CONSENT OF MINOR TO PARTICIPATE IN THE METHODS OF ADMINISTRATION (MOA) - CAREER AND TECHNICAL EDUCATION (CTE) SURVEY

Dear Parents:

Each year, the Division of Special Populations Monitoring Methods of Administration (MOA) at the Texas Education Agency in compliance with the U.S. Office of Civil Rights, is required to conduct reviews of access to Career and Technical Education (CTE) programs in districts across the state. Krum Independent School District was chosen for a review for the 2021-2022 school year. Parents, students, and teachers are being asked to assist in the review process by completing an on-line survey about his/her experiences with the CTE programs at Krum Independent School District.

With your permission, a 20-minute survey will be administered by district personnel to your child. All responses will only be reviewed internally to assist TEA with the monitoring process. The information shared is confidential to the extent permitted by law. Responses to the survey may be subject to public information requests in accordance with the Public Information Act. Texas Government Code, Chapter 552.

Please return the signed and dated *Permission to Survey* form below to allow your student to participate in this brief survey.

Thank you for your assistance in this review process.
