August 2023

Welcome to Kindergarten!

I hope you are enjoying your summer vacation! I have been going to the beach, reading, writing, walking my dogs, and having fun with my family. I have also spent time getting ready for the new school year. I am so excited to have you in my class! We are going to have so much fun together.

Let me tell you a little bit about myself. I live in Darien with my husband (Louie) and 3 sons (Louie, Jack, and Cooper). We also have a yellow lab named Baron and a beagle named Andy. I can't wait to learn all about you! The first few weeks of school we will spend a lot of time getting to know each other.

In Kindergarten we are going to do so many fun things. We will learn how to read, and write, and we will become mathematicians. We will play together each day and learn to be good friends.

Enjoy the rest of the summer. I look forward to meeting you soon.

Love,
Mrs. Giannattasio
