Gradebook Dashboards

Modified on: Tue, Feb 13, 2018 at 3:58 PM

The Gradebook **Dashboard** page will display. There are three dashboard views available, **Tiles, List** and **Table**. The system will remember the last dashboard displayed and open to the same dashboard between sessions.

2016-2017 Screaming Eagle High School							
III Tiles	🔳 List	III Table					

All three of the dashboard views display the most current gradebooks at the top of the page and the past gradebooks at the bottom.

The following information details the three views available.

Tiles Dashboard View

Below is an example of the **Tiles** dashboard. Tiles will display for all of the teachers gradebooks. The tiles are grouped and color coded based on the gradebook terms.

Click the mouse on the **Details** button to display more information. The **Details** view will allow the teacher to access the different pages available for the selected gradebook.

List Dashboard View

The List dashboard view will display the teachers gradebooks in list format and order them by **Current**, **Future** and **Past** Gradebooks. The List dashboard also groups and color codes based on the gradebook terms. The Current Gradebooks area will display all current gradebooks and will be expanded by default. Future and Past gradebooks will display but will be collapsed by default.

Note: The Tiles display will not have expand or collapse functionality.
