B. Grievance Procedure

The Association has the exclusive right to file grievances and to be present for the adjustment of any and all grievances.

STEP ONE: The grievant shall present the grievance orally to the immediate supervisor within fifteen (15) days after knowledge of the facts giving rise to the grievance. The presentation of the oral grievance will be documented on the Grievance form (Addendum A) as step one. The grievant shall receive a written response to the grievance from the immediate supervisor within ten (10) days after such discussion. Grievances, which by their nature are not capable of being settled at a preliminary step of the Grievance Procedure may, by mutual agreement between Business Manager/Director of Human Resources or the Director’s designee and the Association President or the Association President’s designee, be filed at the appropriate advanced step where the action giving rise to the grievance was initiated or where the requested relief could be granted. The grievant may request representation by the Association at any step in the grievance procedure.

1. In the event of a group grievance, the oral discussion shall include thirty-percent (30%) of the members of the group grievance.

STEP TWO: If the grievant(s) is not satisfied with the response of the immediate supervisor in Step One, the grievant(s) shall present the grievance in writing on the Grievance Form (Addendum A) within ten (10) days after receiving the response in Step One and

submit to the Immediate Supervisor. The Immediate Supervisor or designee will investigate the alleged grievance. Upon request of either party, a conference may be held for the purpose of obtaining facts necessary to make a decision. The Immediate Supervisor shall render a written decision to the grievant within ten (10) days from receipt of the written grievance or conference, whichever is later.

STEP THREE: If the grievant is not satisfied with the response of the Immediate Supervisor, the grievant may refer his grievance, in writing, on the Grievance Form (Addendum A) within ten (10) days after receiving the response and submit it to the Superintendent. The Superintendent or designee shall render a decision to the grievant and the Association in writing within ten (10) days. Upon request of either party, a conference may be held for the purpose of obtaining facts necessary to make a decision. The Superintendent or designee shall render a written decision to the grievant within ten (10) days from receipt of the written grievance or conference, whichever is later.

STEP FOUR: If the Superintendent or his designee's reply does not resolve the grievance to the satisfaction of the grievant, the Association may request arbitration in writing within ten (10) days of the receipt of the Step Three response.

C. Arbitration

1. Upon request for arbitration, the Association and the Superintendent will jointly submit a request to the Federal Mediation and Conciliation Services (FMCS) to provide the parties with a panel of seven (7) arbitrators experienced in public employment disputes from which the parties can select an arbitrator in accordance with the rules of the FMCS provided, however, that the Board must have raised the issue of arbitrability in at least one of the steps prior to arbitration. Either party may reject one entire list submitted by the FMCS. The loser will pay arbitration fees and expenses of arbitrator, FMCS, and expenses for a court reporter. The other party will pay for its own copy of the report. Each party shall be responsible for the fees and expenses of its representatives and of its witnesses.
2. Only grievances as defined herein shall be subject to arbitration; and arbitrability will be heard by the arbitrator in an expedited hearing and awarded separate from a hearing to determine the substantive issues, or merits of a grievance; provided, however, that the Board must have raised the issue of arbitrability in at least one of the steps prior to arbitration. The jurisdiction and the authority of the arbitrator and his opinion and award shall be exclusively limited to the interpretation of the explicit provisions of this Agreement. He shall have authority only to interpret and apply the specific provisions of this Agreement, which shall

constitute the sole basis upon which the arbitrator's decision shall be rendered, and shall consider only bargaining unit member grievances arising under the application of the current existing Agreement between the parties hereto. The arbitrator's decision shall be final and binding on all parties.

3. The arbitrator shall not have the authority to add to, subtract from, modify, change or alter any of the provisions of this Agreement, or to add to, detract from or modify the language therein in arriving at a determination of any issue presented that is proper within the limitations expressed herein. The arbitrator shall expressly confine himself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issues(s) not so submitted to him or to submit observations of declarations of opinion which are not directly essential in reaching the determination. The arbitrator shall in no way interfere with management rights, nor limit or interfere in any way with the powers, duties and responsibilities of the Board under its policies, applicable law, and rules and regulations having the force and effect of law.

