In order to be able to participate at Highland High School in Athletics or Activities, I understand that the following conditions must be met.

- The student has not been placed in an alternative school for disciplinary reasons.
- An official class schedule and grade report must be given to Highland at the beginning of the season. Official grades are required during the season, at the end of Highlands grading periods.
- A complete, valid physical must be on file with the Highland Athletic Trainer. This includes proof of insurance.
- Attendance of the athletic/activity mandatory meeting. At this meeting Code of Conduct is discussed and any information about infractions, from either school, can be shared between Highland and the Charter School. (Pre-Season information can be found on the Highland.aps.edu website.)
- Transportation to and from practices and games is the responsibility of the student. The student will be transported with the team if APS provides a bus for that event.
