

# MOUNT PLEASANT CENTRAL SCHOOL DISTRICT:

## APPR Plan Updates

Thank you to our APPR Committee members, who collaborated across all four schools to update our proposed plan for the 2023-2024 school year and beyond. This should provide for a more meaningful observation and evaluation process for all faculty.

## CURRICULUM CORNER

Our Professional Learning Committee in action!

## Districtwide Meetings

As recommended by the Academic Senate, a 'Districtwide Meetings' Google Calendar will be shared with all faculty and staff upon our return, which will have the meeting dates, agendas, presentations, minutes, etc. from all committees.

## C.I.A.C. Recommendations

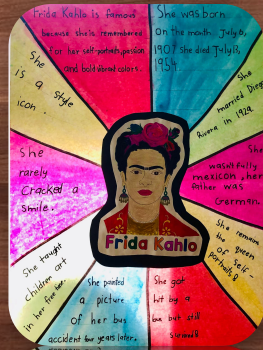

In April, our Curriculum, Instruction and Assessment Committee (CIAC) convened to update representative stakeholders on our current implementations, recommended adoptions and future possibilities. A HUGE thank you to our administrators and faculty leaders, who presented on the work they are leading. Following the passage of our school budget, the recommendations are now officially adopted!

## Tri-State Consortium

Next April, Mount Pleasant will have its 5<sup>th</sup> visit from our 'Critical Friends' in the Tri-State Consortium to look at our approach to authentic student assessment and our readiness to shift grading practices. This focus will involve all faculty and connects with the first pillar of our Strategic Plan on K-12 alignment. Please email me if you would like to be on our steering committee to help guide this important work!

EDUCATING EACH STUDENT TODAY FOR ENDLESS POSSIBILITIES TOMORROW