D. Miscellaneous

1. If the Board administrators named herein to administer this grievance procedure should fail to answer any grievance within the time limits established, then the grievance shall be automatically advanced to the next step. Any grievance not referred to the next step will be considered termination of the grievance.
2. No censure or other adverse action will be taken against any bargaining unit member or administrator participating in this grievance procedure.
3. The procedures contained in this Article constitute the sole and exclusive method of considering the redressing of grievances arising during the life of this Agreement and any extensions thereof. It is expressly understood and agreed that neither the Association nor any bargaining unit member shall engage in actions which are not expressly provided for in the grievance procedures such as the initiation of litigation or charges with a state or federal agency in connection with any dispute which is or could have been a matter presented as a grievance within the grievance procedure. It is further understood and agreed that a decision at any level of the grievance procedure that is mutually acceptable to the Association's and the Board's representatives shall be final and binding upon the grievant, the Association, the Administration and the Board.

ARTICLE 8

3. If the Superintendent informs the supervisor rather than the bargaining unit member, the supervisor will inform the bargaining unit member of the complainant and the complaint directed toward him and offer him an opportunity to settle the complaint.

B. Formal Procedure

If the complaint cannot be settled informally, the following procedures shall be followed:

1. At the request of the complainant or bargaining unit member, a meeting of the bargaining unit member, supervisor and the complainant will be arranged at a mutually convenient time to discuss the complaint. A copy of the written complaint shall be supplied to the bargaining unit member by the Superintendent at the time it is submitted to him. At the bargaining unit member's request, he or she may be represented in any meeting involving the complainant and the Superintendent or his designee by an Association member employed by the Board.

6. When a bargaining unit member moves to a new position, he/she will be placed on the same step in the new classification/level.
7. All bargaining unit members new to a classification/level shall serve a thirty (30) day probationary period and shall retain the right to return to their previous position until they successfully complete the probationary period in the classification/level. All transfers, reassignments or other promotions resulting from a promotion shall be considered temporary until the end of the promotion probationary period. The Board, with just cause, may return the promoted bargaining unit member to his previous job and previous rate of pay at any time during the probationary period.

F. Layoff Procedure

1. When the Board determines to reduce the number of bargaining unit positions (other than through attrition of bargaining unit members who resign, retire, are on leave or are terminated), the Board shall follow the procedure set forth in this Article rather than that set forth in O.R.C. Ch. 124. The Board shall determine in which classification(s)/level(s) the layoff should occur and the number of bargaining unit members to be laid off in each affected classification/level. For the purpose of layoffs, a noon bus route will be considered as a separate position and the elimination of a noon route shall be considered a layoff.
2. Bargaining unit members shall be laid off within a classification/level of layoff in reverse order of seniority. A bargaining unit member to be laid off shall have the following displacement rights:
 - a. A bargaining unit member who is entitled to health/dental benefits may displace the least senior bargaining unit member who is entitled to health/dental benefits within that classification/level. If there is no less senior bargaining unit member with health/dental benefits, then the laid off bargaining unit member will displace the least senior bargaining unit member in that classification/level. A bargaining unit member displaced under this section shall have similar displacement rights if he has sufficient seniority.
 - b. A bus driver whose position is to be eliminated may displace a less senior bargaining unit member in a route having the next highest number of hours, the number of hours for each route being fixed in mid-September of each school year. A bus driver so displaced shall have similar displacement rights if he has sufficient seniority.

- c. A bargaining unit member to be laid off from any classification/level shall have the right to displace the least senior bargaining unit member in any classification/level in which the bargaining unit member to be laid off formerly served on a regular basis, so long as the bargaining unit member is at the time qualified to fill the position in such other classification/level.
 - d. In all other situations of layoff or displacement, the bargaining unit member may displace the bargaining unit member with the least seniority in the next lower level within the job classification/level, so long as the bargaining unit member is at the time qualified to fill that position.
3. Bargaining unit members who have been laid off will be placed on appropriate lay-off lists by classification/level. The bargaining unit member with the highest seniority will be placed at the top of the list, followed by the bargaining unit member ranked in descending order of seniority. A bargaining unit member who is laid-off will retain reinstatement rights for a period of one year from that lay-off date. During the one-year period, the Board shall not hire nor promote anyone into the classification/level of lay-off until all laid-off bargaining unit members are reinstated or decline the position offered.
 4. The Board shall make an offer of recall to a vacancy for which a bargaining unit member on the recall list is qualified and eligible by sending a written offer of the position by certified mail to the bargaining unit member's last address of record on school district files. It is the responsibility of the bargaining unit member to keep the school district records updated as to his address. A bargaining unit member shall be presumed to have rejected an offer of recall if he does not accept the position within ten (10) calendar days of the mailing of the offer of recall.

