachers may move from building to building as dictated by their schedule without having to sign in and out. No staff member may leave the building during scheduled classroom instruction time unless he receives permission from the principal.

## **2D STAFF MEMBERS' ABSENCE**

### **2D1 STAFF MEMBER RESPONSIBILITY WHEN SUBSTITUTE IS NECESSARY**

In order to preserve a continuing plan of educational experiences, the staff member has the following responsibilities in case of his absence:

- a. Staff members are responsible for ensuring the substitute has access to lesson plans to teach. For absences exceeding five (5) days, staff members are responsible for providing guidance in lesson planning for the substitute but are not responsible for daily lesson plans.
- b. Seating chart or list of pupils' names.
- c. A list of special rules, routines, schedules.
- d. Indication of pupils who have unique educational needs.
- e. Students prepared to work cooperatively with substitute staff members. It is recognized that the preparation of students for a substitute may not be possible in the event of an unanticipated absence caused by sudden illness.

These and other courtesies should be extended to individuals serving in the substitute capacity.

Every reasonable effort shall be made by the administration to secure substitutes where necessary.

### **2D2 REPORTING PROCEDURE**

Staff members are expected to enter all absences in the KIOSK as soon as possible and will follow the appropriate procedure to obtain a substitute.

## **2E PROFESSIONAL GROWTH**

### **2E1 PROFESSIONAL DEVELOPMENT**

The Superintendent of Schools is responsible for developing the yearly focus of the professional development program. 2. If a complaint is shared with any member of the Board or administration, no action, except as legally required, will be taken until all procedures listed in 3 through 5 of this section have been completed.
3. The complaining party must first be directed to discuss his concern with the staff member involved, and the details of the complaint, including the name of the complainant, will be forwarded to the immediate supervisor, who will communicate that information to the staff member.

4. The staff member, then, has the opportunity to remedy the complaint, without administrative involvement, as soon as possible, or he may defer action to the immediate supervisor.
5. If the staff member and the complaining party cannot satisfactorily resolve the problem, either the complainant, the staff member, or the immediate supervisor may request a meeting of both parties and the immediate supervisor. The meeting will be arranged at a mutually convenient time. If both parties do not wish to advance the issue to a meeting with the immediate supervisor, the matter will be considered closed.
6. If the complainant is not satisfied with the previous attempts to resolve this issue, the complaint shall be reduced to writing by the complainant and directed to the Superintendent or his designee. A copy of the written complaint shall be supplied to the staff member and the immediate supervisor at the time it is submitted to the Superintendent or his designee.

8. If the complainant is still not satisfied with the attempts to resolve this issue, the complainant may elect to forward the written complaint to the Board.
9. If the complaint is made a matter of record, placed in the staff member's personnel file, or used in an evaluative manner, the staff member shall be given an opportunity to attach comments to the written complaint.

Failure to participate in such a program and/or being proved guilty of a third violation of this policy may result in termination of employment.

4. If the Board, named herein to administer this grievance procedure, should fail to answer any grievance within the time limits established, then the grievance shall be advanced to the next step. Any grievance not referred to the next step by the grievant will be considered a termination of the grievance.

The arbitrator shall have the right and authority to interpret the provision of this Professional Negotiations Agreement and render a decision on the grievance within applicable Ohio law and precedent.

Only grievances as defined herein shall be subject to arbitration, and all issues of procedural arbitrability will be heard by the arbitrator prior to the hearing to determine the substantive issues or merits of a grievance. The hearing on the issues of procedural arbitrability may occur on the same day as the hearing on the substantive issues or merits of the grievance.

3. The decision of the arbitrator with respect to grievances shall be binding.
4. Article IV, Evaluations, shall not be subject to the Grievance Procedure except that procedural matters may be grieved by an individual or group and the decision will be binding. Substantive matters (such as the evaluation itself) shall not be grieved.

## ***ARTICLE 4***

### ***EVALUATIONS***

#### **4A PHILOSOPHY**

The Board has a responsibility to create a favorable climate for all staff members to perform their duties and meet their responsibilities to the children. The school system uses its evaluation procedures to facilitate this goal.

The insight and growth of each staff member resulting from participation in the evaluation process are more significant than the process itself. Evaluation should be continuous and should be a constructive, cooperative enterprise between the staff member and the evaluator.

The evaluation process is tailored to the staff member's needs to enhance their personal and professional growth and minimizes the comparison of one staff member's performance with that of another.

Each staff member has the opportunity to use initiative and leadership in defining specific goals and working cooperatively with his evaluator in accomplishing them.

Evaluation in the Troy Schools is constructed to promote improved performance, professional growth, and professional integrity. It is a separate procedure from Unsatisfactory Performance.

#### **4B OBJECTIVES**

1. To facilitate and improve communication and understanding among staff members.
2. To improve instructional performance and provide means for professional growth through establishment of long and/or short-range goals.
3. To stimulate, through accountability, a search for a better understanding of the scope of one's duties and responsibilities.
4. To provide an opportunity for each staff member to periodically assess performance.
5. To provide assistance which the staff member may need for self-improvement and growth.

#### **4C PREPARATION**

1. The Board shall provide all staff members with an orientation to the staff member evaluation process.
2. TCEA and the Board agree to establish a standing Joint Evaluation Committee (JEC) for the purpose of recommending the policy, procedure and process, including the evaluation instrument, for the evaluation of staff members in the district and to regularly review the effectiveness of the

policy, procedure, and process, including the evaluation instrument. TCEA and the Board agree to follow the minimum requirements of the Ohio Teacher Evaluation System (OTES). All local decision points for districts regarding the Evaluation System shall be decided by the Joint Evaluation Committee (JEC).

3. All staff members shall be evaluated by their immediate supervisor or building administrator. For staff members who work in more than one building, the home building administrator will conduct the evaluation.
4. A staff member may request and shall be entitled to TCEA representation at any conference held during this procedure.
5. All evaluation forms shall be located within the eTPES system and be subject to review by the Joint Evaluation Committee (JEC).
6. Evaluation timelines will be placed on the district website.

