

# Agreement for Acceptable Use of Networks, District-Issued Devices, and the Internet

## Parent or Guardian:

As the parent or guardian, I have read the Albuquerque Public Schools Student Acceptable Use of Technology and I have discussed it with my child. I understand that computer access and a district-issued device are provided for educational purposes in keeping with the academic goals of Albuquerque Public Schools, and that student use for any other purpose is inappropriate. I recognize it is impossible for Albuquerque Public Schools to restrict access to all inappropriate materials, and I shall not hold the school responsible for materials acquired on the school network. I hereby give permission for my child to use technology resources issued by, and at Albuquerque Public Schools. I acknowledge that a student may be assessed fines and fees related to damage or loss of district-issued technology assigned to that student.