G. Changes in Workload/Hours

1. When the Board reduces the contracted hours of a position causing that position to go from full-time to part-time status, the bargaining unit member currently employed in the position for which the hours were reduced, shall have the right to displace the least senior, full-time bargaining unit member within that classification/level. The displaced bargaining unit member will then be given the position whose hours were reduced.
2. This section shall not apply to Transportation Bus Drivers whose route timings change in September.

ARTICLE 11
TRANSPORTATION REGULATIONS

Transportation regulations, as printed in the Bus Driver's Manual of Rules and Regulations, and approved by the Superintendent or Designee, shall be maintained in an up-to-date manner and shall be used as the basis for operation in the Troy Schools Transportation Department. The Bus Drivers' Manual of Rules shall not conflict with the Negotiated Agreement.

A. Bus Routes

Bus drivers will be paid a minimum of two (2) hours for morning route, mid-day route and afternoon route each. Any additional routes will be paid at actual driving/warm-up time. Drivers will be paid overtime based on actual time for warm-up, morning layover time, and actual driving time over forty (40) hours per week. Driving times will be established in September. On days when Troy City Schools is not in session, drivers/bus aides will be required to work their assigned routes for other schools and they will be paid a minimum of one (1) hour. Each driver/bus aide will be given a work calendar based on the assigned routes, scheduled days in session and schools assigned for that driver/bus aide. If a driver/bus aide is unable to drive/work an assigned non-TCS school route on a day when Troy City Schools is not in session for whatever reason, he/she must find another qualified bargaining unit member of his/her choice to work his/her route and notify the Superintendent or Designee of the change by filling out a Route Replacement Form, Addendum B. Both bargaining unit members shall sign the form to signify the agreement and turn into the Superintendent or Designee to serve as notification. If another bargaining unit member is not willing to work the route, the assigned bargaining unit member will be responsible for working the route. In the event the bargaining unit member, who has committed to working the route while the assigned driver/bus aide is out, cannot work do to unforeseen circumstances, the assigned driver/bus aide will not have any negative recourse brought against him/her, and the bargaining unit member replacement will then be responsible for finding another driver/bus aide. A driver may not be awarded any combination of routes that exceed forty (40) hours per week.

B. Extracurricular Assignments

Safely transporting students to and from school each day is the first priority of the transportation department. The Superintendent or Designee has the right to reassign drivers to different routes to efficiently enable transporting students to and from school while still covering extracurricular trips as directed below. Any reassignment shall be at the sole discretion of the Superintendent or Designee. At no point will a driver's paid contracted hours be reduced in the process. Any

reassignment that requires the bargaining unit member to work beyond their contracted hours will be paid for time worked at their regular rate of pay and in accordance with Article 18 Overtime. All extracurricular trips, in which more than 14 students participate, will be assigned to bus drivers on a rotating basis. All bargaining unit members who desire to drive extra trips, shall be offered extra trips even though the extra trips may conflict with their regular route. Special extracurricular or field trips during normal school hours that are outside a 100-mile radius or sponsored by PTO or groups other than the Troy Board, will be assigned as mutually agreed between the Association Executive Committee and the Superintendent or his/her designee on a discretionary basis. If a driver takes an extra trip that conflicts with one or more parts of his regular route, the Superintendent or Designee shall assign sub drivers to drive the regular routes not taken by the driver. Regular drivers taking extra trips shall be paid their regular hourly rate of pay for hours worked up to the daily contracted hours and the extra trip hourly rate for all additional hours worked that day. The extracurricular trip hourly rate shall be paid at Step One Bus Driver rate of pay for the given school year. Board approved, non-routine, extra trips will be paid at the driver's current rate of pay. If a bargaining unit member performs another job during the layover/field trip, he/she may be paid at that job's rate of pay, or the layover rate, whichever is greater, but in no event can a bargaining unit member be paid more than one hourly rate for the same hours worked. The Superintendent or Designee may withhold any extracurricular trips from a bargaining unit member who is on his/her probationary period.

C. Bus Route Changes

In the event of bus route additions or changes, seniority shall be observed in making the assignment. If no contracted driver applies for the open route, it should then be offered to the present substitute drivers.

D. Mid-day Routes

Mid-day routes will be considered separate routes. The present mid-day route drivers shall retain their routes for the next school year if they so desire. Mid-day routes vacated shall be passed down in order of seniority and driven by one driver for the duration of the vacancy, except when time does not permit such a procedure. Once assigned to a temporary vacancy, the bargaining unit member must work the duration of the vacancy (excluding approved leaves of absences) or lose all rights to work the vacancy, and the next senior driver who desires it shall be assigned to it.