#### **4D UNSATISFACTORY STAFF MEMBER PERFORMANCE**

(This process is not for first, second or third year staff members.)

##### **4D1 NOTIFICATION**

The procedure outlined below may be applied in the event that there is an administrative determination that a staff member's performance is unsatisfactory. The point of this procedure is achievement or restoration of satisfactory performance. The building administrator may determine after observation at any point in the school year that a staff member's job performance has become unsatisfactory. The staff member shall be promptly notified in confidence and in writing and advised of the reasons for the decision. The Board shall not vote to non-renew a staff member or to begin termination proceedings until the staff member has had sixty (60) days from the date he receives the prescriptive program; provided, however, that the Board may vote to begin termination proceedings regardless of such sixty (60) school day period if the Board determines for just cause shown in accordance with O.R.C 3319.16 and O.R.C 3319.161.

##### **4D2 DIAGNOSIS, PRESCRIPTION, AND FOLLOW-THROUGH**

A written prescriptive plan of developmental activities which will help the staff member understand and overcome deficiencies shall be developed and carried out cooperatively by the staff member and immediate supervisor. Other appropriate personnel (e.g., Director of Pupil Services, Gifted Services Coordinator, psychologist, department head, master teacher, etc.) may be consulted in the development and implementation of the prescriptive plan.

This written prescriptive plan will be agreed to within ten (10) days after notification of unsatisfactory performance. This prescriptive plan will include specific performance expectations and administrative feedback to the staff member no less than every ten (10) days.

Both the staff member and the immediate supervisor assume shared responsibility in working together in the conference, work sessions and classroom visitation for the purpose of devising and implementing the developmental activities. The staff member should assume responsibility for achieving and demonstrating continued improvement. The immediate supervisor should assume the responsibility for creating and maintaining a working atmosphere and providing resources and professional development opportunities for the staff members that are important to carrying out the developmental activities. The Board shall allocate reasonable financial resources to support this professional development. Written documentation of the developmental activities, including the diagnosis, prescription for improvement and continuing problems will be provided to all personnel involved for the duration of the probationary period.

#### **4D3 REMEDIES**

a. Satisfactory

The desired outcome shall be justification for deciding that the staff member's performance be judged as satisfactory.

b. Making Progress

In some instances it may be judged that the staff member, although not rendering fully satisfactory performance has evidenced sufficient initiative, cooperation, and growth to merit extension of the prescriptive plan.

c. Unsatisfactory

If, after following the steps above, it is still judged that the staff member's performance remains at an unsatisfactory level, discontinuation of his services is in order. This may be accomplished by one of three procedures:

(1) Resignation

A professional person should be accorded the opportunity of submitting a resignation.

(2) Non-renewal

- (a) A staff member whose contract is to be considered for non-renewal shall be notified by certified mail at least 10 days prior to Board action. The Board shall not vote to non-renew a staff member or to begin termination proceedings until the staff member has had sixty (60) days from the date he receives the prescriptive plan.

(b) Limited contracts shall expire at the end of the last school year in the term of the contract. However, a limited contract shall automatically be deemed renewed unless the Board on or before June 1 of the school year in which the limited contract is to expire:

(i) Adopts a resolution in public session of its intention not to renew the employment of that staff member; and

(ii) The Board or Superintendent mails a written notice of the non-renewal by certified mail, return receipt requested, to the staff member at the address appearing for that staff member on the Treasurer's records at least 10 days prior to Board action. It is the responsibility of each staff member to keep a current address on file with the Treasurer and to make any necessary changes therein.

(iii) A staff member who is non-renewed may challenge compliance with this Article and with the evaluation procedures by filing a demand for binding arbitration within ten (10) days of receipt of the notice of non-renewal. Grievance arbitration shall be in place of the procedures of O.R.C. §3319.11(G).

(3) Termination

The Board may terminate a staff member's contract(s) for the reasons and pursuant to the procedure set forth in O.R.C. §3319.16.

#### **4E DISCIPLINARY PROCEDURE**

##### **4E1 STEPS**

The following steps shall be followed when disciplinary action against a staff member is deemed necessary by the building principal and/or immediate supervisor, except in cases where the action is deemed severe enough to advance steps.

**a. Step I** A verbal warning of the improper act will be given, in private, to the staff member and a conference with the principal or immediate supervisor will be held. Such verbal warning shall not be recorded in the staff member's official personnel file, but may be recorded, dated, and kept by the administrator with the staff member's or TCEA representative's signature acknowledging the verbal warning.

In matters pertaining to student or staff member safety and/or health or in case of unprofessional conduct or breaches of Board policy, the faculty handbook or Board policy may satisfy the oral warning step.

**b. Step II** A written warning or reprimand signed and dated by the principal shall be given to the staff member with a copy forwarded to the Superintendent. The written warning or reprimand shall be signed and dated by the staff member; such signature shall indicate the staff member has seen the warning or reprimand, not necessarily that he agrees with the content. Refusal to sign shall constitute insubordination.

A copy of a signed written warning or reprimand may be placed in the staff member's personnel file. The staff member may attach his written statement to the file copy of the reprimand. Only compliance with these procedures may be grieved, not the substance of a reprimand.

#### **4E2 FURTHER ACTION**

After an oral warning, given in private, and a written reprimand have been given, the Superintendent may suspend a staff member without pay for up to five (5) days for insubordination, neglect of duty, or violation of rules and regulations of the Board.

Before implementing a suspension of a staff member, the Superintendent or his designee shall hold a hearing with the staff member to give him an opportunity to challenge the reason(s) for the intended action or otherwise to present evidence explaining the alleged misconduct or other cause. The staff member has the right to be accompanied at the hearing by up to three (3) Association representatives. The hearing will be scheduled as promptly as possible by the Superintendent or his designee. If the Superintendent or designee determines that the staff member's continued presence in employment prior to the conference poses a danger to persons or property or a threat of disrupting operations, he may suspend the staff member with pay pending the hearing to determine final disciplinary action.

