## International Community School News

**Hi ICS families,**

The final few days are here. Please note these important items:

### **Graduation**

Graduation is on Thursday June 15, 2023. Detailed information regarding graduation times, venue, parking, and tickets is available [here](#). Seniors arrive at 2.30 pm to the venue. Doors open for parents at 3 pm.

### **Early dismissal on Graduation Day**

School will end at 12 noon on June 15, 2023, for all grades.

### **Last day dismissal**

School will be dismissed at 10.30 am on Friday June 23, 2023. Shuttle busses will depart at 10.30 am.

### **Medication pick-up**

If your student has medication(s) in the health room, please plan to pick up on June 23, 2023.

The pickup window will be Friday, June 23 from 10:00 am to 11:00 am.

Medications left after the last day of school will be destroyed as we do NOT leave medications in the buildings during summer for safety reasons.

### **Fines**

Student fines must be paid prior to the last day of school. Payments can be made [online](#). For questions or financial assistance, please email [Cindy Hopwood](#).

### **Laptops, textbooks, library books**

**Library books** are due now for all grades.

**Textbooks** are due for grades 6-11 on June 22. For grade 12, textbook and tech return is June 14 between 9:30 am -11:00. am.

**Laptops and power cords** for grade 8 students only on June 22. All other grades will keep laptops over the summer. The class of 2027 will receive a new laptop for high school in the fall.

More information about summer technology and summer technology help is on the [Library Webpage](#).

## Grade reports

Report cards will be mailed by June 27th.

## Transcripts

Final transcripts from ICS will be sent, as directed by seniors, to their destination colleges by the end of June.

In order to include online coursework on a final ICS transcript being sent to colleges, an official transcript must be emailed directly from the provider to Kristina Summers no later than Friday, June 23, and *preferably sooner*. Students may also elect to have the official online course transcript sent directly to their destination school, and the coursework will not be calculated into the high school GPA.

If a student is requesting LWSD credit for approved online coursework, the student must have the course provider email an official transcript to **Kristina Summers**.

## Next year enrollment

If your student is not planning to attend ICS for the next school year, please contact **Kristina Summers** as early as possible so that we can help you make a smooth transition to your student's next school. This may also allow us to invite a new family from our waitlist to join our school community.