E. Bus Preparation

School bus drivers will be paid their regular hourly rate of pay for preparation and cleaning of the buses prior, during, and at the close of the school year, subject to the approval of the

Superintendent or Designee. Upon completion of this work, a time sheet will be filled out, and submitted to the Director of Transportation for approval.

F. Assignment of Buses

Assignment of new buses will be made based on the following factors:

1. Age, mileage, and condition of bus to be replaced
2. Number of students on the route
3. Length of bus route

In the event all three factors are equal, seniority will be the determining factor.

G. Any Transportation employee, who substitutes on a mid-day route, within their classification will be paid at his/her regular step of pay.

H. Bus drivers shall be paid their regular rate of pay except as noted elsewhere in this article for additional time worked when authorized by their Superintendent or Designee.

I. The Board shall reimburse bargaining unit bus drivers for their regular licensing fees required for a Commercial Driver's License.

J. Driver-trainers shall receive their regular rate of pay for all hours affiliated with training.

K. Driver Insurability

1. The Board will provide annual training on driver insurability for all bargaining unit members who drive district-owned vehicles.
2. A bargaining unit member who is uninsurable per insurance company criteria will be automatically placed on an unpaid leave of absence, not to exceed six (6) months, without Board action. If, at any time during that six-month period, the bargaining unit member becomes insurable, he/she will be placed back in his former position. If a bargaining unit member fails to meet these criteria within six (6) months, he/she will be terminated by the Superintendent without Board action. The bargaining unit member may exercise this right only one (1) time during his/her employment with Troy Schools.

L. The list of grandfathered bus driver names and physician names, approved April 1, 2004 will be maintained in the transportation office. These drivers will be reimbursed for the actual cost they incur for this physical, up to the standard negotiated cost incurred by the Board for Board provided physicals. All other drivers will be required to obtain their bus driver physicals by the Board approved physician/facility.

M. School Bus Safety Classes

Assignment of bus safety class presentations will be made on a rotating basis for all regular drivers who sign up at the beginning of each school year. No driver will be assigned any safety class that would require a sub driver for any part of his bus routes.

ARTICLE 12
STAFF EVALUATION

A. Schedule of Evaluation

The performance of classified personnel shall be evaluated twice each school year by the bargaining unit member's direct supervisor. The first meeting will be an informal discussion with the bargaining unit member to be completed before December 15th. The second evaluation session is formal and must be completed no later than the last ten (10) workdays prior to the bargaining unit member's last contracted day. If a bargaining unit member is contracted to work in more than one classification/level, he/she will be evaluated for each position, every year, within the time schedule mentioned above. The date and time of the evaluation conference will be arranged by mutual agreement.

B. Purpose of Evaluation

The purpose of the evaluation is:

1. To facilitate and improve communication and understanding among administration and staff.
2. To improve job performance and competency and provide a means for growth through establishment of long and/or short-range goals.
3. To provide an opportunity for each bargaining unit member to periodically assess his/her performance.
4. To provide assistance that the bargaining unit member may need for growth and self-improvement.
5. To provide a bargaining unit member means for a better understanding of the scope of one's duties and/or responsibilities, and for the evaluator to observe and better understand the bargaining unit member's duties and responsibilities.

C. This article does not limit or prevent the Board or administration from issuing written reprimands, directions, instructions, or notices of deficiencies to bargaining unit members. Any allegations of undesirable traits or practices must be bona fide, verifiable and clearly stated to the bargaining unit member in writing. Such allegations must be based upon reports made by supervisors and administrators charged with the responsibility of ascertaining the bargaining unit member's ability to perform his/her duties. The information in these reports must be made known to the bargaining unit member.

D. All formal evaluations (Addendum F) are to be in writing, signed by the bargaining unit member and his/her evaluator. The original copy is to be given to the bargaining unit member, a second copy kept in the employee's permanent file, and a third copy to be kept by the evaluator. A