Within five (5) days following the hearing, the Superintendent will provide the staff member with determination and judgment thereon. Before imposing a suspension, the Superintendent shall sign a written notice of suspension. The statement shall state the grounds for the action. The Superintendent shall furnish a copy of the statement to the staff member and to the Association president. Disciplinary action is effective according to the terms of the notice. The staff member may file a grievance about the disciplinary suspension at Step IV of Article 3C GRIEVANCE PROCEDURE within five (5) days of receiving notice of the suspension.

Fringe benefits as per this Professional Negotiations Agreement shall stay in effect during the time of any suspension.

The Board may terminate a staff member's contract(s) for the reasons and pursuant to the procedure set forth in O.R.C. 3319.16.

#### **4F PERSONNEL FILES**

##### **4F1 PERSONNEL FILE CONTENT**

The personnel file for each staff member shall be maintained in the Board of Education office. Such file shall be the only official file representing such staff member. Such file shall be confidential, except that the individual staff member shall have access to his personnel file upon request and the Superintendent, the building principal, the Treasurer of the Board, or other administrative personnel having a responsibility for such staff member or his records, may have access to such file. Requests for such access shall be made to the Director of Human Resources. A staff member may request a copy of any item in his file at no cost.

When an immediate supervisor or other administrator makes a negative notation in the staff member's file other than evaluations (according to Article 4 EVALUATIONS), a copy of such notation shall be given to the staff member by hand delivery with the staff member to sign acknowledging receipt, not necessarily agreement, or by certified mail at least ten (10) days before it is put in the file.

Any of the above notations that are not signed for or not sent by certified mail shall be removed from the staff member's file at the request of the staff member. Anonymous letters or other materials shall not become a matter placed in the personnel file.

Staff members may place letters of merit pertaining to their role as a professional educator in their personnel files.

Official personnel files shall not contain any inaccurate, irrelevant, untimely, or incomplete information and any such information shall be subject to removal. Removal of materials should adhere to the procedure set forth under Article 4I2 GLEANING THE FILES of this Professional Negotiations Agreement.

##### **4F2 GLEANING THE FILES**

###### **a. STAFF MEMBER'S RIGHT TO ITEMS IN PERSONNEL FILE**

Any staff member may, pursuant to chapter 1347 O.R.C., inspect his personnel file and, in writing, dispute the accuracy, relevance, timeliness, or completeness of the personnel information pertaining to him.

Upon request to glean a staff member's file, the staff member will have access to all materials in the file generated after employment. Those items in the file coming from a university or

former employer are a matter between the staff member and said institution or employer.

These items are not the Board's to release.

#### b. GLEANING PROCEDURE

When a staff member wants his personnel file gleaned, the following procedure will be followed:

- (1) Step #1: The staff member will go to the Board office and ask the Human Resource secretary to see his file. The file may be reviewed in the presence of the Director of Human Resources or her secretary. Files are not to leave the building.
- (2) Step #2: Upon request to see his personnel file, the staff member will receive his personnel file along with an empty file folder and a copy of these procedures.
- (3) Step #3: The staff member should record on the paper his name, the date the file is gleaned, and a list of all items that the staff member wants removed from his file. Then the staff member will place all items listed in the empty file folder.
- (4) Step #4: Upon completion of Step #3, the staff member will return to the secretary or the Director of Human Resource his personnel file and the folder with all items to be gleaned.
- (5) Step #5: The materials to be gleaned from a staff member's personnel file will be checked for compliance with the "conditions for removal of file items" and then disposed of in compliance with the district records retention and destruction policy.

#### c. CONDITIONS FOR REMOVAL OF FILE ITEMS

Evaluations and records of disciplinary action that are three years old or less must remain in the file unless a problem has been remedied and there is documentation stating so. After three years all disciplinary materials shall be moved to an auxiliary file.

**ARTICLE 5**  
**EMPLOYMENT, ASSIGNMENT, VACANCIES AND TRANSFERS**

**5A QUALIFICATIONS AND APPOINTMENT OF TEACHERS**

The Board has the responsibility for employing the staff members of the Troy Schools. Educational background, successful work experience, successful completion of a criminal background check, character, personality, good health, and evidence of ability to get along with people shall be among the main factors considered in the appointment of personnel. Appointments, assignments and transfers shall be made on the basis of the applicant's qualifications. No appointments shall be made based on age, color, creed, handicap considerations, race, religion, gender, place of residence, political influence, personal friendship, or economic need. No staff member shall be employed unless such person is nominated by the Superintendent of Schools, §3319.07O.R.C. The Board may take any reasonable actions affecting staff members to comply with fair employment laws, including the Americans with Disabilities Act.

**5A1 EMPLOYMENT OF RETIRED TEACHERS**

The following provisions will apply to the rehire of staff members who have retired from the Troy City Schools, or otherwise retired under the State Teachers' Retirement System and expressly supersede all relevant provisions of the Ohio Revised Code, including but not limited to §§3319.11 and 3319.111 and all other applicable Ohio statutes.

- a. Re-employment The parties are committed to recruiting and hiring the best qualified staff members to fill vacancies. Rehire of staff members who retire from the Troy City Schools is not automatic. Staff members must submit a letter by January 1<sup>st</sup> stating that they would like to retire and be considered for rehire for the following school year. By January 15<sup>th</sup>, the Board will give notice that the staff member is retired or will retire and is seeking reemployment with the Troy City School District and set a public meeting on this issue for a regular or special meeting called for this purpose no later than March 31<sup>st</sup>.

