# Student Profile Page Overview

Modified on: Fri, Sep 15, 2017 at 10:49 AM

The **Aeries Web Student Profile** page gives users a snapshot of key data for a selected student. The **Student Profile** is available to Admin portal users and **Teacher Portal** users.

When first searching for and selecting a student in a new **Aeries Web** session, the Student Profile page will display. Users can also access the **Student Profile** at any time by selecting the page from the **Student Data** node of the **Navigation Tree.**

The **Student Profile** page is not used for data entry. Instead, it is available to give a quick view of key information related to a student. The data on the page pulls from several different areas within Aeries, including Class Schedules, Teacher Gradebooks, Attendance, Test data, Discipline, Medical, Special Programs, Graduation Status, and College Entrance Requirements.

At the top of the Profile page is an Information Bar that has data listed across 6 tabs. This information not only displays on the profile page, but also shows on every student related page throughout the system.

The tabs featured on the student information bar include:

- **General -** includes demographic information such as ID numbers, Grade, age, Teacher (or counselor in the case of secondary schools) and Language status
- **Contact -** phone, address and email info for the student and Parent/Guardian. This tab also includes buttons for Full Contact List as well as Siblings to take the user to that detailed information
- **Additional Info -** Student alias, race/ethnicity, birth date, attendance program, and health alerts
- **Flags -** lists all student flags the user has permissions to view
- **Programs -** lists student participation in any Special Programs including 504, GATE, Special Ed, Foster, etc.
- **User Codes -** lists user code data for the student as defined by your school or district.

Above the Student Information Bar will be a Red Banner if the student has any **Flags** to emphasize the alerts.

Next on the Profile will be the student **Class Summary**. This will show the class schedule for students at a Secondary or Elementary with Master Schedule, as well as current Gradebook data for the student.

The option to "Show Legend" is available at the top right corner of the **Class Summary**. The legend defines the icons that appear in the Trend column.

To view the **Class Summary** data for prior or future terms, select the Options menu from the Class Summary, and select "Show All Terms":

Tip: There are live links to Student Data pages throughout the **Student Profile** page (Class Summary, Data Snapshot, etc). Clicking on a link will take the user to the page where the data generated from in order for the user to get more details information, or update data as needed.

Below the Class Summary will be an **Attendance Summary** for the student.

Absences		Tardies		Unexcused		Days Present	
2		0		2		18	
This Month	This Week	This Month	This Week	This Month	This Week	This Month	Percentage
0	0	0	0	0	0	21	90%

The remaining sections on the **Student Profile** will display various information depending on the school/grade level of the student, and what Student Data is present for the student:

Graduation Status is shown for secondary schools only. This includes summary data from the students' Graduation Status information.

Graduation Status

Please note: Status reflected is contingent upon successful completion of current course enrollment.

☐ Hide Planned Credits

Credits Completed	Credits Enrolled	Credits Needed
252.50	50.00	5.00

Algebra 1	High School Physical Fitness
✔	✔
Requirement Met	Passed

Print   Transcripts

The **Data Snapshot** shows recent student data entries from Medical, Assertive Discipline, Counseling, Interventions, and other areas. Users will only see entries from tables they have security permission to access.

Data Snapshot

Area	Rcd Count	Recent Date	Most Recent Info
Assertive Discipline	2	03/02/2018	Assault (E) 48900 (a)(2)
Counseling	3	01/27/2018	Personal Counseling
Discipline	1	08/28/2017	
Interventions	3	11/03/2017	After School Tutoring
Medical Log	3	02/19/2018	Asthma
Medical History	2	10/02/2017	wears glasses all the time

Most Recent Test Results - summary of recent test scores including CELDT, SBAC, or other local tests

Most Recent Test Results

Test	Taken	Result
SBAC Print		
Mathematics	04/2017	Standard Not Met
English Lang Arts /Liter	04/2017	Standard Met
CST		
Engl/Lang Arts Total	05/2015	Below Basic
Life Science	05/2015	Far Below Basic