conference between the bargaining unit member and his/her evaluator will be held at the time of the evaluation. A minimum of fifteen (15) minutes will be allotted for each evaluation conference to allow for full disclosure and discussion of the bargaining unit member's job performance. The bargaining unit member may request additional time, or another meeting, with his/her supervisor for additional consultation. Only the bargaining unit member's immediate supervisor(s)/ administrator(s) should be conducting these evaluation meetings. All copies of the evaluation form will be signed by both the bargaining unit member and evaluator at the conclusion of the conference. Bargaining unit members shall have access to their own personnel file and shall be able to challenge any information contained therein, in compliance with The Privacy Act, Chapter 1347 of the Ohio Revised Code. All materials contained in the personnel file must be job related. All derogatory material placed in the file will be signed and dated by both the bargaining unit member and employer. A statement or document of rebuttal may be attached to any derogatory material by the bargaining unit member. The signature does not necessarily signify approval of the document, only that the document has been received. Bargaining unit members must sign such documents when presented to them. Any such document may be grieved. Any bargaining unit member may, pursuant to Privacy Act, Ch. 1347, inspect his/her personnel file and, in writing, dispute the accuracy, relevancy, timeliness, or completeness of the personnel information pertaining to him/her. The inclusion of any anonymous, unsigned or inaccurate documents shall be prohibited. When a bargaining unit member wants to glean his/her file, he/she must first review the file in the presence of the Business Manager/Director of Human Resources or his/her administrative assistant. The bargaining unit member will receive his personnel file along with an empty file folder. The bargaining unit member should then indicate to the Business Manager/Director of Human Resources or his/her administrative assistant the items requested to be removed. The materials requested to be removed from a bargaining unit member's file will be checked, and within five (5) days, will be disposed of by the bargaining unit member and Business Manager/Director of Human Resources. Removal of file items must be with the consent of the bargaining unit member's immediate supervisor and the Business Manager/Director of Human Resources and follow the district policy on records retention and destruction. Any derogatory record placed in a personnel file shall be moved to an auxiliary file after five (5) years at the request of the bargaining unit member.

The bargaining unit member has the right to be accompanied at the conference by one Association representative. The conference will be scheduled as promptly as possible by the Superintendent or designee.  4. Before imposing a suspension or discharge, the Superintendent shall sign a written notice of suspension or discharge. The statement shall state the ground for the action. The Board shall, within a reasonable time but not later than ninety (90) days after receiving the request, undertake a reasonable investigation to determine whether the disputed information is accurate, relevant, timely, and complete, and shall notify the bargaining unit member of the results of the investigation and of the action that the Board plans to take with respect to the disputed information. The Board shall submit any information that it cannot verify or that it finds to be inaccurate to the District Records Commission for disposal in accordance with Board Policy 8320.

- C.** A work week for all bargaining unit members shall be considered Sunday through Saturday. For bargaining unit members who voluntarily work more than forty (40) hours per week, all overtime worked from Sunday through Saturday will be paid at time and a half. For bargaining unit members who work on an actual holiday (not observed), as defined in Article 22 Holidays, will be paid at double time. This does not include personal leave, calamity days, professional association leave, and other unpaid leaves of absence.
- D.** When it's proven that a bargaining unit member was dishonest in his or her use of sick leave, or there is a proven pattern of abuse of sick leave in connection with overtime, the Board may take appropriate discipline.
- E.** When a bargaining unit member is called in, he/she will receive a minimum of one (1) hour's pay, and two (2) hour's pay if the call-in occurs after 11:00 PM and before 6:00 AM.
- F.** All overtime for bargaining unit members will be calculated at a blended rate, per Fair Labor Standards Act.

ARTICLE 19
ELIGIBILITY FOR ADDITIONAL WORK

Bargaining unit members will be given opportunities to perform additional work, substitute work and summer work, as long as it does not interfere with the employee's assigned work schedule, with the exception of custodians working on second shift under specific circumstances. A second shift custodian will be able to perform substitute work during first shift in the building(s) they are assigned and may work their regularly assigned schedule for the day if they choose to; otherwise, another substitute will be assigned to fill the open second shift position by following the agreed to procedure. If a bargaining unit member is absent from work for a day or any part of a day, he/she will not be permitted to accept another assignment for additional work on that same day.