At the next regular or special Board meeting called for this purpose, no earlier than fifteen (15) but no later than thirty (30 ) days after the public meeting, the Board shall award or decline to award the staff member a contract under this provision for the following school year. Any staff member to whom the Board declines to award a contract under this provision may elect not to retire by submitting a letter rescinding his decision to retire no later than May 1<sup>st</sup>.

- b. Break in Service and Seniority Retirement of a staff member from the Troy City Schools will be considered a break in service, and a staff member who is then rehired will be considered a new hire with no system seniority.
- c. Placement on Salary Schedule This provision expressly supersedes Ohio Rev. Code §3317.13, Article 8 of this Agreement, and other applicable laws. A retired staff member who is rehired will be given credit for up to eight (8) years of service for purposes of placement on the salary schedule at his present education level.
- d. Contract This paragraph expressly supersedes Ohio Revised Code §§3319.08 and 3319.11 and other applicable laws.
  - (1) A retired staff member who is rehired will be employed on a limited contract for a term of one (1) year. Such contract will expire automatically by its own terms at the end of the school year, without the necessity of a resignation from the staff member or without the necessity of Board action. Such staff member shall not be deemed re-employed when notice of non-renewal is not given. Any further employment of the staff member will be pursuant to Paragraph 5A1 of this Section, except for the last sentence.
  - (2) A retired staff member who is rehired will not be eligible for a continuing contract.
- e. Evaluation A retired staff member who is rehired will not be evaluated.
- f. Severance Pay If retiring from the Troy City Schools, a staff member must take severance pay at the time of retirement, payable according to Section 8H, thereby extinguishing sick leave accumulation. A retired staff member who is rehired will not be eligible to convert sick leave to severance pay upon separation from subsequent employment.

A retired staff member who is rehired for the year following retirement shall not be eligible for any resignation incentive.
- g. Sick Leave A retired staff member who is rehired will begin employment with zero (0) days of accumulated sick leave and will accrue and accumulate sick leave in accordance with the provisions of Ohio Revised Code.
- h. Other Fringe Benefits Retired staff members who are rehired will receive retirement contributions, insurance, personal leave and all other fringe benefits not specifically addressed in this memorandum in accordance with this Agreement.
- i. Applicability of Other Contract Provisions Except to the extent specifically addressed in this Article, all provisions of this Agreement apply to retired staff members who are rehired.

### **5B CERTIFICATION/LICENSURE AND TRANSCRIPT OF CREDITS**

All staff members must be properly certificated/licensed in all subjects taught, and all certificates/licenses or an approved copy must be filed with the Superintendent by the opening of school in August. All new staff members must file with the Superintendent a certified transcript of all credits obtained in college or university work before receiving any salary payment.

### **5C ASSIGNMENT PRACTICES**

By May 15, staff members will be notified of any tentative changes in their current room assignments for the forthcoming school year.

### **5D TUTORIAL ASSIGNMENT**

No staff member under contract with the Troy City Board shall be permitted to privately tutor a child whom he is teaching as a pupil in the Troy Schools for pay during the school year, nor can a staff member use a Troy City School facility or equipment for personal gain unless there is a building rental agreement.

### **5E SENIORITY**

#### **5E1 DEFINITION:**

- a. Seniority for staff members shall be determined by the length of continuous service within the school district/bargaining unit.
- b. Service rendered beyond the normal school year shall not be considered toward accumulated seniority.
- c. Years of service in supervisory or administrative positions shall not be considered toward accumulated seniority.
- d. All continuing contract status personnel shall have greater seniority than all limited contract status personnel.
- e. Leaves of absence shall not constitute an interruption in continuous service; however, the time that the staff member was on leave will not be counted toward total years of service in determining seniority rights.

#### **5E2 BREAKING OF SENIORITY**

A staff member shall lose his seniority:

- a. Upon resignation, non-renewal or termination
- b. Upon discharge for just cause
- c. Upon failure to report from layoff

### **5E3 TIES IN SENIORITY**

For staff members with the same length of continuous service, seniority shall be determined by the following order:

- a. Starting with the 2010-2011 Professional Negotiations Agreement, the date of the Board meeting at which the staff member was hired.
- b. If the date of the Board meeting at which the staff members were hired is the same, the date and time of notification regarding intent to employ shall be listed on the Administrator's Recommendation for Employment Form (Addendum C), and a written copy shall be placed in the personnel file.
- c. When all of the above provisions have been exhausted and a tie still exists, a draw will be utilized to break the tie. The drawing shall take place in the presence of the staff members involved, the TCEA President and the Superintendent.

### **5E4 SENIORITY LIST**

The Board shall prepare and post a seniority list including the following: date of hire by the Board, area(s) of certification/licensure, most senior to least, continuing and limited contract. The Board shall post the seniority list on the District website and send a copy to the TCEA President each year by October 15<sup>th</sup>. All staff members who are on leaves of absence at the time of a posting or Reduction in Force shall be included in the seniority list.

### **5E5 CORRECTION OF SENIORITY LIST**

Each staff member shall have until November 15<sup>th</sup> to advise the Human Resources Department of any inaccuracies that affect his seniority. The Board will investigate all reported inaccuracies and make such adjustments as may be in order and send the updated list to the TCEA President and update the posting on the District website.

### **5F VACANCY**

#### **5F1 VACANCY DEFINITIONS:**

A vacancy shall be defined as a bargaining unit position (certified or supplemental) unoccupied due to:

  - 3) tentative work location
  - 4) date of posting and last date to apply
  - 5) procedures for applying for the position

## **5G SUMMER SCHOOL**

- 1. A list of probable summer school positions will be posted in each building as soon as practical.
- 2. The Superintendent shall select, assign, and recommend to the Board, staff members to be employed for summer school. Consideration for selection will be made from the properly certificated/licensed applicants based on the following prioritized criteria:
  - a. First, a Troy City Schools' staff member.
  - b. Second, prior total years of teaching service in Troy summer school (not consecutive).
  - c. Third, length of service in Troy City Schools based on last date of hire.
- 3. Staff members to be recommended for employment will be notified of such intention by June 1 to the extent possible. Other staff members that have applied may inquire of the summer school director as to their status.
- 4. Staff members will be paid an hourly rate, based on the staff member's position on the Salary Schedule. (Staff members from outside the district cannot go beyond Step 10.)

