# Canvas Parent Observation

In order to follow your student(s) in Canvas, you will need to set up a Parent Account. You can set it up using a web browser or via the mobile app. Directions for both are below.

Web Browser (Chrome, Firefox, Safari, Internet Explorer)

### Step 1

Using your preferred web browser, navigate to https://centergrove.instructure.com.

You can also access Canvas from the Center Grove website, www.centergrove.k12.in.us, by hovering over "Students" and clicking on the Canvas icon, as shown in the image below.

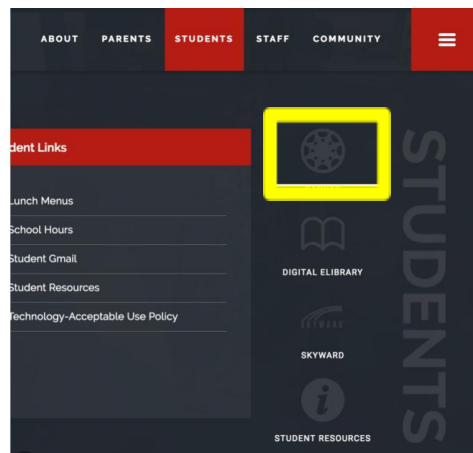

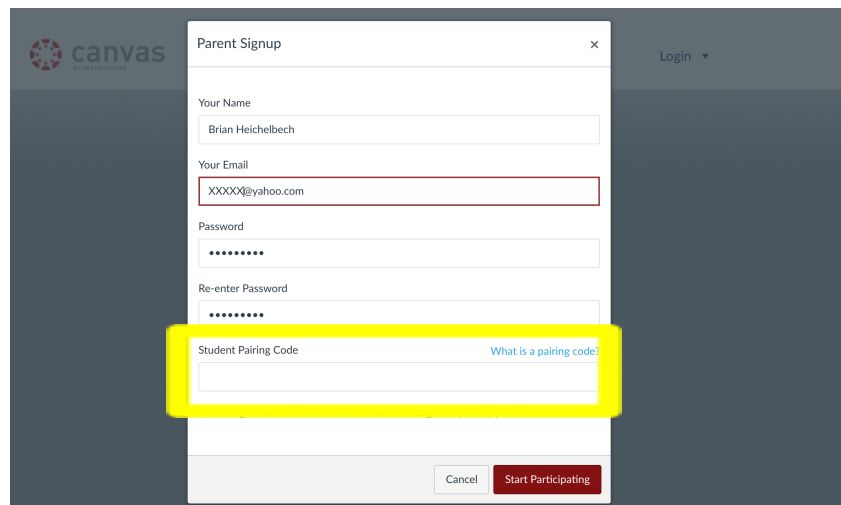

Step 2

Click on "Parent of a Canvas User? Click Here For an Account" in the upper right hand corner.

Step 3

Complete the Parent Signup information. The "Student Pairing Code" can be obtained from your student(s) (directions on following page).

Step 4

Confirm your registration by clicking on the link sent to your email.
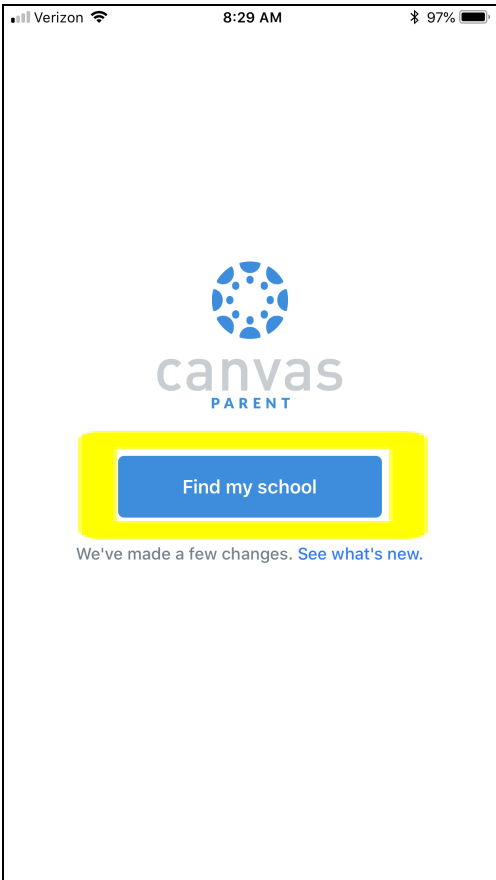

Canvas Parent App

Step 1

Download the Canvas Parent App via your App Store. The Parent App is blue.

Step 2

Click on the "Find my school" button.

Step 3

Type in Center Grove Community School Corporation and select the one with Parents after it.

Step 4

Click on "Parent of Canvas User? Create Account" at the bottom of the page.

Step 5

Complete the Parent Signup information. The "Student Pairing Code" can be obtained from your student(s) (directions on following page).

