Who is eligible for Dual Credit?

- Be enrolled at least half time as a high school sophomore, junior or senior at a public, private or charter high school
- Have proof of current high school or home school enrollment
- Have not received a high school diploma or high school equivalency (GED or HiSET)
- Take college-level courses numbered 1000 or higher (fitness courses are excluded from the Dual Credit Program)
- Meet course prerequisites by submitting ACT/SAT scores or by taking CNM's Accuplacer Assessment to test for college-level course placement
- Not audit CNM Dual Credit courses
- Provide a valid state-issued student ID number (STARS ID)

Benefits of Dual Credit

- Smoother transition from high school to college
- Exposure to college-level work while still in high school
- Less time to a college degree
- Free tuition (Dual Credit students are responsible for course fees and uniforms, if required)
- Public schools cover the cost of textbooks
- Students earn college credit and high school credit for the same class
- Meet New Mexico high school graduation requirements
- An academic coach who specializes in Dual Credit students
- Free tutoring
- Access to free computer labs and libraries