## **5H TRANSFERS**

### **5H1 VOLUNTARY TRANSFERS**

Definition: When a staff member requests a change in grade level, department, course, or building assignment.

A staff member may apply for any posted position within their certification/licensure prior to the expiration of the posting. Such application by a staff member shall be assured of reasonable consideration based upon ability to meet certification/licensure requirements and qualifications of the job description, quality of job performance as reflected in the previous three (3) years' evaluations, seniority and majority decision of the interviewing panel. Upon request, a staff member not granted a transfer shall be given the reasons in writing. Requests for transfer or change in assignment shall not be denied on any arbitrary or capricious basis.

### **5H2 INVOLUNTARY TRANSFERS**

Definition: When the Board or its representative initiates a change in grade level, department, course, or building assignment.

Prior to an involuntary transfer, the staff member will be notified of the transfer and the reasons for the transfer verbally and in writing. Involuntary transfer shall not be made on an arbitrary or capricious basis. No transfer shall be disciplinary in nature. Involuntary transfers shall not occur to create a vacancy in the affected staff member's current assignment. Involuntary transfer of a staff member shall be prohibited if another staff member who meets the certification/licensure or entry level requirements of the job description for the vacant position has applied for the vacancy.

When an involuntary transfer occurs, requiring a move, administration shall be responsible for conducting the move.

## **5I PROMOTIONS**

For purposes of this Article, a promotion is an appointment of a staff member to the position of visiting teacher, supervisor, coordinator, director, department head, principal, or for a newly-created position in which a salary differential is included in the base contract (excluding raises). Current staff members will be given first consideration for promotions.

All appointments are made upon the recommendation of the Superintendent of Schools. The general principle governing promotion is also the fundamental purpose of the school – the educational welfare of the children in the schools.

Vacancies occurring in promotional positions, as defined above, shall be made known according to the procedures in Section 5F3.

Any staff member wishing to be notified by personal e-mail address during the summer of any promotional vacancies shall notify the Superintendent or his designee before the last work day and include the email address to which he wishes notification to be sent. This notification will only last for that summer and the list of addresses will be deleted after the first day of school.

### **5J REDUCTION IN FORCE**

A Reduction In Force (RIF) shall have occurred when the Board reduces or eliminates bargaining unit positions other than through natural attrition (retirement, resignation, or death). Whenever a staff reduction is necessary, this section will apply. The discharge of staff members working on one year contracts in place of staff members on leave, staff members being terminated, those who retire, or resign or are non-renewed shall not be considered a RIF.

In the event a reduction is necessary, the Superintendent will identify the positions that need to be reduced by May 15 and forward a list to the TCEA President. If the Official Amended Certificate of Estimated Resources received from the Miami County Budget Commission expected in August is more than \$250,000 less than the Treasurer's projection of General Fund revenue for the forthcoming fiscal year, the Superintendent may affect a reduction in force after May 15. After the necessity for a RIF has been determined, the Superintendent agrees to meet with TCEA President or his designee and discuss the effects of the RIF. In the event of natural attrition, non-renewal, or termination where a decision not to fill the position is made, the Superintendent agrees to meet with TCEA President or his designee and discuss the effects of the decision not to fill the position.

In effecting a reduction in force, each position to be eliminated shall be identified by building and grade level or field of instruction based upon the staffing level for the current school year. In the event there exists more than one position fitting the description of the position to be eliminated, the following procedure shall be followed:

1. Limited contract teacher shall be reduced first utilizing the following order:
  - a. Certification/Licensure within the affected teaching field;
  - b. Any bargaining unit member with an improvement plan or unsatisfactory staff member performance;
  - c. Comparable evaluations as defined below;
  - d. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.

2. Only when the necessary reduction of staff required exceeds the number of limited contract teachers in the affected field shall continuing contract teachers be reduced by utilizing the following order:
  - a. Certification/Licensure within the affected teaching field;
  - b. Any bargaining unit member with an improvement plan or unsatisfactory staff member performance;
  - c. Comparable evaluations as defined below;
  - d. When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior continuing contract teacher in the affected teaching field the first to be suspended.
3. Comparable evaluations shall be defined as follows:
  - a. Final Summative Rating of Ineffective
  - b. Final Summative Rating of Developing
  - c. Final Summative Rating of Skilled or Accomplished.
4. If a change of assignment or evaluator occurs in the year of a RIF, the higher rating between the previous and current year shall be used in determining comparable evaluation status.

Contracts will be suspended by the Superintendent within 30 days after the positions to be eliminated are determined. The limited contract for an affected staff member that expires prior to the effective date of the RIF shall be renewed and then suspended to implement the layoff.

Any staff member whose contract is to be suspended will be notified that his contract will be suspended in writing served personally or by certified US mail. The Suspension Notice will contain the effective date of the suspension. Any staff member who is notified that his contract has been suspended may, within five (5) days, notify the Business Manager/Director of Human Resources in writing of his intent to displace a less senior staff member. In order for a staff member to exercise his right to displace a less senior staff member, the staff member must be appropriately certified/licensed to teach in another area and have a comparable evaluation rating and there must be a less senior staff member in that area. A staff member who displaces a less senior staff member in accordance with this section and who is not thereafter displaced by a more senior staff member is entitled to have his contract maintained but remains subject to the transfer provision of Article 5, Section F of this Professional Negotiations Agreement.

Staff members whose contracts have been suspended shall have the right to recall if a vacancy occurs which is to be filled or a new position is created for which the staff member is certified/licensed, giving preference first to continuing contract staff members and then in reverse order of suspensions as identified above. Notice of recall shall be sent to the staff member by certified mail. A staff member who desires to be restored to employment in compliance with the provisions of the section must notify the

Superintendent no later than ten (10) days after receipt of notice of recall. It is the obligation of the staff member to keep their current address on file with the Human Resources Department.

