Mission Statement

Newman Catholic Schools fosters disciples of Christ through Catholic faith, service and academics.

Dear Newman Catholic Community,

As our mission statement states, Newman Catholic Schools' focus is to help the youth of our community to not only grow in knowledge but to do so while embraced by God's word and love. Each student's journey is enhanced further as they are asked to be disciples for Jesus Christ while being of service to others out in their community.

Newman Catholic Schools offers strong programs at all levels, from as early as six weeks old through 12th grade. From the youngest Newman Catholic Cardinals at our early childhood centers to those soon to graduate, students of all ages focus on our core tenants of faith, service and academics. These principles are not just taught in the classroom but are woven into all aspects of a Newman Catholic education.

As we look forward to the coming school year, the teachers and staff of Newman Catholic Schools are excited to continue this journey; where we will not only learn together but grow in our relationship with God. All of this will be done with our namesake, St. John Henry Newman, at the forefront of all we do.

"God has created me to do Him some definite service;
He has committed some work to me which
He has not committed to another.
I have my mission.
I may never know it in this life,
but I shall be told it in the next.
I am a link in a chain, a bond of connection between persons.
He has not created me for nothing. I shall do good;
I shall do His work."

Now when Jesus was born in Bethlehem of Judea in the days of Herod the king, behold, wise men from the East came to Jerusalem, saying, "Where is he who has been born king of the Jews? For we have seen his star in the East, and have come to worship him."

Matthew 2: 1-2