Step 5

Confirm your registration by clicking on the link sent to your email.
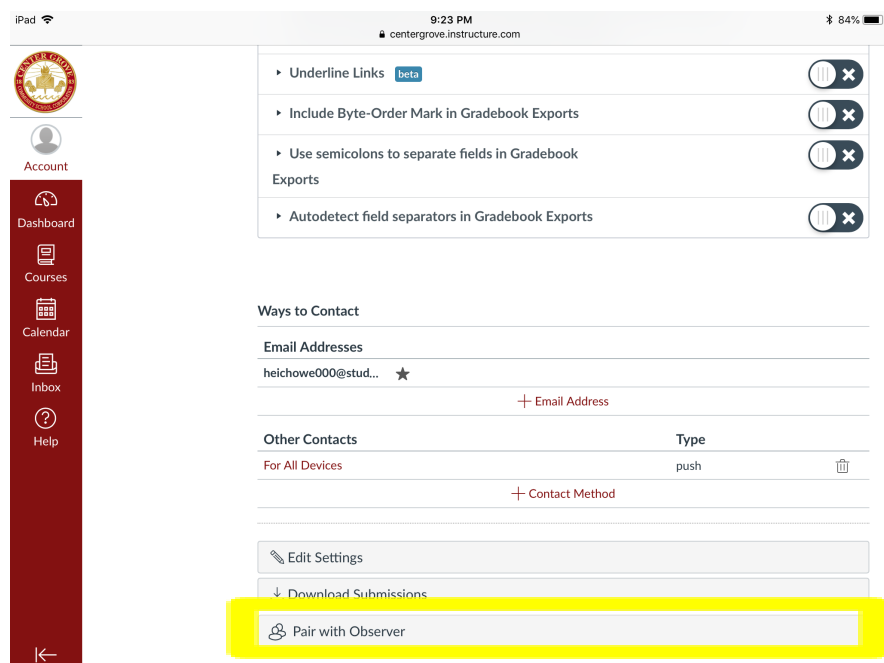

Student Pairing Code

Step 1

Your student(s) will need to share their "Pair with Observer" code in order for you to view their Canvas content. In a web browser (the code is not available in the app), your student(s) will need to click on their "Account" and then select "Settings" as shown in the picture below.

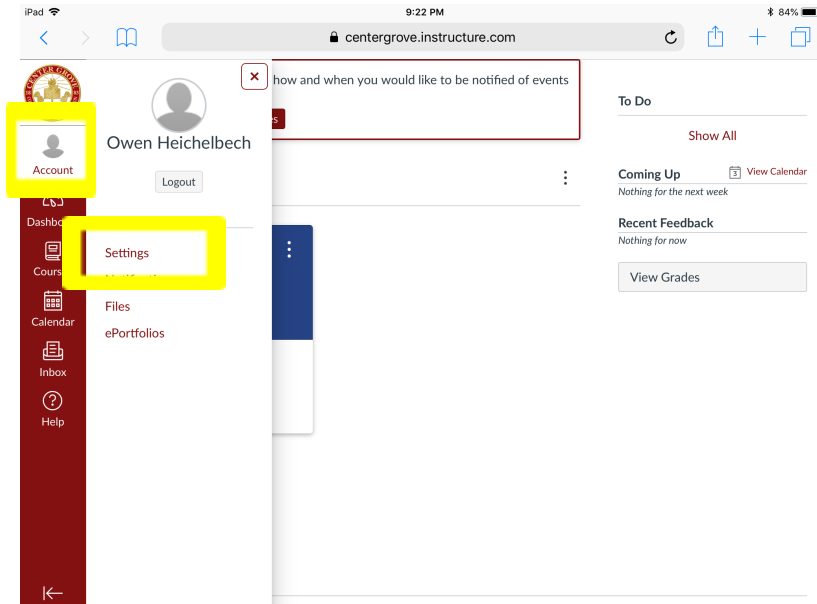

Step 2

Select the "Pair with Observer" button. Depending on the device, it could be at the bottom of the page or to the right hand side of the page.

Step 3

Enter your student(s)'s "Pair with Observer" code in the "Student Pairing Code" field of your account. Please note the code expires after 7 days and it can only be used once. The pairing code can be linked to five different accounts.
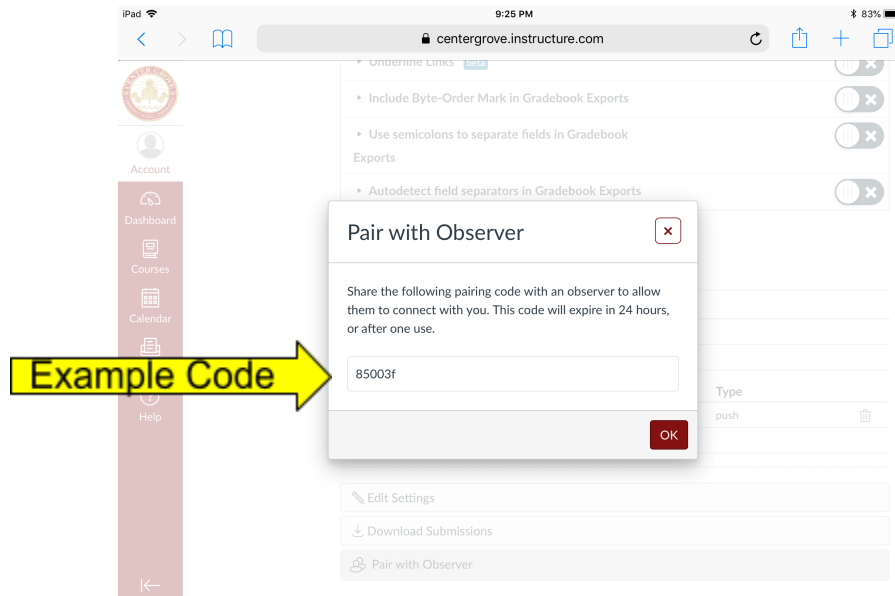

You can view more information and a complete set of parent observer guides on the Canvas Guides Page of the Canvas Community.