Staff members will be given the right to recall for 36 calendar months after the staff member's last active workday, according to the O.R.C. 3319.17. Staff members who do not respond to recall within ten (10) days after receipt of recall notice shall forfeit any and all rights to recall. No new hire shall be employed in a bargaining unit position until all eligible, laid off staff members have been offered such position.

A staff member on layoff status shall have the following rights:

1. The right to continue receipt of group insurance coverage at the staff member's expense.
2. The right to retain seniority credit during the period of layoff.
3. Credit for salary placement, upon recall, for teaching experience, which would qualify for salary schedule credit upon initial employment.
4. Recognition of additional certification, license, or entry-level requirements earned or reported while on layoff status for recall purposes, provided such information is filed with the Board prior to recall.

#### **5K SUBCONTRACTING**

No staff member shall lose his job as a result of subcontracting.

## **ARTICLE 6**

### **CONTRACTS**

#### **6A STAFF MEMBER CONTRACTS**

Ohio Statute (3319.08 ORC) provides for two types of contracts for staff members– limited and continuing.

#### **6A1 LIMITED CONTRACTS AND ELIGIBILITY**

##### **Terms of Contracts**

As many as three (3) one-year contracts may be offered consecutively. After three (3) one-year written contracts, the staff member, if re-employed, will be offered a four-year written contract. After any four-year contract, the staff member, if re-employed, will be offered another four-year written contract unless eligible for continuing status.

Notwithstanding the first paragraph of this section, if a staff member is otherwise eligible for reemployment on a multiple-year contract, but at the time of re-employment has determined to have unsatisfactory performance under Section 4G, the staff member shall only be eligible for a one-year contract, if re-employed. After removal from the unsatisfactory performance status, the staff member will receive a four-year contract depending on his previous position in the process.

#### **6A2 CONTINUING CONTRACTS AND ELIGIBILITY**

- a. Staff members eligible for continuing service status shall be those staff members who hold a professional, permanent, or life certificate or a professional educator license plus either of the following: (1) if a master's degree was held at the time of initially receiving a certificate or license, six semester hours of graduate coursework in the area of licensure or in an area related to the teaching field since the initial issuance of the certificate or license; or (2) if no Masters degree was held at the time of initially receiving a certificate or license, 30 semester hours of coursework in the area of licensure or in an area related to the teaching field since the initial issuance of the certificate or license. The service requirement for continuing contract status requires the staff member to have taught within the district for at least three out of the last five years. This requirement is modified, however, for those staff members who, prior to their employment within the district, had attained continuing contract status in some other district. For these staff members, continuing contract eligibility begins after only two years of service within the district, and may begin at some sooner date, if the superintendent of schools so recommends. A continuing contract remains in effect until

the staff member resigns, retires, or until the contract is terminated as prescribed by law (3319.08 ORC).

b. A staff member who is initially issued an educator's license on or after January 1, 2011, must hold an educator's license for at least seven (7) years to be eligible for continuing contract status.

c. If, during the term of a limited contract as that term is defined in Section 3319.08 ORC, a staff member believes he is or will become eligible for a continuing contract, then such staff member must notify the Superintendent in writing of such eligibility, prior to the end of the first semester of the current contract year.

Such staff members shall be considered for continuing contract status by the Superintendent and the Board at the meeting of the Board held in April, if by April 1 of that year such staff member has filed a copy of his professional, permanent or life certificate, or professional educator license with the Human Resource Department.

d. The Board may re-employ a staff member who is eligible for continuing contract on a one- or two-year limited contract. Where the Superintendent intends to recommend such action to the Board, he shall mail the staff member written notice of his intention, with reasons directed toward the staff member's professional improvement, by certified mail prior to Board action. The Superintendent shall mail the staff member written notice of Board action to re-employ the staff member on a one- or two-year limited contract by certified mail on or before April 30 of the year in which the staff member's contract is expiring. At the expiration of such limited contract, the staff member shall be non-renewed or granted a continuing contract.

e. The Board may vote to re-employ a staff member who is eligible for continuing contract on a one- or two-year limited contract upon the Superintendent's recommendation.

### **6A3 EFFECTS OF LEAVES OF ABSENCE WITHOUT PAY**

Notwithstanding Sections 6A1 and 6A2, leaves of absences without pay of more than sixty-five (65) consecutive days in a school year shall have the following effects:

a. The school year shall not be considered a year of service for purpose of a step on the salary schedule. [Section 8A2f]

b. The time served during the school year containing the leave of absence described in this section shall not constitute a year of service:

(1) for the purpose of acquiring the right to or progressing towards a continuing contract, or

(2) for the purpose of serving a year under a limited contract.

The staff member shall upon return to work assume the same contract status as when the school year began. In addition, at the beginning of the next school year following the school year containing the leave of absence described in this section, the staff member shall then complete the year or years provided in the limited teaching contract previously awarded. The school year containing the leave of absence under this section shall not count as a year towards completing the number of years provided in the staff member's limited contract.

#### **6A4 EFFECTS OF LEAVES OF ABSENCE WITH PAY**

Notwithstanding Sections 6A1 and 6A2, leaves of absence with pay of more than sixty-five consecutive days in a school year shall have the following effects:

- a. The school year shall be considered a year of service for purpose of a step on the salary schedule.
- b. The time served during the school year containing the leave of absence described in this section shall not constitute a year of service:
  - (1) for the purpose of acquiring the right to or progressing towards a continuing contract, or
  - (2) for the purpose of serving a year under a limited contract.

The staff member shall upon return to work assume the same contract status as when the school year began. In addition, at the beginning of the next school year following the school year containing the leave of absence described in this section, the staff member shall then complete the year or years on the limited contract previously awarded.

