

TITLE I PARENTS RIGHT TO KNOW:

Parents of students attending any school receiving Title I funds may request information regarding the professional qualifications of the student's classroom teachers including, at a minimum:

- Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- the baccalaureate degree major of the teacher and any other graduation certification or degree held by the teacher, and the field of discipline or the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualification

All teachers in Chisago Lakes Public Schools who work in Title I schools are highly qualified. Paraprofessionals are not used in our Title I programs at this time. If a parent would like to view the state qualifications and licensing criteria, [click here](#). If a parent would like to view a specific teacher's certification or degree held in Minnesota, [click here](#) to access the MDE data bases.