ADDITIONAL WORK/SUBSTITUTE WORK

- A.** "Additional work" is defined as work outside a bargaining unit member's assigned workday (i.e., building rental contracts, community use of facilities, extra-curricular activities, catering, etc.) and "substitute work" is defined as work performed for another bargaining unit member who is absent.
- B.** Any bargaining unit member, who desires to be assigned additional/substitute work in other classifications or in the same classification in a building they are not currently assigned must be hired as a substitute in the classification they wish to work. Substitutes must meet the requirements/licensure for the classification in which they are approved for. Requests to be a substitute shall be made in writing to the Business Manager and may be submitted at any time. An updated list of available substitutes will be supplied as needed. Once hired as a substitute, the bargaining unit member will remain on the substitute list until they request to be removed.
- C.** All bargaining unit members hired as substitutes will be evaluated annually for the quality of their work as a substitute. If a bargaining unit member is hired as a substitute in more than one classification, there will be one (1) required evaluation conference that covers all classifications.
- D.** When there is additional/substitute work available, the principal or supervisor will ask the staff, on a rotating basis, in that classification in that building if they would like to perform the work. If there is no staff member in that classification in that building who wants to work, the principal or supervisor will contact the appropriate supervisor or designee to have the work assigned to a bargaining unit member hired as a substitute for that classification. If no bargaining unit members hired as substitutes accept the offer, the additional/substitute work may be offered to non-bargaining unit members hired as casual substitute employees in that classification.

E. The procedure is as follows:

1. The employee requesting leave shall enter a leave request using the district online leave request application. The leave request will be automatically, electronically time stamped at the time it is submitted. If the Superintendent or his designee approves the leave request an email will be sent to those in the same classification in the building the leave request came from with the offer of additional work. The offer will state the building the work is available in, the number of hours required, and the time span the work needs to be completed in, along with any other special instructions. Those employees will be required to accept or deny the offer by “Replying to All” to the email so everyone has a record of the offer and acceptance or denial. Should there be no reply, it is assumed the offer is declined. The bargaining unit members shall have a minimum of two (2) hours to respond to the email. The actual deadline shall be stated in the notice.
2. If no bargaining unit members in that building and classification accept the offer for additional work, the offer will be made to all bargaining unit members who are approved to substitute in the appropriate classification, by seniority on a rotating basis. The offer will state the building the work is available in, the number of hours required, and the time span the work needs to be completed in, along with any other special instructions. Those employees will be required to accept or deny the offer by “Replying to All” to the email so everyone has a record of the offer and acceptance or denial. Should there be no reply, it is assumed the offer is declined. The bargaining unit members shall have a minimum of four (4) hours to respond to the email. The actual deadline shall be stated in the notice.
3. If no bargaining unit members who are approved substitutes accept the offer, the additional work may be assigned to any approved substitute who works on a casual basis.
4. A notice stating who was awarded additional work will be emailed to all bargaining unit members that were part of the offer for additional work.
5. The email chain recording the request, offer(s) and acceptances, denials and assignments shall be kept electronically for a period of one year and then deleted.

F. Requests for leave and offers for additional/substitute work shall only be processed during contracted workdays and hours of the employee assigned to fill substitute requests.

G. In cases of emergency (less than 12 hours’ notice), the supervisor or designee will take whatever action is needed, in good faith, to fill an open work assignment.

- E.** On days when there is a delay, all bargaining unit members contracted for 210 days or more will report to work at their regular time. Transportation employees will report at a time equal to the delay, but will be paid at double time for one (1) hour for a 1-hour delay or for two (2) hours for a 2-hour delay, if they work their normal contract hours. Food service employees will report to work at a time set by the Board and will be paid double-time from the time they are required to report and the time the delay ends. Bargaining unit members who work in both transportation and another classification will only be paid double time for their transportation position. All other classifications will be required to report at a time equal to the time of the delay (e.g. on a 2-hour delay, these classifications will be required to report to work 2-hours later than their normal reporting time).
- F.** On days when school is released early due to calamity, all bargaining unit members contracted less than 210 days will be released from work as soon as they complete their required duties. ARTICLE 25
ASSIGNMENT OF WORK/SUBCONTRACTING

- A.** The Board reserves the right to assign bargaining unit work to administrators, to supervisors or to intermittent seasonal bargaining unit members where the Board determines that such assignment of work is needed to meet seasonal, temporary needs, to perform work efficiently, or on the most cost-effective basis, to conduct training, instruction, or inspection, where no qualified bargaining unit member is available, in a weather or other emergency. The Board may subcontract work, however, the Board will not subcontract any bargaining unit work which would have the direct effect of eliminating a bargaining unit position or reducing the regular work hours of a bargaining unit member. The Board will not subcontract out any work which is so regular and extensive that it would justify the hiring of an additional bargaining unit member.
- B.** In the event that the Board contracts with an outside employee or entity to do temporary, seasonal, and/or specialized bargaining unit work, and uses such person(s) in a position for one hundred twenty (120) or more days in a 12-month period, the Board will make such position a permanent, bargaining unit position as soon as possible.
1. For the sake of this section, the one hundred twenty (120) days does not need to be worked by the same person to be a violation.