#### **6A5 SUPPLEMENTAL CONTRACTS**

- a. The Board shall enter into a supplemental written contract with each staff member who is to perform duties in addition to the staff member's regular teaching assignment. Such supplemental contracts shall be limited contracts and shall set forth the staff member's duties and shall specify the salary to be paid for this service.
- b. The deadline for non-renewal of supplemental contracts shall be June 30 instead of April 30.
- c. Staff members shall be compensated for supplemental duties for which they are employed in accordance with the supplemental salary schedules attached hereto. A list of non-sport activities will be updated and posted annually listed by the pay tier for each Activity. The Board need not fill any or all positions listed on the schedule in any particular school year. The Superintendent shall determine whether a vacancy exists in a supplemental position and when to fill the vacancy. The Board needs

not bargain with TCEA about the decision to create a new supplemental position or to consolidate supplemental positions but shall bargain about the salary for any new or consolidated supplemental position. If there is going to be an adjustment of the supplemental duties and pay for a position, the President of TCEA shall be notified and a representative of TCEA shall negotiate the adjustment.

d. If the compensation of original 2018-2019 supplemental contract language will negatively impact the employee, he/she will be held harmless for as long as he/she continues in that position. Once an employee vacates a supplemental contract position and it is filled by someone else the amended pay rates will become effective. Once the compensation for an activity equals or exceeds the original 2018-2019 compensation rate, the employee/position will be permanently moved to the amended pay schedule.

e. The District and Association recognize and value the educational experiences gained by students participating in extracurricular academic (non-athletic) activities. As such we feel it's important to fairly compensate those leading such activities for the work that is done outside of the school day. To this end, the District and Association has jointly developed a process to create a supplemental Academic Activity pay schedule, to reward the advisors of those activities that grow and to protect the District at the same time from activities that wain in student interest and activities. At the end of the Academic Activity season or academic year (no later than June 15) the Academic Activity will be evaluated by the building Principal against a predetermined list of expectations and expected outcomes. A determination will be made by the Administration to continue the Academic Activity as is, raise the "compensation status" of the Academic Activity, leave the "compensation status" as is or to dissolve the activity at that time.

f. A certified staff member that wishes to start an Academic Activity will write a proposal and submit it to the building principal for initial approval. The proposal is forwarded to the Director of Human Resources to review with the appropriate department heads and Administrative Staff for final approval. All Academic Activities must be tied to an academic program within the school district with no significant duplication of purpose, goals, or activities of an existing school-sponsored academic activity. The successful proposal will describe an unfilled academic need, the purpose and goals of the Academic Activity and how it will address the need identified. The proposal will outline a list of expectations such as the number of meetings per week, month or year and what programming will occur at these meetings, how attendance will be taken at each meeting, what activities the Academic Activity will sponsor and how these activities will lead to the desired outcomes. Academic Activity meetings and activities must take place outside of the regular school day and there must be a minimum of 10 participants for any Academic Activity to be approved. All Academic Activities are

expected to have one to two meetings per month and three to four outside activities not held during a meeting or the school day.

g. Those currently holding a supplemental contract for an academic activity will create the initial guideline document that outlines the academic program the activity is aligned with, the purpose, goals and activities it will sponsor, a list of expectations such as the number of meetings per week, month or year and what programming will occur at these meetings. How attendance will be taken at each meeting, what activities the Academic Activity will sponsor and how these activities will lead to the desired outcomes.

h. Once a proposal receives final approval it will run the first year as an unpaid position. Should the Academic Activity fulfil its purpose and satisfy the expectations and the identified need, the Academic Activity will warrant a paid advisor beginning in year two. Should an Academic Activity continue to meet expectations and fulfill the identified need, the Academic Activity will continue for subsequent years. Should expectations fail to be met, or the need no longer be fulfilled or exist, the administration shall have the right to discontinue the Academic Activity.

i. As an Academic Activity becomes more popular, expectations raise, meeting frequency increase as well as outside activities, the Academic Activity can raise to a Tier 2 status. The advisor must apply to their building Principal to be raised from tier 1 status to a tier 2 status. Approval will follow the same process as proposing a new Academic Activity. A tier 2 Academic Activity shall meet three to four times per week over a three to four-month season or one time per week during the entire school year. Additionally, they will hold or participate in eight to twelve events excluding a regular meeting or the school day. Should expectations fail to be met or the need no longer be fulfilled or exist, the administration shall have the right to discontinue the Academic Activity or reduce it to tier 1 Academic Activity status.

j. As a tier 2 Academic Activity becomes more popular, expectations raise, meeting frequency increase as well as outside activities, the Activity can raise to a tier 3 Academic Activity status. The advisor must apply to their building Principal to be raised from tier 2 status to a tier 3 status. Approval will follow the same process as proposing a new Academic Activity. A tier 3 Academic Activity shall meet four to six times per week for a three to four-month season. Additionally, they will hold or participate in twelve to twenty events excluding regular meetings or the school day. Should expectations fail to be met or the need no longer be fulfilled or exist, the administration shall have the right to discontinue the tier 3 Academic Activity or reduce it to a tier 2 Academic Activity status or to a tier 1 Academic Activity status.

k. Tier 4 and tier 5 are for specific positions and not open for other Academic Activities to grow into or shrink from as described above with tiers 1, 2 and 3.

1. The teacher assigned to the High School Band teaching position shall fill the Director of Bands supplemental position.

**6B PROVISION OF STAFF MEMBERS' CONTRACTS**

Every staff member who signs a contract with the Board agrees to abide by Board policies and administrative rules and regulations that are placed in the staff member work room and principal's office at each building and matters agreed to through negotiations. Notification of change in Board policies shall be given to the building representative in each school building and sent to the TCEA President.

