

EAST MAINE SCHOOL DISTRICT 63

TO: PARENTS, FACULTY AND STAFF
FROM: EAST MAINE SCHOOL DISTRICT 63
DATE: JUNE 12, 2023
SUBJECT: NOTICE OF ASBESTOS ABATEMENT
GEMINI MIDDLE SCHOOL

In accordance with the requirements of the Illinois Department of Public Health (IDPH) *Asbestos Abatement Act for Public and Private Schools* (77 Ill. Adm. Code 855 Section 855.450), East Maine School District 63 is hereby notifying parents, faculty and staff of asbestos abatement activities to be performed in relation to planned renovation activities within our school.

In order to provide for a safe and healthy environment for our students, faculty and staff, District 63 has retained the services of an Illinois Department of Public Health (IDPH) Licensed Asbestos Abatement Contractor (Valor Technologies, Inc.) to conduct planned abatement activities. In addition, District 63 has retained the services of an independent environmental engineering firm (KPRG and Associates, Inc.) to develop technical specifications for the performance of asbestos abatement activities and to provide on-site consultation and management of asbestos abatement activities for the duration of the project. All abatement activities will be performed utilizing strict engineering controls and work practices in accordance with applicable federal, state and local regulations.

Asbestos abatement activities are currently scheduled to commence on June 15, 2023 with an anticipated completion date no later than July 1, 2023. The scope of abatement activities will consist of the removal of asbestos-containing floor tile and adhesive at various locations within our school. Access to specific abatement areas will be restricted through the construction of isolation barriers and use of lockable doors. Therefore, access to portions of the building may be limited during the aforementioned dates.

We are committed to maintaining a safe and healthy education environment within our schools. Should you have any further questions regarding this project, please contact Jordi Camps, Assistant Superintendent of Business Services and CFO, East Maine School District 63 at (847)-493-8402

Sincerely,
Jordi Camps
