Merced County STEM Fair

STEM Fair Competition (5-12)

Following the guidelines provided, individuals or small teams (2-3 students) may submit a Science Fair project in the countywide competition. Some winning projects may qualify for the California State Science & Engineering Fair. (Only grades 6-12 eligible for CSEF). Awards will be given to 1st/2nd/3rd place for each category for each grade at the awards ceremony. [Complete intent here.](#)

Viewing (All Grades)

Interested in expanding STEM into your classroom? Bring your class for a field trip to learn from the student scientists about their projects and experience the Exhibition and Maker Space. Viewing times are also open to families and other groups as part of UC Merced Research Week.