**ARTICLE 7**  
**LEAVE POLICIES**

**7A LEAVE OF ABSENCE WITH PAY**

Under conditions hereinafter specified, staff members of the Board will be granted leaves of absence with pay. The following amounts of days are hereby set aside for illness and for personal leaves of absence with pay in accordance with the following categories:

**7A1 SICK LEAVE**

Each full-time staff member shall be credited with 1-1/4 days (at the rate of 15 days per year) of sick leave for each month of service rendered. Staff members who render part-time service shall be entitled to sick leave for the time actually worked at their rate.

**7A1a ILLNESS OR INJURY**

In accordance with ORC 3319.141, staff members may use sick leave for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to others and for absence due to illness, injury, or death in the staff member's immediate family. Immediate family is defined as parent, child, spouse, sister, brother, grandparents, grandchildren, legal guardian, foster or step-child, or foster or step-parents of said staff member or spouse.

If an illness meets the criteria for STRS disability, the staff member shall apply for STRS disability.

The Superintendent or his designee may engage in a dialogue with the staff member as to the reason for the staff member's absences where the staff member is absent more than eight days in a four-month period.

Medical proof of illness/death will be required by the Board for all absences longer than ten (10) consecutive days and may be required for absences of less than ten (10) days. Misuse or deliberate misrepresentation of sick leave may result in disciplinary action up to and including termination.

At the beginning of each school year by September 15, or if the sick leave bank balance falls below one hundred (100) days, staff members may volunteer to donate up to five (5) days of their available sick leave. The donated days will make up the sick leave bank and unused days remaining in the sick leave bank will accumulate from year to year. A review panel made up of the TCEA President or his designee and the Business Manager will administer the sick leave bank.

Upon depletion of accumulated sick leave balance and advancement of five (5) sick days per ORC 3319.141, a staff member may apply for sick leave days from the sick leave bank if he has a catastrophic illness or injury or if his spouse, child or step-child has a catastrophic illness or injury. A catastrophic illness or injury is defined as a sudden or unexpected disruption of a standard order of living.

The staff member must have a doctor's note when applying for days from the sick leave bank explaining the catastrophic condition and the length of time needed to be off work. He may apply for sick leave days up to twelve (12) calendar weeks at a time. If additional time is needed, the staff member must make another application accompanied by a doctor's note explaining the need. Requests for use of the sick leave bank must be made through Human Resources. The maximum days a staff member may be granted from the sick leave bank per contract year will be no more than sixty (60) days.

### **7A3 PERSONAL LEAVE**

- a) The Board recognizes the need for personal leave. This leave, not to exceed four (4) days per year, will be granted to staff members. Leave may be taken in half or whole day increments. Since the operation of the school program is the first concern, the Principal or Supervisor may refuse to grant this leave if the operation of the school may be jeopardized. If an official transcript cannot be obtained by September 15 or January 15, then other written evidence of completion from the college or university will be accepted until an official transcript can be provided. Failure to submit evidence by the above dates will delay placement on the higher salary classification until next school year.

This means that fifteen (15) semester hours of graduate or twenty (20) semester hours of undergraduate work will apply to the MASTER PLUS 15 and thirty (30) semester hours of graduate work or forty (40) semester hours of undergraduate work for the MASTER PLUS 30. A combination of the graduate and undergraduate hours is acceptable.

l. The following information must be on file in the Superintendent's office before the staff member's first work day, unless extended by the Business Manager/Director of Human Resources, or as soon thereafter as the information is available:

- (1) An Ohio teaching certificate/license
- (2) An official transcript of all college credits
- (3) Verification of all previous public-school experience
- (4) Documentary evidence of military service is necessary if this is to be used for salary classification.

m. Failure to comply with the provisions of paragraph i, j, and k could result in the withholding of pay. Continual refusal to abide by the regulations after written notice will be considered cause for nonpayment.

n. The Board will give staff members written individual annual salary notices. Such notification will be given before the beginning of the school year unless negotiations have not been concluded, in which case notice will be given as soon as possible.

All money so deducted shall be remitted to the TCEA Treasurer monthly. TCEA shall notify the Treasurer of those staff members who will participate in payroll deduction no later than three weeks prior to the second check in October and shall indicate the total amount to be deducted from each staff member's check. Such authorization shall continue in effect until such a time that said staff member gives written notice to the TCEA Treasurer to discontinue such deductions or employment with the Board terminates, with a copy of the notice to the Board Treasurer, but in no event shall such authorization be discontinued voluntarily before the end of the school year. A representative of TCEA shall have access at reasonable times to the record of authorizations and cancellations kept by the Treasurer. If a staff member on payroll deduction separates from employment before deduction of all installments, the Treasurer shall deduct, to the extent there are funds owing to the staff member, the remaining dues. A staff member employed after the initial cut-off for notice of those on dues deduction may give written authorization for dues deduction. In such a case, the dues shall be deducted over the remaining installments in an amount verified in writing by the TCEA Treasurer.

A deduction requested to be on a pretax basis will remain as pretax so long as

this is permitted by federal and state law so that income taxes will be deferred upon the amount of the deduction.

### **8H1 ELIGIBILITY**

A staff member leaving the employment of the Troy City School District shall be eligible for severance pay effective the last day of employment, provided the staff member meets the following eligibility requirements:

Such payment shall be calculated by multiplying the base daily rate, excluding supplemental pay, of the staff member's pay by the total number of days, or fractional parts thereof, as determined by the formula. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the staff member at that time.

If a staff member eligible for severance pay dies, severance pay will be made to the staff member's estate, as though the staff member had left employment, in accordance with the above formula. Such staff member need not have applied for severance pay before his death for this benefit to be paid to his estate.

The Board shall deposit into the employee's HSA account \$1,250/Single or \$2,250/Family, 50% on July 15 and 50% on January 15 each year.

- In the event the COBRA rate increases by more than 5% in one (1) year, the Board will pay the dollar amount equal to the first 5% and the employee will pay the balance. The employee share will increase to reflect the new percentage for the duration of this agreement.
